Priorities and Performance Based Budgeting  
Fiscal Years 2014 and 2015**

**Health Services Core Function**

**Description & Purpose:** *Programs and services that help Nevadans and their communities achieve optimum lifelong health, including physical, mental, and social well-being, through prevention and access to quality, affordable healthcare*

<b>Objective</b>	<b>Access to Affordable Health Care</b> - Improve access to affordable, high quality health care	<b>Prevention</b> - Increase awareness and opportunities for Nevadans to receive preventive care and instruction to safeguard against or reduce the impact of injury, illness, and infectious disease	<b>Wellness</b> - Educate, encourage and empower Nevadans to take responsibility for their own health by engaging in healthy lifestyle activities, resources and choices	<b>Chronic Disease</b> - Build awareness of, and provide services for, the most dangerous risk factors which cause the greatest number of deaths and highest medical costs	<b>Quality</b> - Ensure health services are provided in a quality environment and manner which improve health outcomes	<b>Pregnancy</b> - Increase the percentage of women who seek appropriate care during pregnancy	<b>Mental Health</b> - Provide accessible and affordable mental health services to people of all ages
<b>Benchmark</b>	<b>Health Insurance Affordability</b> - Employee contribution for their own health insurance as a percent of earnings	<b>Infectious Disease Rate</b> - Number of reported measles, pertussis, syphilis and hepatitis A cases per 100,000 population	<b>Obesity Rate</b> - Percent of adults with a Body Mass Index (BMI) of 30 or higher	<b>Diabetes</b> - Percent of adults diagnosed with diabetes	<b>Infections Due to Medical Care</b> - Infections per 1,000 medical and surgical discharges		<b>Suicide Rate</b> - Number of suicide deaths per 100,000 population
<b>Benchmark</b>	<b>Adults with a Usual Source of Care</b> - Percent of adults who have one person identified as their personal doctor or health care provider	<b>Immunization Rate</b> - Percent of children ages 19-35 months who have received the recommended number of doses of vaccinations	<b>Physical Activity</b> - Percent of adults that participated in physical activities during the previous month	<b>Cardiovascular Death</b> - Number of cardiovascular deaths per 100,000 population	<b>Preventable Hospitalizations</b> - Discharge rate among the Medicare population for diagnoses that are amenable to non-hospital based care	<b>Low Birth Weight</b> - Percent of babies born weighing less than 5.5 lbs.	<b>Poor Mental Health</b> - Average number of days in the previous month that a person could not perform work or household tasks due to mental illness
<b>Benchmark</b>	<b>Children with a Medical Home</b> - Percent of children who had a personal doctor or nurse, had a usual source for sick and well care, received family-centered care from all health care providers, did not have problems getting needed referrals, and received effective care coordination when needed	<b>Recent Dental Visits</b> - Percent of population that visited the dentist for any reason during the past year	<b>Healthy Eating</b> - Percent of adults that report consuming at least five servings of fruits and vegetables each day	<b>Chronic Obstructive Pulmonary Disease (COPD)</b> - Hospital admissions for chronic obstructive pulmonary disease per 100,000 population age 18 and over	<b>Meaningful Use of Electronic Health Records (EHR)</b> - Percent of eligible professionals enrolled in the Nevada Medicaid EHR Incentives Program who meet meaningful use requirements	<b>Teen Birth Rate</b> - Births per 1,000 females aged 15-19	<b>Readmissions</b> - Readmission to psychiatric inpatient care within 30 days of discharge - ratio of readmissions within 30 days to total discharges
<b>Benchmark</b>	<b>Primary Care Physicians</b> - Number of primary care physicians per 100,000 population						
<b>Governor's Priorities</b>	<i>Educated and healthy citizenry</i>	<i>Educated and healthy citizenry</i>	<i>Sustainable and growing economy; Educated and healthy citizenry;</i>	<i>Educated and healthy citizenry</i>	<i>Educated and healthy citizenry</i>	<i>Educated and healthy citizenry</i>	<i>Educated and healthy citizenry; Safe and livable communities</i>

