	The Civil Monetary Penalty (CMP) funds are collected by the Division of Health Care Finance and Policy from federally imposed penalties by the Centers for Medicare & Medicaid Services (CMS) when nursing homes do not meet requirements for long term care facilities. These funds are used to support a variety of projects and organizations as long as the funds are used in accordance with statutory intent and consistent with federal law and policy. CMS has authorized \$640,000 of CMP funds to implement with a program VirtuSense Technologies hat will assist staff with advanced assessments of nursing home residents to improve mobility and fall prevention. Expenditure category 17 Civil Monetary Penalty. [See Attachment]

	This request adjusts the transfer amount from Budget Account 3216 to Budget Account 3219 to fund cost that support the Sentinel Events Registry. The Nevada State Health Division is responsible for maintaining the Sentinel Events Registry per NRS 439.840, which is done by the Office of Public Health Informatics and Epidemiology. NRS 439.830 defines a sentinel event as: an unexpected occurrence involving facility-acquired infection, death or serious physical or psychological injury or the risk thereof, including, without limitation, any process variation for which a recurrence would carry a significant chance of a serious adverse outcome. The term includes loss of limb or function. It is called a sentinel event because it signals the need for immediate investigation and response. NRS 439.805 identifies the medical facilities that are required to report sentinel events: *hospitals *obstetric centers *surgical centers for ambulatory patients *independent centers for emergency medical care The positions that support the registry do the following activities: 1) Complete review and entry of all sentinel event reports submitted by medical facilities. Obtain additional information where the reports are incomplete. 2) Review annual facility summary reports and determine if there is any discrepancy in what was actually reported. 3) Correspond with reporting facilities to answer questions and update them on reporting requirements and changes to forms or procedures. 4) Complete sentinel event annual reports and present them to the Board of Health. 5) Support sentinel event legislation and regulation activities. 6) Complete sentinel event audits when requested by the State Health Officer

9043	TRANS TO HEALTH DIVISION This object is used for transfers to other budget accounts. Base costs include a transfer to budget account 3219 for the State Medical Epidemiologist; however, in state fiscal year 2019, budget account 3219 assumed all costs for this position. Therefore, these costs will be eliminated in the M150 decision unit. In addition, this object code transferred funds to budget account 3224 to reimburse a portion of Community Health Nursing staff in rural and frontier areas. Their duties include public health preparedness activities. Adjustments to these costs will be reflected in the M150 decision unit.	141,153	199,650	141,153	141,153

E900	TRANSFER PIO TO DPBH ADMIN BA 3223				
	This request transfers the Public Information Officer (PCN 0160) from the Public Health Preparedness budget (3218) to the Office of State Health Admin budget (3223) to better align the duties of the position.				
	Reallocation of one (1) Public Information Officer (PIO), PCN 0160. This position would better align under BA 3223, Office of State Health Admin budget as this position does work division wide. The Public Information Officer (PIO) position (PCN 0160) currently housed in BA 3218 has been completing T&Es for over the past year. These T&Es accurately reflect that this position is regularly performing duties for multiple programs, Bureaus and agencies across the Division and would be more appropriately allocated in BA 3223. BA 3218 - Public Health Preparedness Program is 100% federally funded. PCN 0160 spends a very small amount of time on BA 3218 and federally approved activities, as referenced in PCN 0160 T&Es.

E901	TRANS FROM CHS TO PHP BA 3218				
	This request transfers one Health Resource Analyst position (PCN 0180) from Community Health Services (BA 3224) to Public Health Preparedness (BA 3218) to better align the duties of the position. It is proposed that the HRA be moved under PHP as the resource analyst is assigned duties specifically designed to provide technical assistance to county officials and health care providers in the communities within Rural Nevada. The technical assistance information is obtained through mentoring and training offered through PHP staff and resources. CHS has worked collaboratively with the Health Resource Analyst on preparedness but renders no supervisory guidelines or training to the position. The transition will allow for better planning, budgeting and workflow management thus increasing efficiency. The employee is already physically stationed with the PHP unit.

3501	STATE SYSTEM DEVELOPMENT INITIATIVE (SSDI) RGL 3501 Nevada State System Development Initiative (SSDI): Grant award from the US Department of Health and Human Services, HRSA, CFDA #93.110. The primary focus of the State Systems Development Initiative (SSDI) is enhancing the data capacities of Division of Public and Behavioral Health (DPBH) and the Maternal and Child Health (MCH) Program. The key activities are: preparing data for and performing data linkage on databases housed in the DPBH, reporting data for the MCH Block Grant and other MCH projects, increasing the number and quality of databases available for linkage and analysis, and producing the 5-year MCH needs assessment. This grant does not require maintenance of effort or matching funds. [See Attachment]	69,130	100,000	66,529	66,420
3503	BRFSS RGL 3503 Behavioral Risk Factor Surveillance System (BRFSS): Grant award from the Centers for Disease Control and Prevention (CDC), CFDA #93.336. The Behavioral Risk Factor Surveillance System (BRFSS) is a state-based nationwide survey sponsored by the Centers for Disease Control and Prevention (CDC) to gather data on health risk behaviors, preventive health practices, and health care access primarily related to chronic disease and injury health risks in the U.S. Nevada uses BRFSS data to identify emerging health problems, establish and track health objectives, and develop and evaluate public health policies and programs. This grant does not require maintenance of effort or match. [See Attachment]	185,674	132,449	142,222	142,222
3504	TUBERCULOSIS (TB) PREVENTION, CONTROL AND ELIM RGL 3504 Tuberculosis (TB) Tuberculosis Elimination and Laboratory Program: Grant award from the Centers for Disease Control and Prevention (CDC), CFDA #93.323. The Tuberculosis Elimination and Laboratory Program aims to reduce the incidence of Tuberculosis by aggressively managing newly diagnosed cases and offering extensive preventive treatment to high-risk populations infected with Tuberculosis. Additionally, the Tuberculosis Program is responsible for managing Nevada's Tuberculosis surveillance and genotyping data systems, as well as by providing leadership at the local, state and federal levels to control Tuberculosis in Nevada's diverse communities and institutions. This grant does not require maintenance of effort or matching funds. [See Attachment]	608,644	628,466	608,099	611,002
3505	EPIDEMIOLOGY AND LAB CAPACITY (ELC) RGL 3505 Epidemiology and Laboratory Capacity (ELC) Program: Grant awards from the Centers for Disease Control and Prevention (CDC), CFDA #93.323. The Program conducts communicable disease surveillance, investigates disease outbreaks, and disease control activities. The ELC Program records and analyzes reportable disease information, conducts interviews with infected individuals and their contacts, refers individuals for medical treatment, analyzes data from disease investigations, identifies risk factors, provides education and recommendations on disease prevention, and works in conjunction with appropriate agencies to enforce communicable disease laws. 3508	NATIONAL SYNDROMIC SURVEILLANCE RGL 3508 Federal BioSense Grant / Syndromic Surveillance: Grant award from the Centers for Disease Control and Prevention (CDC), CFDA #93.283. The Syndromic Surveillance Program oversees the collection and analysis of health-related data that precede diagnosis and may warrant a public health response because it signals a sufficient probability of a case, an outbreak of disease or other public health emergency. No MOE or Match required. This grant ended in 2019 and will not be awarded in FY22 & FY23. [See Attachment]	67,815	391,336	29,276	29,276
3561	HIV/AIDS SURVEILLANCE RGL 3561 HIV/AIDS Surveillance: Grant award from the Centers for Disease Control and Prevention (CDC), CFDA #93.940. The primary functions of the HIV/AIDS Surveillance Program are to monitor the HIV/AIDS epidemic and provide data for prevention and care efforts. The tasks to achieve this include soliciting, receiving, reviewing, and filing HIV/AIDS case reports in a timely manner; determining if case reports meet the HIV infection or AIDS case definitions, or both; ensuring the collection of all required information (e.g., through follow-up investigation); and maintaining a complete and accurate HIV/AIDS surveillance database. Funding was awarded over two separate NOGAS. The first NOGA was for \$143,559.00 and the second NOGA was for \$430,678.00 for a combined total of \$574,237.00 This grant does not require maintenance of effort or matching funds. 	RGL 3592 Overdose Data to Action - Grant award from the Centers for Disease Control and Prevention (CDC), CFDA #93.136. The purpose of this grant is to implement the data and surveillance components of the strategic action plan of Nevada's Prescription Drug Task Force to improve safe prescribing practices and prevent prescription drug overuse, misuse, abuse, and overdose. This grant does not require maintenance of effort or matching funds. [See Attachment]				
3593	NTL VIOLENT DEATH REPORTING The National Violent Death Reporting System (NVDRS) provides states and communities with a clearer understanding of violent deaths to guide local decisions about efforts to prevent violence and track progress over time. NVDRS is the only state-based surveillance (reporting) system that pools data on violent deaths from multiple sources into a usable, anonymous database. These sources include state and local medical examiner, coroner, law enforcement, toxicology, and vital statistics records. No MOE or Match required. [See Attachment]	218,028	455,791	218,574	218,203
3594	OPIOID ENHANCED SURVEILLANCE The Enhanced State Surveillance of Opioid-Involved Morbidity and Mortality (ESOOS) project provides more timely and comprehensive data on fatal and nonfatal opioid overdoses and risk factors associated with fatal overdoses. This funding allows Nevada to increase the timeliness of reporting nonfatal opioid overdoses through syndromic surveillance and increases the timeliness and comprehensiveness of reporting fatal opioid overdoses through the State Unintentional Drug Overdose Reporting System (SUDORS). No MOE or Match required. This grant ended in 2019 and will not be awarded in FY22 or FY23. [See Attachment]	54,176	556,263	54,010	54,010
4265	ALZHEIMER'S ASSOC. Transfer from the Alzheimer's Association to add questions to the BRFSS Survey. This will not continue into FY22 & FY23, as the BRFSS grant is going to the universities. [See Attachment]	12,000	0	12,000	12,000

