Subject: Interim Finance Committee Contingency Account Request

---

Taxation requests approval from the Board of Examiners to request \$887,491 from the Interim Finance Committee Contingency Account.

On November 8, 2016, Nevada voters approved the initiative to regulate and tax marijuana. From the overview provided on the Secretary of State's website, this initiative would require the Department of Taxation to regulate and administer the operation of facilities that cultivate, produce, and dispense marijuana products in the state. The Initiative additionally requires the Department to collect a 15 percent excise tax upon the wholesale value of marijuana sold by a marijuana cultivation facility in Nevada. The proceeds from the excise tax, less costs incurred by the Department of Taxation and counties, cities, and towns to carry out certain provisions of the Initiative, must be deposited in the State Distributive School Account.

Taxation will be responsible to license retail marijuana stores, marijuana cultivation facilities, marijuana product manufacturing facilities, marijuana distributors, and marijuana testing facilities.

The Initiative also decriminalizes the personal use, possession, or cultivation of marijuana under certain circumstances and provides for criminal penalties related to the unlawful cultivation, consumption, manufacture, or distribution of marijuana.

The initiative becomes effective on January 1, 2017. Taxation estimates four positions, starting February 1, and related expenses, are needed to begin implementation. The initiative will also require ongoing funding in the 2017 – 2019 biennium.

The Department of Taxation is responsible for providing fair, efficient, and effective administration of the tax programs of the State of Nevada in accordance with applicable statutes, regulations and policies, and serves the taxpayers, and state and local government entities. The department administers and collects taxes for distribution to the state General Fund, other state agencies, and to local government entities. **Purpose of Work Program**

This request will add resources needed for Taxation to implement Question 2, Initiative to Regulate and Tax Marijuana.

**Justification**

Voters passed Question 2, Initiative to Regulate and Tax Marijuana (also known as the Regulation and Taxation of Marijuana Act, or "the Act") on November 8. The Act is effective on January 1, 2017 and requires Taxation to administer requirements of the Act. This includes, but is not limited to:

- \* Adoption of regulations, not later than December 31, 2017
- \* Issuance, renewal, suspension and revocation of licenses to marijuana retailers, cultivators, product manufacturing facilities, testing facilities, and distributors
- \* Determining qualifications for licensure, security, packaging, labeling, and testing of marijuana
- \* Oversight and enforcement of marijuana businesses and licensees (including record keeping, signage, marketing, display, advertising, and other requirements within the regulations)
- \* Collection of taxes, fees, and penalties

Taxation estimates for the period of January 1, 2017 - June 30, 2017, 4 additional staff and related operational needs will be required to administer the Act.

This work program adds One - Administrative Assistant 2 (2.212), One Tax Examiner 2 (7.255), One Deputy Director (U4300) and one Chief Investigator Compliance/Audit (11.360). Each of these positions are anticipated to start February 1st.

**Expected Benefits to be Realized**

Taxation will be able to meet the requirements of the Act. This includes adopting regulations, developing tax return forms, programming the Unified Tax System for the new tax type, developing infrastructure for licensing, recordkeeping, and inspections, and other responsibilities that accompany the Act.

**Explanation of Projections and Documentation**

Line item budget and position detail, a copy of the Regulation and Taxation of Marijuana Act, and fund map are attached.

**New Positions:** Yes

**Summary of Alternatives and Why Current Proposal is Preferred**

Other than to not comply with the Act, there really is no other alternative. The current proposal is preferred, as it will allow Taxation to comply with the requirements of the Act.