**State of Nevada  
Priorities and Performance Based Budgeting  
Fiscal Years 2014 and 2015**

**Human Services Core Function**

**Description & Purpose:** *Essential services that promote economic growth, self-sufficiency, and the healthy development of uniquely eligible populations, including children and youth, disadvantaged individuals and families, older adults, and individuals with disabilities*

<b>Objective</b>	<b>Poverty</b> - Reduce the percentage of Nevadans living at or near poverty through expanded opportunities for socioeconomic advancement	<b>Hunger</b> - Provide needed assistance, resources, training, and education to children, individuals and families to improve nutrition and reduce hunger in Nevada	<b>Self-Sufficiency</b> - Strengthen families by promoting economic self-sufficiency through expanded employment opportunities and supports	<b>Child Well-Being</b> - Bolster the safety, well-being, resilience and healthy development of children and youths	<b>Well-Being of the Disabled</b> - Empower disabled Nevadans to live independent and meaningful lives in the environment most appropriate for their needs	<b>Senior Well-Being</b> - Expand opportunities for Nevada's seniors to live safe, independent and meaningful lives in the environment most appropriate for their needs	<b>Risky Behaviors</b> - Reduce the prevalence of risky and addictive behaviors and encourage Nevadans to make changes to improve their quality of life
<b>Benchmark</b>	<b>Poverty Rate</b> - Percent below 100 percent Federal Poverty Level	<b>Food Insecurity</b> - Percent of households that do not have access at all times to enough food for an active, healthy life for all household members	<b>Work Participation</b> - Percent of Temporary Assistance to Needy Families (TANF) recipients participating in work activities	<b>Child Maltreatment Rate</b> - Number of maltreatment victims per 1,000 children	<b>Least Restrictive Level of Care for Disabled</b> - Share of the developmentally disabled receiving services who live in the community and home-like settings with one to three residents	<b>Nursing Facility Residency Rate</b> - Nursing facility residents per 1,000 population aged 85 and over	<b>Smoking Rate</b> - Percent of adults who are current smokers
<b>Benchmark</b>	<b>Child Poverty</b> - Percent under age 18 below 100 percent Federal Poverty Level	<b>Very Low Food Security</b> - Percent of households that had their food intake reduced or their eating patterns disrupted at some time during the year because the household lacked money or other resources for food	<b>Earnings Gain</b> - Earnings gain by employed Temporary Assistance to Needy Families (TANF) recipients - percent of employed TANF recipients that achieved earnings gain	<b>Adoptions</b> - Ratio of agency adoptions to children waiting for adoption	<b>Employed Disabled</b> - Percent of disabled that are employed	<b>Timeliness of Elder Protective Services (EPS) Investigations</b> - Percent of EPS investigations initiated within three days of initial report	<b>Binge Drinking</b> - Percent of adults who drank excessively during the previous 30 days (5+ drinks for males, 4+ drinks for females during one sitting)
<b>Benchmark</b>	<b>Working Poor Families</b> - Percent of families with children where at least one member is working or actively seeking work and the family income is at or below 200 percent Federal Poverty Level	<b>Food Stamp Participation Rate</b> - Percent of eligible population that participates in the Supplemental Nutrition Assistance Program (SNAP)		<b>Youth Suicide Attempts Reported</b> - Percent of reported 12th graders who attempted suicide in the last 12 months		<b>Senior Suicide Rate</b> - Suicide deaths per 100,000 population age 65 and over	<b>Illicit Drug Use</b> - Percent of population aged 12 and over who used illicit drugs during the past month
<b>Governor's Priorities</b>	<i>Educated and healthy citizenry</i>	<i>Educated and healthy citizenry</i>	<i>Sustainable and growing economy; Educated and healthy citizenry</i>	<i>Educated and healthy citizenry</i>	<i>Educated and healthy citizenry; Safe and livable communities</i>	<i>Educated and healthy citizenry; Safe and livable communities</i>	<i>Educated and healthy citizenry</i>

**State of Nevada**  
**Priorities and Performance Based Budgeting**  
**Fiscal Years 2014 and 2015**

**Infrastructure and Communications Core Function**

**Description & Purpose:**

The design, construction, maintenance, operation, and modernization of public works systems and networks to provide safe and effective connections necessary for the movement of people, goods, and data.