E902 TRANS FROM CHS TO OPHIE BA 3219
 Community Health Services (CHS) currently has 2 Disease Control Specialists, PCN 0138 & PCN 0036. These positions would be better aligned under the Office of Public Health Informatics and Epidemiology (OPHIE) (BA 3219).
 It is proposed the two Disease Control Specialists be moved under OPHIE as the positions are assigned duties specifically designed to assist state, local, and community efforts to reduce communicable disease systemically and to identify and intervene on the communicable health diseases affecting individuals through surveillance of reports. The technical information needed to successfully complete the job is obtained through mentoring and training offered through OPHIE staff and resources. CHS staff has worked collaboratively with the disease specialists but render no supervisory guidelines or training to the positions. The transition will allow for better planning, budgeting and workflow management thus increasing efficiency. The employees are already physically stationed with the OPHIE unit.

This request transfers the Office of Analytics to the Health and Human Services Director's Office.					
This request is part of a Department initiative to standardize and centralize data analytic staff in one budget account located in the Department of Health and Human Services Director's Office. A centralized data analytic team will streamline much of the tabular/descriptive work done by each respective analytic group, allowing more time to be spent on inferential statistics and predictive analytics. A centralized data analytic team will allow for more peer-to-peer development leading to a consistent quality of analytic products produced by the Department of Health and Human Services.

REVENUE					
2501	APPROPRIATION CONTROL Authorized General Fund appropriations to be used for the operation of the Chronic Disease program in accordance with Women's Health Connection AB 388 and SB 263 Tobacco Prevention. Senate Bill 263 of the 2019 Legislative Session appropriated funds to fund programs to control and prevent the use of tobacco. Funds must be obligated by June 30, 2021, and unspent funds must be reverted to the State General Fund on or before September 17, 2021	3,000,000	0	1,887,457	1,887,456
2510	REVERSIONS Reversions reflect the amount of funds reverted to the State General Fund at the end of SFY20.	-1,115,147	0	0	0
2511	BALANCE FORWARD FROM PREVIOUS YEAR Senate Bill 263 of the 2019 Legislative Session appropriated funds to fund programs to control and prevent the use of tobacco. Funds must be obligated by June 30, 2021, and unspent funds must be reverted to the State General Fund on or before September 17, 2021	0	0	0	0
2512	BALANCE FORWARD TO NEW YEAR The balance forward to the new year is the amount that will be carried forward to the work program year.	0	0	0	0
3503	INNOVATIVE HEALTH STRATEGIES The Chronic Disease Section receives federal funds from the Centers for Disease Control and Prevention (CDC) to test, develop, and evaluate innovative approaches to reduce the burden of cardiovascular disease (CVD) in underserved areas of Nevada. Heart disease/CVD is the leading cause of death in Nevada. Target populations include residents who have or are at high-risk for CVD including Hispanic, African Americans, low income, uninsured, and older adults. (CFDA# 93.435) This revenue funds special use Category 28. CAT 01 also has some allocations. [See Attachment]	718,687	0	768,052	771,853
3504	DM HSSP The Chronic Disease program receives federal funds from the Centers for Disease Control and Prevention (CDC) to track the federal expenditures associated with this grant. The purpose of this Cooperative Agreement is to improve the health outcomes for Nevadans within high burden populations affected disproportionately by high blood pressure, high cholesterol, diabetes and/or pre-diabetes. This is an ongoing multiple year grant that the Chronic Disease section receives to fund these activities (CFDA# 93.426). Revenue funds special use category 19. Categories 01, 04, 26, 87 and 88 also have some allocations. This grant does not require a maintenance of effort or a match. [See Attachment]	1,470,380	1,690,222	1,836,563	1,859,547
3505	FEDERAL TOBACCO GRANT The Chronic Disease program receives federal funding from the Centers for Disease Control and Prevention (CDC) to support Tobacco awareness and prevention activities. The objective of this project is to decrease the rate of smoking prevalence, increase the proportion of smokers who have sustained abstinence from tobacco use, decrease the proportion of non-smokers reporting overall exposure to secondhand smoke, and decrease tobacco-related disparities. Tobacco control projects and services are provided at the state and local levels. This is an ongoing multiple year grant the Chronic Disease section receives to fund the operations. (CFDA #93.387) This revenue funds special use category 10. Categories 01, 04, 26, 87 and 88 also have some allocations. This grant does not require a Maintenance of effort or a match. This is a new award starting with SFY 21, combining previous Tobacco Control Grant Funds and Quitline Capacity into one funding award. New Notice of Award has not been received, attached please find most recent NOA for funds from the previous Tobacco Grant, ending 6/28/20. [See Attachment]	736,251	794,315	907,142	921,891
3509	FEDERAL QUITLINE This grant is being eliminated and will be a part of the new Tobacco Grant. Funds for this portion will be combined in a new 5 year grant award starting SFY 21. This RGL should be eliminated for SFY 22-23 as RGL 3505 will be the source of funding for the new Tobacco Grant award. [See Attachment]	119,087	132,893	113,411	113,411

