BUDGET MESSAGE

CITY OF ELY FINAL BUDGET FY 2014-2015

The City of Ely continues to face tight budget conditions, due to the cap on the maximum Ad Valorem tax rate of \$3.64. This will be the seventeenth year the City of Ely is unable to levy a full rate. Fiscal year 2014-2015 will be the fourteenth year that the City of Ely gives up 100% of the rate. CTX revenues have been coming in above budget but are still not at the amounts that it has been in the past, so it is possible that at some point the CTX agreement for the governmental entities in White Pine County may be discontinued and reverts back to the Ad Valorem tax distribution. The full impact will need to be analyzed prior to implementation.

The City continues to research ways to generate revenue sources for the General Fund. The effort to lower operating expenses continues, however, it comes at a cost to the citizens with less than desirable services. There is an ongoing discussion with White Pine County to combine the Fire/EMS services that could have an impact on the General Fund.

Per GASB 54 the audit for fiscal year 2012/2013 combines the General Fund and the Budget Stabilization Fund together.

The City of Ely's Road Fund has budgeted to use monies from the General Fund, Public Transit Fund, Street Improvement Fund and the Regional Transportation Commission to help maintain the streets of the City.

The Enterprise Funds continue to work on lowering operating expenses and replacing infrastructures as funding is available.