<b>Objective</b>	<b>Broadband</b> - Enhance access to broadband services and digitally delivered information	<b>Safety</b> - Improve pedestrian and traffic safety on streets and highways	<b>Transportation and Communication Assets</b> - Preserve and manage Nevada's transportation and communication assets	<b>Project Success</b> - Deliver transportation projects on time and within budget	<b>Efficient Highways</b> - Reduce congestion on state highways	<b>Water Management</b> - Manage and provide safe and adequate water to the areas served through the state-owned Marlette Lake water system
<b>Benchmark</b>	<b>Broadband Availability</b> - Percent of cities connected with broadband	<b>Roadway Fatalities</b> - Number of fatalities on streets and highways	<b>Roadway Condition</b> - Percent of pavements in good or better condition	<b>Timely Bidding of Transportation Projects</b> - Percent of projects advertised on time	<b>Highway Level of Service</b> - Percent of roadway miles operating at up to 8 miles per hour less than Posted Speed Limit or the Free Flow speed (Level of Service D or better)	<b>Water System Availability</b> - Percent of time water is available
<b>Benchmark</b>	<b>Broadband Access</b> - Percent of Nevadans with access to broadband at speeds that meet the national speed definition	<b>Crash Statistic</b> - Number of crashes on streets and highways	<b>Bridge Conditions</b> - Percent of bridges in good or better condition	<b>Project Completion</b> - Percent of projects constructed on time and within budget	<b>Quick Clearance of Traffic Incidents</b> - Percent of traffic incidents cleared within the Quick Clearance Guidelines	
<b>Benchmark</b>	<b>Broadband Participation</b> - Percent of Nevadans that subscribe to broadband at speeds that meet the current national target benchmark	<b>Seat Belt Use</b> - Percent of primary seat belt usage	<b>Communication Systems Availability</b> - Percent of time the digital communications system maintained by Enterprise Information Technology Services is available for use	<b>Permit Processing</b> - Percent of permits processed within 45 days of receipt	<b>Traveler Information</b> - Number of visits to traveler information systems	
<b>Governor's Priorities</b>	<b>Sustainable and growing economy; Safe and livable communities</b>	<b>Educated and healthy citizenry; Safe and livable communities</b>	<b>Sustainable and growing economy</b>	<b>Safe and livable communities; Efficient and responsible state government</b>	<b>Sustainable and growing economy; Safe and livable communities</b>	<b>Efficient and responsible state government; Safe and livable communities</b>

**State of Nevada**  
**Priorities and Performance Based Budgeting**  
**Fiscal Years 2014 and 2015**

**Public Safety Core Function**

**Description & Purpose:**

Programs and services to protect citizens, property, and commerce by providing a safe and secure environment and by preparing for and responding to emergencies that threaten life, property, and community well-being