	The Chronic Disease program receives federal funds from the Centers for Disease Control and Prevention (CDC) under the Preventive Health and Human Services Block Grant. Through this program, more people will be referred to diabetes management and prevention programs, local programs to promote increased physical activity will be implemented, local health authorities will be able to achieve public health accreditation as well as improve their public health infrastructure, and policy education to facilitate obesity prevention. This is an ongoing multiple year grant the Chronic Disease section receives to fund the operations. (CFDA# 93.991) This revenue funds special use category 09 to track the federal expenditures associated with this grant. Categories 01, 12, 26, 87, and 88 also capture some expenditures as well. This grant does not require a match or maintenance of effort.				
	[See Attachment]				
3580	NAT'L CANCER PREVNTN & CONTROL The Chronic Disease program receives federal funding from the Centers for Disease Control and Prevention (CDC) to support the control and prevention of breast and cervical cancer. Through the National Breast and Cervical Cancer Early Detection Program (NBCCEDP) award for the Women's Health Connection (WHC) Program, Nevada will provide low-income, uninsured, and underserved women access to timely breast and cervical cancer screening and diagnostic services. Nevada has an opportunity to build on the existing capacity and extensive stakeholder network created by the WHC contractor, Access to Healthcare Network, by focusing on population-based approaches to ensure women overcome barriers to getting screened for breast and cervical cancer. This is an ongoing multiples year grant that the Chronic Disease program receives to fund this operation (CFDA# 93.898).	3,465,302	3,598,658	4,004,597	4,030,489
	This revenue funds special use category 21. Categories 01, 04, 12, 26, 87, and 88 also capture some expenditures as well. This grant does not require a maintenance of effort, but has a match requirement.				
	[See Attachment]				
3586	COMPREHENSIVE CANCER GRANT The Chronic Disease section receives federal funds from the Centers for Disease Control and Prevention (CDC) for cancer awareness and prevention activities. These funds largely support three program aspects: primary prevention of cancer, early detection, and survivorship. Under primary prevention, the program aims to increase sun safe behavior and practices among Nevada youth, eventually decreasing prevalence of skin cancer statewide; under early detection, the program focuses on increasing rates of breast, cervical, colorectal, and lung cancer screening statewide; and through survivorship efforts, the program provides community-clinical linkages and evidence-based resources to survivors in order to increase the statewide 5-year survival rate of all cancers. This is an ongoing multiple year grant. (CFDA #93.898) The revenue funds special use category 20. Categories 01, 04, 26, 87, and 88 also contain some allocations. This grant does not require a maintenance of effort, but does have a match. The match is provided by Nevada Cancer Coalition through donated sun safety equipment for the Sun Smart program for cancer prevention efforts, and tobacco cessation materials and efforts. For SFY this match totaled \$27,214.	890,943	847,139	926,708	932,259
	[See Attachment]				
3587	FED COLORECTAL CANCER GRANT The Chronic Disease program receives federal funds from the Centers for Disease Control and Prevention (CDC) for colorectal cancer awareness and prevention activities including cancer screening for early detection. This will be achieved primarily by partnering with targeted Federally Qualified Health Centers (FQHCs) in Northern and Southern Nevada through June 29, 2020 to implement clinic and system-wide priority Evidence-Based Interventions (EBIs) and other non-screening activities aimed at making sure everyone is screened appropriately. The program has two components: 1. population-based approaches and 2. screening provisions. The program also strives to reduce health disparities among Latinos, African Americans, and low-income individuals by enhancing the use of electronic medical records, integrating Community Health Workers (CHWs), and offering professional development to healthcare providers. This is an ongoing multiple year grant the Chronic Disease program receives. (CFDA# 93.800) This revenue funds special use category 22. Categories 01, 04, 12, 26, 87, and 88 also capture some expenditures as well. This grant does not have a match or maintenance of effort requirement.	978,837	1,024,846	505,106	509,186
	This grant was awarded with \$0 for SFY 21 but may be funded at a later date. [See Attachment]

E900	TRANSFER HPS 2 TO 3222 This request transfers a Health Program Specialist II position (PCN 0111) from the Chronic Disease budget account 3220 to the Maternal Child and Adolescent Health Services budget account 3222. The SSDI Program supports the health of women of childbearing age, pregnant women, infants, children, adolescents, and children and youth with special health care needs (CYSHCN) by strengthening intra-agency collaborations between the MCAH Section and the Office of Public Health Investigations and Epidemiology to provide data and subject-matter expertise for MCAH data collection and needs assessment activities. The SSDI Program is administered by one (1) state FTE - a HPS II position, PCN 0111, which currently resides in BA 3220 organizationally. The position's scope of work includes: * Reporting on program activities for the benefit of MCH populations: women of childbearing age, pregnant women, infants, children, and adolescents, including CYSHCN * Supporting efforts to implement a Perinatal Quality Collaborative (PQC), supporting the newly created Maternal Mortality Review Committee, the SSDI Program, including collaborating with the MCH Epidemiologist, PRAMS Coordinator, Title V MCH Program, and perinatal health experts * Completing and submitting various reports and documents, including Title V MCH and SSDI grant reporting deliverables and MMRC reports * Monitoring the SSDI grant award, budget, and expenditures * Maintaining and expanding liaisons with organizations throughout Nevada to expand the reach of SSDI data and perinatal health messaging to providers and MCAH populations * Monitoring and collecting data/information as appropriate regarding PQC, MMRC, and SSDI activities; analyzing, preparing, and presenting data to DPBH/DHHS leadership, Nevada policymakers, etc. and developing SSDI and MCAH goals, objectives, and activities based on performance indicators To create efficiencies in program operations, it is requested to transfer PCN 0111 (Health Program Specialist II) from BA 3220 (Chronic Disease Prevention and Health Promotion-CDPHP) to BA 3222 (Maternal, Child and Adolescent Health-MCAH). This position may use or research chronic disease data/topics in the pursuit of administering and improving the State Systems Development Initiative (SSDI) data program, which specifically provides data and subject-matter expertise for MCAH data collection and needs assessment activities; therefore, the position is more efficiently situated in BA 3222.

E902	TRANSFER DENTAL OFFICER TO 3158				
	This requests transfers the State Dental Officer contract to the Department of Health Care Finance and Policy to maximize funding. Funding options have been evaluated to provide sustainability to the positions. This enhancement requests to transfer the State Dental Health Officer contract to the Division of Healthcare Financing and Policy. The State Dental Health Officer will be serving as the clinical consultant for the Medicaid Program, as well as the continued efforts to support public health generally. This change will allow Nevada to utilize federal match to support the position while still maintaining similar duties.

Budget Account: 3222 HHS-DPBH - MATERNAL CHILD & ADOLESCENT HEALTH SVCS

The Maternal and Child Health Program (MCH) works to improve the health of Nevada's families with an emphasis on women of childbearing age, pregnant women, infants, children, and adolescents, including children and youth with special health care needs. The MCH Program promotes, assures, and provides health education, prevention activities, quality assurance, and facilitates access to health care services. Authority: NRS 442; Title V, 45 CFR 96, Section 501(a)(1)(D) of the Social Security Act.

