SUBJECT: Flyer for Reporting Abuse, Fraud or Waste – Fraud Hotline

The State of Nevada will not tolerate fraud, waste or abuse of state and federal funds. To enhance accountability and awareness, the Governor's Finance Office maintains a telephone number for reporting information relating to abuse, fraud or waste of public money received by an agency or contractor. Public money includes state funds and federal funds received by an agency for distribution and use in Nevada.

Attached is an updated flyer with information about the Fraud Hotline. Per Section 2 of NRS 353A.049, these flyers must be conspicuously posted in each public building of your agency. A copy of the flyer can also be obtained by selecting "Report Fraud and Abuse" on the Governor's Finance Office website at <http://budget.nv.gov/>.

If you have any questions, you may contact Mark Richards, Financial Manager, with the Division of Internal Audits at 775-687-0147.