Objective	<i>Reduce Crime</i>	<i>Awareness</i> - Improve public safety awareness	<i>Effective and Efficient Public Safety</i> - Maintain and promote effective and efficient public safety regulatory processes	<i>Reduce Repeat Criminal Activity</i>	<i>Response Capability</i> - Improve public safety response capabilities	<i>Improve Emergency Response and Response Preparedness</i>
Benchmark	<b>Violent Crime</b> - Crimes against persons per 1,000 population	<b>Reduction in Human-Caused Fires</b> - Percent reduction in human-caused fires	<b>Timely Completion of Fire Inspections</b> - Percent of fire life safety inspections completed within established timelines	<b>Offender Program Success</b> - Percent of enrolled offenders completing one or more programs and not returning to the supervising agency	<b>Training Compliance</b> - Percent of personnel in compliance with established training program requirements	<b>Emergency Response Planning</b> - Percent of jurisdictions with current emergency response plans
Benchmark	<b>Property Crime</b> - Crimes against property per 1,000 population	<b>Accident Statistic</b> - Percent decline in motor vehicle fatalities and serious injuries on Nevada roadways and waterways	<b>Law Enforcement Standards</b> - Percent of regulated entities rated Standard or Above in meeting overall law enforcement standards	<b>Offender Revocation</b> - Percent of offenders returned/revoked within 36 months	<b>Training Completion</b> - Percent of public safety personnel completing advanced training	<b>Mutual Aid</b> - Percent of mutual-aid requests filled
Benchmark	<b>Crime Rate</b> - Overall crime rate per 1,000 population	<b>Public Service Announcements</b> - Number of safety related public service announcements released annually			<b>Public Safety Assets</b> - Percent of assets in good or better condition	<b>Emergency Preparedness Trainings</b> - Number of jurisdictions participating in emergency preparedness trainings, drills and exercises
Governor's Priorities	<i>Safe and livable communities</i>	<i>Educated and healthy citizenry; Safe and livable communities</i>	<i>Safe and livable communities</i>	<i>Safe and livable communities</i>	<i>Safe and livable communities; Efficient and responsible state government</i>	<i>Safe and livable communities; Efficient and responsible state government</i>

**State of Nevada**  
**Priorities and Performance Based Budgeting**  
**Fiscal Years 2014 and 2015**  
**Resource Management Core Function**

**Description & Purpose:**

Effective management of Nevada’s natural, cultural, and agricultural resources to ensure resource conservation and protection, economic vitality, and the overall quality of life, and to address the unique resource challenges in Nevada related to 85% federal land management

<b>Objective</b>	<b>Protect Resources</b> - Protect and enhance resources to help ensure availability now and in the future	<b>Environmental Health</b> - Provide regulatory processes and programs that protect public and environmental health	<b>Water and Land Management</b> - Manage the allocation and authorization of Nevada's water and State-owned land in a proactive and objective manner	<b>Recreation</b> - Provide for resident and visitor recreational use and enjoyment of Nevada's resources	<b>Financing and Technical Support</b> - Provide technical support and/or financing of local projects to protect resources as well as public and environmental health and safety	<b>Education and Funding</b> - Increase both educational outreach and innovative/sustainable funding to help ensure effective resource management
<b>Benchmark</b>	<b>Air Quality Standards</b> - Percent of Nevada air basins meeting National Ambient Air Quality standards	<b>Pollution Discharge</b> - Percent of facilities in compliance with the National Pollutant Discharge Elimination System	<b>Land Use Authorization</b> - Authorizations to use state land completed as a percent of land use authorizations pending	<b>Visitor Satisfaction</b> - Percent of those visiting Nevada State Parks reporting satisfaction or better	<b>Drinking Water State Loan Assistance Fund</b> - Percent of available drinking water state revolving loan funds expended within established timeframes	<b>Funding for Resource Management</b> - Percent of total resource management core function budget that is from sources other than general fund
<b>Benchmark</b>	<b>Sage Grouse Habitat</b> - Percent change in number of acres of priority sage grouse habitat	<b>Drinking Water Standards</b> - Percent of Nevadans served by community water systems that meet all applicable health-based drinking water standards	<b>State Records Online</b> - Number of public historical records and current documents available on the internet	<b>Wildlife Population Management</b> - Percent change in number of hunting and fishing licenses issued	<b>State Conservation Districts Satisfaction</b> - Percent of conservation districts receiving technical support reporting satisfaction or better	<b>Education Programs</b> - Percent increase in education programs offered by all resource management core function agencies
<b>Benchmark</b>	<b>Lake Tahoe Clarity</b> - Percent reduction in fine sediment load to Lake Tahoe compared to baseline year	<b>Wildlife Health</b> - Percent of industrial ponds monitored quarterly for wildlife mortality	<b>Water Resource Management Plans</b> - Percent of over-appropriated groundwater basins with water resource management plans	<b>Local Economies</b> - Economic contribution to local communities that results from visitors and users of Nevada resources	<b>Public Health Risk Abatement</b> - Savings per West Nile Virus case avoided due to Agriculture Veterinary Public Health Risk Abatement efforts	<b>State Park Revenue</b> - Percent increase in funds received from Nevada State Parks entrepreneurial efforts
<b>Benchmark</b>	<b>Historic Cultural Preservation</b> - Number of cultural or historic items protected					
<b>Governor's Priorities</b>	<i>Sustainable and growing economy; Safe and livable communities</i>	<i>Sustainable and growing economy; Educated and healthy citizenry; Safe and livable communities</i>	<i>Sustainable and growing economy; Safe and livable communities</i>	<i>Sustainable and growing economy; Safe and livable communities</i>	<i>Sustainable and growing economy; Safe and livable communities</i>	<i>Educated and healthy citizenry; Safe and livable communities; Efficient and responsible state government</i>