2510	REVERSIONS This is the amount that will revert to the State General Fund at the end of the year.	-178,043	0	0	0
3505	NV PRAMS RGL 3505 funding supports the Nevada Pregnancy Risk Assessment Monitoring System (NV PRAMS) awarded by the Centers for Disease Control and Prevention, CFDA 93.946, to monitor selected maternal behaviors and experiences that occur prior to, during, and shortly after pregnancy. State Fiscal Year 2022-2023 represent years four and five of the five-year award. No MOE or Match required. [See Attachment]	182,902	158,308	194,239	195,167
3508	FED NEVADA EARLY HEARING DETECTION RGL 3508 is used to track the federal grant received from the Centers for Disease Control and Prevention (CDC) for the Nevada Early Hearing Detection Program. CFDA# 93.314. Federal expenditures associated with this grant are tracked in special use category 13. No MOE or Match required. [See Attachment]	143,723	149,933	151,975	155,671
3509	FED NEWBORN HEARING SCREENING RGL 3509 is used to track the federal grant received from Health Resources and Services Administration (HRSA) for the Universal Newborn Hearing Screening Program. CFDA# 93.251. Federal expenditures associated with this grant are tracked in special use category 14. NO MOE or Match required. [See Attachment]	224,152	250,000	245,179	247,575
3510	FED MATERNAL CHILD HEALTH GRANT RGL 3510 is used to track the federal grant received from Health Resources and Services Administration (HRSA) for the Maternal and Child Health Services Program. CFDA# 93.994. This award is allotted to the division quarterly. Federal expenditures associated with this grant are tracked in special use categories 15 and 29, as well as Personnel, Operating, Information Services, Purchasing, and Statewide Cost Allocation categories. [See Attachment]	1,925,693	2,236,205	2,054,805	2,070,708
3511	FED HOME VISITING PROGRAM RGL 3511 is used to track the federal grants received from the Health Resources and Services Administration for the Maternal, Infant, and Early Childhood Home Visiting Program, CFDA #93.870. Federal expenditures associated with this grant are tracked in special use category 17. The HRSA awards grant funds on a two-year basis, with staggering dates. This results in the program having three awards overlapping each other during the state fiscal year. Adjustments to base revenue can be found in the M-150 decision unit requesting additional authority for RGL 3511 to accommodate the overlapping federal awards, thereby allowing the program to expend funds in a more timely and productive manner. E225	EFFICIENCY & INNOVATION This request transitions a contractor position to a state 1.0 FTE Health Program Specialist I (Grade 35) position. This position will support the Children and Youth with Special Health Care Needs (CYSHCN) Program, a funded Program of the Maternal and Child Health Title V Block Grant. This position, currently filled with a contractor, will plan, organize, and oversee the work of community partners, meeting all State and Federal requirements. The MCAH Section has experienced regular contract staff turnover and difficulty finding a qualified workforce to address the program implementation needs of serving the CYSHCN population. Other positions addressing the health and wellbeing of maternal and child populations throughout Nevada are established state FTEs, as well as all other positions funded by the Maternal and Child Health Title V Block Grant. This grant has been in place for 83 years and requires 30% of funds be used to serve CYSHCN populations. Funding for a HPS I position specifically addressing the CYSHCN population is available, stable, and would align with the current staffing structure of the other positions in the budget account. E226 EFFICIENCY & INNOVATION

This request transitions a contractor position to a state 0.5 FTE Health Program Specialist II-Registered Nurse (HPS II-RN) position to support a Maternal Mortality Review Committee (MMRC) Nurse Abstractor in Nevada.

This position, currently filled by a contractor, is necessary to conduct medical record abstractions and related activities associated with supporting the legislatively mandated MMRC.

Women in the United States are more likely to die from childbirth or pregnancy-related causes than other women in similar countries. Research suggests up to half of these deaths may be preventable. Research also shows maternal deaths are underestimated and improperly documented, preventing efforts to reduce or eliminate the causes of death.

Item No	Description	Actual 2019-2020	Work Program 2020-2021	A00 Year 1 2021-2022	A00 Year 2 2022-2023
	In 2019, Nevada established a Maternal Mortality Review Committee (MMRC) to conduct ongoing, comprehensive, multidisciplinary reviews of maternal deaths and severe maternal morbidity (SMM) to identify factors associated with deaths, including disparities, and make recommendations for system changes to improve health care services for women and address modifiable pregnancy-related causes of death in Nevada. The MCAH Section is requesting to transition a 0.5 FTE contract position to a State FTE 0.5 FTE HPS II-Registered Nurse (RN) to conduct medical record abstractions related to the Nevada MMRC. Pregnancy-related deaths will be identified by abstracting and reviewing deaths caused by pregnancy complications and other associated causes to identify modifiable contributing factors and recommend preventive interventions. Item No	Description	Actual 2019-2020	Work Program 2020-2021	A00 Year 1 2021-2022	A00 Year 2 2022-2023
	This request funds a Home Visiting Nurse Family Partnership program with a transfer from Temporary Assistance for Needy Families (TANF). Nevada Home Visiting (NHV) is partnering with Temporary Assistance to Needy Families (TANF) to provide Nurse-Family Partnership (NFP) home visiting to families in Clark and Nye Counties. TANF will provide \$616,000 in funds for FY21 to cover initial costs, training, travel, and salaries for four nurses and one nurse supervisor. NFP is an evidence-based home visiting service utilizing registered nurses with a minimum of a BSN to provide home visiting services to first-time mothers enrolling prior to the 28th week of pregnancy. Families receive services up to the child's second birthday. If there is need or interest, the families are then referred to other home visiting programs providing service to children up to age five. The nurse home visitors provide women with health information; child development information; activities to enhance child development; screening for developmental progress and delays; referral for enhanced services if indicated; screening for additional services such as SNAP, WIC, housing, domestic violence, mental health, substance use, or other necessary services. Nurses observe parent-child interaction and provide support and suggestion to increase bonding and encourage appropriate discipline. Goals for education, job training, and employment are set and followed up. The aim is to serve 100 families in Clark and Nye counties. [See Attachment]

E550	TECHNOLOGY INVESTMENT REQUEST				
	This request funds a new Early Hearing Detection and Intervention (EHDI) data management system.				
	The Early Hearing Detection and Intervention (EHDI) unit is seeking a vendor to provide a data management system specific to its line of business. This would replace the need to enter EHDI data in the Vital Records System (VRS) and provide far more functionality with features specific to EHDI's needs to satisfy Centers for Disease Control and Prevention (CDC) and Health Resources and Services Administration (HRSA) requirements. The Office of Vital Records (OVR) is intending to replace the current VRS, and EHDI functionality is not included in industry popular Vital Records System software applications. The current VRS was customized to provide only minimal EHDI capability. A new EHDI system will eliminate the need for EHDI staff to enter a large portion of the hearing screening data because the Pediatric Hospitals will be able to enter their own data directly instead of submitting monthly reports to EHDI which then have to be manually entered/uploaded. Additionally, audiologists at Nevada Early Intervention Services (NEIS) will be able to directly enter their hearing test results instead of emailing or faxing them to EHDI for manual data entry. With a new data management system, audiology "Lost to follow up" lists can be easily sorted, filtered and pulled by any EHDI staff instead of the current manual process of exporting data from the VRS into spreadsheets that then need to be sorted and filtered. Also, CDC and HRSA requirements, including data fields, would be auto-updated frequently at no cost. Currently, it is costly and time consuming for EHDI staff to obtain these requirements and data field modifications as they are made to the VRS. Also, data fields that are not included in the VRS must be tracked in a separate spreadsheet. The capabilities included in a new data management system will ensure data accuracy and will simplify the production of CDC monthly, quarterly and annual reports.

