[1] Starting October 1, 2019, marketplace facilitators are required to collect and remit sales and use taxes on certain sales that are facilitated on behalf of the marketplace seller.

[2] Gaming Percentage Fees are reported in the month following the month of actual gaming activity.

[3] Amounts are reported quarterly.

[4] Several tax credit programs that directly reduce the tax liability of a taxpayer and thereby decrease certain General Fund revenue collections. The amounts reflect Net tax collections (after Tax Credits are applied). See Page FY 2021 Tax Credit Summary for detailed tax credit program information.

[5] On May 13, 2021, the Nevada Supreme Court upheld the First Judicial District Court's September 21, 2020, decision that the S.B. 551 from the 2019 Session related to extending the existing rates for the Modified Business Tax (MBT) were unconstitutional. Per Supreme Court's ruling, the Department of Taxation was required to lower the MBT Non-Financial tax rate from 1.475% to 1.378% for all taxable wages in excess of \$50,000 per calendar quarter, and the MBT Financial and MBT Mining rates from 2% to 1.853% for all taxable wages, which was implemented beginning with the fourth quarter of FY 2021 (April 1, 2021).

[6] In FY 2021, 100% of the proceeds from the 10% depreciation schedule change are deposited in the General Fund. The distribution will revert back to 75% deposited in the Highway Fund and 25% in the General Fund in FY 2022.

[7] Starting July 1, 2019, the \$2 per slot machine collected from quarterly restricted and non-restricted slot machine fees is no longer allocated to the Account to Support Programs for the Prevention and Treatment of Problem Gambling.

[8] The 31st (2020) special session of the Legislature requires an advanced payment on the net proceeds of minerals (NPM) tax in FY 2021 based on the estimated net proceeds for the current calendar year 2021 for the General Fund portion only. The NPM tax reverts back to the former method (tax due based on actual mining activity from the preceding calendar year) of taxing net proceeds on July 1, 2023.

[9] The 81st (2021) Regular Session of the Legislature imposes an annual tax on each business entity engaged in the business of extracting gold or silver in this State whose Nevada gross revenue in a taxable year exceeds \$20 million, effective July 1, 2021. The tax rate is 0.75% of all taxable revenue in excess of \$20 million, but not more than \$150 million; and 1.1% of all Nevada gross revenue in excess of \$150 million. The proceeds from this tax are to be deposited in the State General Fund in FY 2022 and FY 2023 only. Beginning in FY 2024, the revenue will be deposited in the State Education Fund as a dedicated state funding source for the benefit of K-12 education under the Pupil-Centered Funding Plan.