**State of Nevada  
Priorities and Performance Based Budgeting  
Fiscal Years 2014 and 2015**

**State Support Services Core Function**

**Description & Purpose:** *Administrative support services necessary to facilitate and assist state government to operate in the most effective manner possible and to provide management and oversight to ensure accountability for the efficient and transparent use of taxpayer funds (Includes Governor, Lt. Governor, Constitutional Officers and centralized services)*

<b>Objective</b>	<i>Leadership - Provide executive leadership, legal counsel, and policy direction to state agencies to advance strategic objectives</i>	<i>Safeguarding of Funds - Safeguard and manage public funds</i>	<i>Skilled and Qualified Workforce - Provide a skilled and qualified state workforce to serve Nevadans</i>	<i>Centralized Services - Provide cost-effective centralized services to state agencies</i>	<i>Information Systems - Provide reliable and secure information and communication systems to support state agencies</i>	<i>Facilities - Provide safe, reliable, and secure buildings and facilities to support state agencies</i>	<i>Transparency - Improve availability of public information and ensure open political processes</i>
<b>Benchmark</b>	<b>Performance Measure Achievement -</b> Percent of Activity Performance Measures met statewide	<b>Single Audit Findings -</b> Number of material findings in the federally required annual audit of state funds (Single Audit)	<b>Employee Turnover -</b> Avoidable turnover rate of state employees (excludes retirements, dismissals, deaths, layoffs and position reductions)	<b>Cost of Centralized Services -</b> Cost per state employee of centralized services	<b>Security Incidents -</b> Number of reported security issues (releases of personal information as defined by NRS 603A.220)	<b>Facility Maintenance Completion -</b> Percent of high priority maintenance completed within the prescribed time period	<b>Nevada Transparency Performance -</b> Nevada transparency grade from SunshineReview.org
<b>Benchmark</b>	<b>Cost of State Services -</b> Cost per Nevadan of providing state services, adjusted for inflation	<b>State Bond Rating -</b> Maintenance of state bond rating	<b>Timeliness of Employee Recruitment -</b> Time from recruitment requests received by the Division of Human Resources Management personnel to date employee starts work	<b>Centralized Service Satisfaction -</b> Percent of agencies that are satisfied or very satisfied with centralized services	<b>Information Systems Availability -</b> Percent of time core systems are available for use as scheduled with customer (system uptime)	<b>Capital Improvement - Project Completion -</b> Percent of capital improvement projects completed on time and on budget	<b>Campaign and Public Officer Financial Disclosure -</b> Percent of timely filed political contribution expense reports and financial disclosure statements available on the internet immediately after the filing deadline
<b>Benchmark</b>		<b>Federal Funding -</b> Percent of federal tax dollars paid by Nevadans that are returned to Nevada			<b>Technology Project Completions -</b> Percent of information technology projects over \$50,000 completed on time and on budget		
<b>Governor's Priorities</b>	<i>Efficient and responsible state government</i>	<i>Efficient and responsible state government</i>	<i>Educated and healthy citizenry; Efficient and responsible state government</i>	<i>Efficient and responsible state government</i>	<i>Efficient and responsible state government</i>	<i>Safe and livable communities; Efficient and responsible state government;</i>	<i>Efficient and responsible state government</i>