E900	TRANSFER HPS 2 TO 3222 This request transfers a Health Program Specialist II position (PCN 0111) from the Chronic Disease budget account 3220 to the Maternal Child and Adolescent Health Services budget account 3222. The SSDI Program supports the health of women of childbearing age, pregnant women, infants, children, adolescents, and children and youth with special health care needs (CYSHCN) by strengthening intra-agency collaborations between the MCAH Section and the Office of Public Health Investigations and Epidemiology to provide data and subject-matter expertise for MCAH data collection and needs assessment activities. The SSDI Program is administered by one (1) state FTE - a HPS II position, PCN 0111, which currently resides in BA 3220 organizationally. The position's scope of work includes: * Reporting on program activities for the benefit of MCH populations: women of childbearing age, pregnant women, infants, children, and adolescents, including CYSHCN * Supporting efforts to implement a Perinatal Quality Collaborative (PQC), supporting the newly created Maternal Mortality Review Committee, the SSDI Program, including collaborating with the MCH Epidemiologist, PRAMS Coordinator, Title V MCH Program, and perinatal health experts * Completing and submitting various reports and documents, including Title V MCH and SSDI grant reporting deliverables and MMRC reports * Monitoring the SSDI grant award, budget, and expenditures * Maintaining and expanding liaisons with organizations throughout Nevada to expand the reach of SSDI data and perinatal health messaging to providers and MCAH populations * Monitoring and collecting data/information as appropriate regarding PQC, MMRC, and SSDI activities; analyzing, preparing, and presenting data to DPBH/DHHS leadership, Nevada policymakers, etc. and developing SSDI and MCAH goals, objectives, and activities based on performance indicators To create efficiencies in program operations, it is requested to transfer PCN 0111 (Health Program Specialist II) from BA 3220 (Chronic Disease Prevention and Health Promotion-CDPHP) to BA 3222 (Maternal, Child and Adolescent Health-MCAH). This position may use or research chronic disease data/topics in the pursuit of administering and improving the State Systems Development Initiative (SSDI) data program, which specifically provides data and subject-matter expertise for MCAH data collection and needs assessment activities; therefore, the position is more efficiently situated in BA 3222.

E901 **TRANSFER SUICIDE PREVENTION TO 3170**
 This request transfers the Office of Suicide Prevention from the Maternal Child and Adolescent Services Budget Account 3222 to the Behavioral Health Prevention and Treatment budget account 3170. Move Office of Suicide Prevention under BA 3170. No cost included as this is cost neutral. The Bureau of Child, Family, and Community Wellness would like to pursue the possibility of transferring the Office of Suicide Prevention (and all fiscal management) to the Bureau of Behavioral Health Wellness and Prevention budget account or its own budget account.

	This request transfers the data analytic position (Health Resource Analyst 2 - PCN 0509) to a new budget account in the Director's Office (BA 3203) to merge all data analytics in one budget account for standardization.				
	This request is part of a Department initiative to standardize and centralize data analytic staff in one budget account located in the Department of Health and Human Services Director's Office. A centralized data analytic team will streamline much of the tabular/descriptive work done by each respective analytic group, allowing more time to be spent on inferential statistics and predictive analytics. A centralized data analytic team will allow for more peer-to-peer development leading to a consistent quality of analytic products produced by the Department of Health and Human Services.

Budget Account: 3223 HHS-DPBH - OFFICE OF HEALTH ADMINISTRATION

The Office of Health Administration provides support to the programs charged with promoting and protecting the health of all Nevadans and visitors. This includes program oversight and accountability, information technology, personnel and fiscal accountability. The office oversees the enforcement of all laws and regulations pertaining to public and behavioral health along with ensuring adequate services are provided for persons with mental illness, substance use disorders, co-occurring disorders, and other related conditions. The office also supports the State Board of Health and the Commission on Behavioral Health. Statutory Authority: NRS 433 and 439.

3864	MEDICAID ADMIN CHARGES This is for revenue received from Medicaid for Medicaid Administrative Services from Budget Account 3158 Category 11. The Division of Public and Behavioral Health (DPBH) is reimbursed by Medicaid through a contract with the Division of Healthcare Financing and Policy (HCFP). Administrative Services eligible for reimbursement are billed quarterly in accordance with DPBH's approved Cost Allocation Plan (CAP). The federal share of those costs and services allowable under the Title XIX program are reimbursed at the current rate of 50% for administrative claims per 42CFR 433.15(a)(7) and the Social Security Act section 1903(a)(7). 4231	COST ALLOCATION REIMBURSEMENT - B DPBH Cost Allocation is calculated per the attached Cost Allocation Schedule. Cost Allocation is paid from Budget Accounts 3161, 3162, 3645, & 3648. The share of cost allocation among the behavioral health accounts has increased for the upcoming biennium. In prior biennia, cost allocation was only partially allocated to the behavioral health budgets. This resulted in BH budgets providing little to no cost allocation fees to the administrative budgets. For SFY 22-23, DPBH proposes to allocate administrative costs utilizing the FTE-based methodology, in order for the BH accounts to appropriately share in funding the administrative accounts. 	DPBH Cost Allocation is calculated per the attached Cost Allocation Schedule. Cost Allocation is paid from Budget Accounts 3161, 3162, 3645, & 3648. The share of cost allocation among the behavioral health accounts has increased for the upcoming biennium. In prior biennia, cost allocation was only partially allocated to the behavioral health budgets. This resulted in BH budgets providing little to no cost allocation fees to the administrative budgets. For SFY 22-23, DPBH proposes to allocate administrative costs utilizing the FTE-based methodology, in order for the BH accounts to appropriately share in funding the administrative accounts. 	Replacement of end of life (EOL) Video Connection/Management Bridge environment. The DPBH Video Conference (VC) environment manages the connection of an average of 800 VC meetings and about 400 telemedicine connections per year. Thirty-four percent of the meetings are required to meet Open Meeting Laws (OMLs). The current environment is long past EOL and unsupported. If this equipment is not replaced and it fails, DPBH will be unable to continue providing VC services adversely affecting programs' abilities to meet OML requirements, Rural Clinic's ability to provide telemedicine, resulting in reduced services to Nevada Citizens. The replacement will improve the VC environment providing an improved conferencing experience with decreased bandwidth usage, recording with unlimited storage, live streaming, real-time searchable transcription and closed captioning. The improvements will ensure continued services to citizens and DHHS/DPBH Programs DPBH has been assisting EITS with a proof of concept of this equipment/environment deployed at their location. Testing has been very successful. The intent of the two teams moving forward is for this request to be a joint adventure improving Video Conferencing throughout the State. [See Attachment]

	The Office of Information Technology is looking to hire consultants who are subject matter experts in Information Security to develop an IT infrastructure and environment wide comprehensive security framework and review, and to recommend and deploy security policy and related technologies for the protection of sensitive data and information entrusted to the Division of Public and Behavioral Health. Initially the Division will be asking the selected consultants to focus on the classification of the data within the Division of Public and Behavioral Health environment, ensuring HIPAA, CJIS, PII, and other protected information is appropriately labeled and can be targeted for additional protection. Each information system will be examined and security recommendations will be made to ensure they are up to best practices, national, and regulatory standards.

	The consultants will also be tasked with examining the Division of Public and Behavioral Health's computer environment and give direction on ensuring our systems are in line with recently NRS mandated CIS controls including configuration settings, ensuring there are no unauthorized devices or software within the environment, appropriate network boundary protections, software development controls, and ensuring that employee privileges and access are correct and in line with least-privilege principles. When providing IT services, software development, or other technical services, security must be assessed, planned, and implemented from the bottom-up. Hiring an outside security firm will allow consultants to take a methodical, security intelligence-oriented, and community-proven approach to meticulously assess our critical infrastructure requirements through an evaluation process which assess not only our physical and technical environment, but also takes into consideration our surrounding environment that we may or may not be able to inspect or control. Working with an outside consultant will ensure all of our security practices and systems are in line with current HIPAA, NIST and CIS standards to ensure we are providing every due diligence into protecting the sensitive data entrusted to our division by the citizens of the state of Nevada. 	DPBH Cost Allocation is calculated per the attached Cost Allocation Schedule. Cost Allocation is paid from Budget Accounts 3161, 3162, 3645, & 3648. The share of cost allocation among the behavioral health accounts has increased for the upcoming biennium. In prior biennia, cost allocation was only partially allocated to the behavioral health budgets. This resulted in BH budgets providing little to no cost allocation fees to the administrative budgets. For SFY 22-23, DPBH proposes to allocate administrative costs utilizing the FTE-based methodology, in order for the BH accounts to appropriately share in funding the administrative accounts. E900	TRANSFER PIO TO DPBH ADMIN BA 3223 This request transfers the Public Information Officer (PCN 0160) from the Public Health Preparedness budget (3218) to the Office of State Health Admin budget (3223) to better align the duties of the position. Reallocation of one (1) Public Information Officer (PIO), PCN 0160. This position would better align under BA 3223, Office of State Health Admin budget as this position does work division wide. The Public Information Officer (PIO) position (PCN 0160) currently housed in BA 3218 has been completing T&Es for over the past year. These T&Es accurately reflect that this position is regularly performing duties for multiple programs, Bureaus and agencies across the Division and would be more appropriately allocated in BA 3223. BA 3218 - Public Health Preparedness Program is 100% federally funded. PCN 0160 spends a very small amount of time on BA 3218 and federally approved activities, as referenced in PCN 0160 T&Es.

	This request transfers one Health Resource Analyst position (PCN 0180) from Community Health Services (BA 3224) to Public Health Preparedness (BA 3218) to better align the duties of the position. It is proposed that the HRA be moved under PHP as the resource analyst is assigned duties specifically designed to provide technical assistance to county officials and health care providers in the communities within Rural Nevada. The technical assistance information is obtained through mentoring and training offered through PHP staff and resources. CHS has worked collaboratively with the Health Resource Analyst on preparedness but renders no supervisory guidelines or training to the position. The transition will allow for better planning, budgeting and workflow management thus increasing efficiency. The employee is already physically stationed with the PHP unit.

Budget Account: 3228 HHS-WELFARE - ADMINISTRATION

The Division of Welfare and Supportive Services Administration budget account funds the administrative expenses associated with ensuring public assistance programs, including: Temporary Assistance for Needy Families; Medicaid; Children's Health Insurance Program; Supplemental Nutrition Assistance Program; Child Care; Energy Assistance; and Child Support are administered in accordance with federal and state regulations. This includes providing the necessary support to allow field staff to provide quality, timely and temporary services enabling Nevadans who qualify to achieve safe, stable and healthy lives. Statutory Authority: NRS Chapter 422A.

Item No	Description	Actual 2019-2020	Work Program 2020-2021	A00 Year 1 2021-2022	A00 Year 2 2022-2023
B000	BASE This request continues funding for 235 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized. [See Attachment]				
REVENUE					
2501	APPROPRIATION CONTROL General Fund is cost allocated based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. General Fund funds categories 01, 02, 03, 04, 26, 30, 87 and 89. [See Attachment]	11,304,888	11,664,682	11,808,801	11,995,780
2511	BALANCE FORWARD FROM PREVIOUS YEAR General Fund and federal funds were approved in the 2019 Legislative Session as a one shot for replacement equipment via section 2 of Senate Bill 513, and to analyze Child Medicaid Coverage via Senate Bill 198. See attached for a copy of the Senate Bills. This revenue funds categories 56 and 58. [See Attachment]	403,644	0	0	0
3340	UNIVERSAL ENERGY CHARGE The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89. The PACAP is attached to the note in front of budget account 3228. The PUC projected UEC revenue through SFY 2023 is attached to this RGL in budget account 4862. Statutory Authority: NRS Chapters 422A and NRS 702.	325,949	530,294	763,750	775,851

	The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89. The PACAP is attached to the note in front of budget account 3228. The PUC projected UEC revenue through SFY 2023 is attached to this RGL in budget account 4862. Statutory Authority: NRS Chapters 422A and NRS 702.				
3531	FED USDA FOOD STAMP PROG The Federal Supplemental Nutrition Assistance Program (SNAP) (CFDA 10.561) is an entitlement grant funded by the Federal Department of Agriculture, Food and Nutrition Services agency. This funding pays for the administration costs associated to the program in budget accounts 3228 and 3233. The SNAP program safeguards the health and well-being of Nevada residents by raising the level of nutrition among low-income households. This funding requires a 50% State GF Match. See the Notice of Grant Award attached to the BASE decision unit. This grant funds categories 01, 02, 03, 04, 12, 26, 30, 87, 88, and 89 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228.	0	0	-16,942	-16,859
3533	FED CHILD SUPPORT PROGRAM The Federal Child Support Enforcement entitlement grant (CFDA 93.563) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant funds child support enforcement services for individuals who are receiving federally funded Foster Care Maintenance Payments, Temporary Assistance to Needy Families (TANF) (or those who cease to receive TANF), and for individuals who apply for services. Attached is the current Notice of Grant Award for this funding source. This grant funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. See the Notice of Grant Award attached to this line item in the BASE decision unit.	0	0	-8,545	-8,491
3546	FEDERAL SNAP E & T The Federal Supplemental Nutrition Assistance Program Employment and Training grant (CFDA 10.561) is funded by the Federal Department of Agriculture, Food and Nutrition Services (FNS) agency. This grant funds 100% of job search training and supports activities that permit work mandatory participants to remain eligible for SNAP benefits. This grant funds categories 01, 02, 03, 04, 05, 26, 30, 87, 88 and 89 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. See the Notice of Grant Award attached to this line item in the BASE decision unit.	0	0	-1,440	-1,434
3567	FED TANF PROGRAM The Federal Temporary Assistance for Needy Families block grant (CFDA 93.558) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant provides assistance to needy families with children (or expecting) to ensure children can be cared for in their own homes or in the homes of relatives; end the dependence of low-income parents on government benefits by promoting job preparation, work and marriage; prevent and reduce the incidence of out-of-wedlock pregnancies and establish numerical goals for preventing and reducing the incidence of these pregnancies; and encourage the formation and maintenance of two-parent families. The TANF block grant allows states to carry over remaining grant authority each year until the funds are fully drawn. TANF funds categories 01, 02, 03, 04, 12, 26, 30, 87 88, and 89 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the front of budget account 3228. See Notice of Grant Award and the TANF Source and Use attached to this line item in the BASE decision unit.	0	0	-21,086	-20,973
3581	FED GRANT A - LIHEA The Federal LIHEA block grant is received annually from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.568). These grant funds help low-income households pay for heating and cooling costs, crisis assistance, and weatherization assistance for households with incomes at or below 150% of poverty. Up to 15% of the funds can be allocated to the Weatherization program under Business and Industry (B&I) if the Division of Welfare and Supportive Services is meeting the intent of the program to get all households as close to the median energy burden as practicable; historically, the Division has allocated 5% to B&I. LIHEA funding can be applied to eligible households heating, including oil and propane, or cooling providers or split between the two. The Division can carry forward up to 10% of the block grant to the next grant year. This grant funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. This grant also funds budgets 3233, and 4862. See the Notice of Grant Award attached to this line item in the BASE decision unit.	0	0	-1,024	-1,019

	The Federal Supplemental Nutrition Program Data Grant (CFDA 10.537) is funded by the Federal Department of Agriculture, Food and Nutrition Services (FNS) agency. This grant provides funding to improve and automate the State's collection and reporting for the SNAP E&T program. This grant funds category 49 and sunsets in first quarter of state fiscal year 2021. See the Notice of Grant Award attached to this line item in the BASE decision unit.				
3550	SNAP BONUS The Federal Supplemental Nutrition Program (SNAP) Bonus grant (CFDA 10.561) is funded by the Federal Department of Agriculture, Food and Nutrition Services (FNS) agency. This bonus is awarded to state agencies that demonstrate high or improved performance in administering the SNAP program. 7 CFR 275.24 requires performance bonus payments to be used only for SNAP related expenses as well as submission of the state agencies intended spending plans to the Federal Food and Nutrition Services for verification of appropriate use. See attached for the Notice of Grant Award and approved budget. Funds categories 26, and 48 within budget account 3228. It is anticipated this funding will be fully expended in fiscal year 2020. See copy of the SNAP Bonus approval letter attached to this line item in the BASE decision unit.	0	0	-1,126,601	-1,126,601
3567	FED TANF PROGRAM The Federal Temporary Assistance for Needy Families block grant (CFDA 93.558) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant provides assistance to needy families with children (or expecting) to ensure children can be cared for in their own homes or in the homes of relatives; end the dependence of low-income parents on government benefits by promoting job preparation, work and marriage; prevent and reduce the incidence of out-of-wedlock pregnancies and establish numerical goals for preventing and reducing the incidence of these pregnancies; and encourage the formation and maintenance of two-parent families. The TANF block grant allows states to carry over remaining grant authority each year until the funds are fully drawn. TANF funds categories 01, 02, 03, 04, 12, 26, 30, 87 88, and 89 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the front of budget account 3228. See Notice of Grant Award and the TANF Source and Use attached to this line item in the BASE decision unit.	0	0	133,842	143,293
3581	FED GRANT A - LIHEA The Federal LIHEA block grant is received annually from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.568). These grant funds help low-income households pay for heating and cooling costs, crisis assistance, and weatherization assistance for households with incomes at or below 150% of poverty. Up to 15% of the funds can be allocated to the Weatherization program under Business and Industry (B&I) if the Division of Welfare and Supportive Services is meeting the intent of the program to get all households as close to the median energy burden as practicable; historically, the Division has allocated 5% to B&I. LIHEA funding can be applied to eligible households heating, including oil and propane, or cooling providers or split between the two. The Division can carry forward up to 10% of the block grant to the next grant year. This grant funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. This grant also funds budgets 3233, and 4862. See the Notice of Grant Award attached to this line item in the BASE decision unit.	0	0	6,884	7,158
3583	FED CHILD CARE DEVELOPMENT FUND The Federal Child Care Development Fund Discretionary block grant (CFDA 93.575) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant is used to provide assistance to low-income families and those transitioning from public assistance in obtaining child care so they can work, or attend training/education in order to obtain work. It aims to increase availability, affordability, and quality of child care. In this budget this grant funds administrative costs in categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. See the Notice of Grant Award attached to this line item in the BASE decision unit.	0	0	29,383	30,340
3872	FEDERAL TITLE XIX Title XIX of the Social Security Act authorizes federal grants to states through the Centers for Medicare and Medicaid Services for administration of the state plan. This grant provides health care to needy eligible Nevadans for medical assistance. In this budget the grant funds are used to fund administrative costs in categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 pursuant to the Division's Federally Approved Cost Allocation Plan. The PACAP is attached to the note in the front of budget account 3228.	0	0	144,037	153,126
3873	SCHIP Title XXI of the Social Securities Act authorizes federal grants to states through the Centers for Medicare & Medicaid Services for the State Children's Health Insurance Program which provides insurance coverage for children, with eligibility focused on children who do not qualify for Medicaid because their family income is above Medicaid's income limits. This grant funds administrative cost in categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 pursuant to the Division's Federally Approved Cost Allocation Plan. 	The request funds the addition of one Social Services Program Specialist position to monitor and ensure compliance with Federal Supplemental Nutrition Assistance Program, Outreach Program rules and regulations. This position is necessary to ensure federal rules and regulations are monitored and acted upon timely and accurately to ensure Nevada receives no monetary penalties, invoicing and review of SNAP Outreach sub-grantee applications, provide new and updated policies and procedures to community partners, and to quality control and conduct management evaluations of the community partners of the SNAP Outreach Program per agreements with Food and Nutrition Services (FNS). This position will support the Division's strategic priority to enhance client access and to deliver the highest quality of customer service to the clients we serve. This position will also be assigned as the liaison with sub-grantee community partners to increase access of the SNAP program to low income Nevadans. The focus of SNAP Outreach is to engage community partners, increase food security and increase access to SNAP, while ensuring fiscal responsibility of all federal funds. The duties of this position are required by FNS to continue receiving funding of the SNAP Outreach program. [See Attachment]

E278	ELEVATING EDUCATION This request funds a new inventory tracking system needed to automate the inventory processes within the Division. This request is to procure an inventory tracking system for the Department of Welfare and Supportive Services. The Department of Welfare and Supportive Services has approximately 4,400 pieces of inventory that must have a physical inventory performed at least annually. Currently, the inventory is updated daily for things such as enter office moves, new equipment purchases, excessing equipment, donating equipment to non-profits, etc. in the current antiquated inventory system. Physical inventory is currently a manual process which the Department of Welfare and Supportive Services is requesting to change to a more automated process using an inventory data system with bar scanning capabilities and more robust reporting abilities. The request supports the Division's strategic priority to make public assistance available to those most in need through an efficient and responsive system while ensuring program integrity and reducing fraud in the system. Having a more automated inventory system that can be updated regularly and retain data is critical to ensure the Division can meet its mission of providing public assistance to those most in need while maintaining accurate records and to ensure that federal funding is being expended on equipment is accurately tracked with 100% complete reporting. 3340	UNIVERSAL ENERGY CHARGE The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89. The PACAP is attached to the note in front of budget account 3228. 3581	FED GRANT A - LIHEA The Federal LIHEA block grant is received annually from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.568). These grant funds help low-income households pay for heating and cooling costs, crisis assistance, and weatherization assistance for households with incomes at or below 150% of poverty. Up to 15% of the funds can be allocated to the Weatherization program under Business and Industry (B&I) if the Division of Welfare and Supportive Services is meeting the intent of the program to get all households as close to the median energy burden as practicable; historically, the Division has allocated 5% to B&I. LIHEA funding can be applied to eligible households heating, including oil and propane, or cooling providers or split between the two. The Division can carry forward up to 10% of the block grant to the next grant year. This grant funds categories 01, 02, 03, 04, 26, 30, 87, 88 and 89 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. This grant also funds budgets 3233, and 4862. 2501	APPROPRIATION CONTROL General Fund is cost allocated based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. General Fund funds categories 01, 02, 03, 04, 26, 30, 75, 87 and 89.	0	0	94,276	97,235
3340	UNIVERSAL ENERGY CHARGE The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 02, 03, 04, 26, 30, 75, 87, 88 and 89. The PACAP is attached to the note in front of budget account 3228. The PUC projected UEC revenue through SFY 2023 is attached to this RGL in budget account 4862. Statutory Authority: NRS Chapters 422A and NRS 702.	0	0	3,865	3,986

3581	FED GRANT A - LIHEA The Federal LIHEA block grant is received annually from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.568). These grant funds help low-income households pay for heating and cooling costs, crisis assistance, and weatherization assistance for households with incomes at or below 150% of poverty. Up to 15% of the funds can be allocated to the Weatherization program under Business and Industry (B&I) if the Division of Welfare and Supportive Services is meeting the intent of the program to get all households as close to the median energy burden as practicable; historically, the Division has allocated 5% to B&I. LIHEA funding can be applied to eligible households heating, including oil and propane, or cooling providers or split between the two. The Division can carry forward up to 10% of the block grant to the next grant year. This grant funds categories 01, 02, 03, 04, 26, 30, 75, 87, 88 and 89 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. This grant also funds budgets 3233, and 4862. E552	TECHNOLOGY INVESTMENT REQUEST				
	The request funds a Technology Investment Request to automate the Medicaid Waiver Eligibility Process. The Division is requesting to automate and modernize the current Medicaid Waiver Eligibility manual process. The current process requires physical documentation and written approval by multiple DHHS Divisions using interoffice mail. The process takes many weeks to complete while the customers await the outcome. DWSS would like to alter Access Nevada to accommodate the flow and allow for electronic document sharing and approval. This solution would also provide proper document retention while providing visibility into the status of the request throughout the process. Please see the attached TIN and TIN approval memo. E906	TRANSFER TO BA 3203 DATA ANALYTICS				
	This request transfers one Management Analyst, one Biostatistician, and one contract employee to the Office of Analytics. This request is part of a Department initiative to standardize and centralize data analytic staff in one budget account located in the Department of Health and Human Services Director's Office. A centralized data analytic team will streamline much of the tabular/descriptive work done by each respective analytic group, allowing more time to be spent on inferential statistics and predictive analytics. A centralized data analytic team will allow for more peer-to-peer development leading to a consistent quality of analytic products produced by the Department of Health and Human Services. The Promoting Safe and Stable Families Program is authorized under, Title IV, Part B, Subpart 2, of the Social Security Act. The funds were reauthorized under the Adoptions and Safe Families Act, PL 105-89. Title IV-B Subpart II has been renamed "Promoting Safe and Stable Families." The objectives and requirement of the Act requires states to fund direct services at 80 percent that fall into four categories (20 percent each): 1) Family Support Services, 2) Family Preservation Services, 3) Time-Limited Family Reunification Services, and 4) Adoption Promotion and Support Services. In addition, a portion of funds is reserved for a separate caseworker visit formula grant for states to support and improve the quality of monthly caseworker visits with children who are in foster care under the responsibility of the state. These programs assist kinship caregivers in learning about, finding, and using programs and services to meet the needs of children they are raising and their own needs, and to promote effective partnerships among public and private agencies to ensure kinship caregiver families are served. Corresponding expenditure category 43 Kinship Navigator. This grant has no match requirement. [See Attachment]	304,563	68,935	296,031	296,031

	This category provides for the payment of medical expenses for foster and adoptive children who do not qualify for coverage under the Federal Medicaid (Title XIX) Program. The program provides the same medical benefits and utilizes the same payment procedures as those for Medicaid-eligible participants through the use of a DCFS-issued Medical card as well as direct payments to providers for non-Medicaid eligible services. Nevada Medicaid pays the service providers directly, and the Division of Health Care Financing and Policy bills the Division of Child and Family Services for the Non-Medicaid eligible participants on a weekly basis.

20 TRANSPORTATION

This category is utilized to cover the transportation expenses required to place and monitor children in residential care, including foster, relative and group homes, and institutional facilities. The majority of costs in the category are incurred when a child is accompanied to the home of a relative. Social Workers may also visit facilities to determine appropriateness, accompany children for pre-placement visits and/or placement, make periodic supervisory visits to ensure that quality of care is provided to the child, and participate in discharge planning sessions.

41	CAREGIVER TESTING & EVALUATION				
	This program pays for the paternity, drug testing, and parental assessments of parents whose children are in the care of the division. The court and division staff often require that tests be performed when warranted to establish responsibility for child support, establish parental capability, and to ensure parents are drug-free or maintain sobriety for a period of time prior to the return of their children. Drug testing and parental assessments may be performed as a one-time assessment, periodically with client consent, or under court order. Direct payment of these costs by the division helps to ensure that mandated testing is performed timely so that children may be reunified with their parents and/or child support is collected as soon as possible.

43	KINSHIP NAVIGATOR				
	The Promoting Safe and Stable Families Program is authorized under, Title IV, Part B, Subpart 2, of the Social Security Act. The funds were reauthorized under the Adoptions and Safe Families Act, PL 105-89. Title IV-B Subpart II has been renamed "Promoting Safe and Stable Families." The objectives and requirement of the Act requires states to fund direct services at 80 percent that fall into four categories (20 percent each): 1) Family Support Services, 2) Family Preservation Services, 3) Time-Limited Family Reunification Services, and 4) Adoption Promotion and Support Services. In addition, a portion of funds is reserved for a separate caseworker visit formula grant for states to support and improve the quality of monthly caseworker visits with children who are in foster care under the responsibility of the state. These programs assist kinship caregivers in learning about, finding, and using programs and services to meet the needs of children they are raising and their own needs, and to promote effective partnerships among public and private agencies to ensure kinship caregiver families are served. 41	CAREGIVER TESTING & EVALUATION This program pays for the paternity, drug testing, and parental assessments of parents whose children are in the care of the division. The court and division staff often require that tests be performed when warranted to establish responsibility for child support, establish parental capability, and to ensure parents are drug-free or maintain sobriety for a period of time prior to the return of their children. Drug testing and parental assessments may be performed as a one-time assessment, periodically with client consent, or under court order. Direct payment of these costs by the division helps to ensure that mandated testing is performed timely so that children may be reunified with their parents and/or child support is collected as soon as possible.

	The Promoting Safe and Stable Families Program is authorized under, Title IV, Part B, Subpart 2, of the Social Security Act. The funds were reauthorized under the Adoptions and Safe Families Act, PL 105-89. Title IV-B Subpart II has been renamed "Promoting Safe and Stable Families." The objectives and requirement of the Act requires states to fund direct services at 80 percent that fall into four categories (20 percent each): 1) Family Support Services, 2) Family Preservation Services, 3) Time-Limited Family Reunification Services, and 4) Adoption Promotion and Support Services. In addition, a portion of funds is reserved for a separate caseworker visit formula grant for states to support and improve the quality of monthly caseworker visits with children who are in foster care under the responsibility of the state. These programs assist kinship caregivers in learning about, finding, and using programs and services to meet the needs of children they are raising and their own needs, and to promote effective partnerships among public and private agencies to ensure kinship caregiver families are served. 	This decision unit requests that the three child welfare jurisdictions be allowed to retain General Funds realized for adoption savings to reinvest those funds in adoption programs. BDR 21A4092629 is attached.				
	Pursuant to Public Law 110-351 and beginning in FFY 2015, each Title IV-E agency is required to annually calculate and report on adoption savings. The calculation must be in accordance with procedures established by the Office of Administration for Children and Families' Children's Bureau to show the amount of additional federal Title IV-E funds that were able to be drawn in due to changes in eligibility requirements. The report must identify the methodology used to calculate the savings, how savings are spent, and on what services. The savings are generally equal to the federal share of these claims since, in most instances, that amount would otherwise have been paid from non-federal Title IV-E agency funds (General Fund). If the ACF chooses to enforce the requirements of the Act, Nevada could be required to repay the amount of savings that have been realized but not yet reinvested back into the program.

Section A1: Line Item Detail by GL

Budget Account: 3230 HHS-WELFARE - TANF

CFDA: 93.558

The Temporary Assistance for Needy Families (TANF) program provides cash assistance to low income families with children as the parents work toward becoming self-sufficient. The program's goal is to reduce the number of families living in poverty, through employment and community resources. TANF is a needs-based program for families with children under age 18 (or under age 19 if the child is in high school) who need financial support because of: death of a parent; parent is absent from the home; physical or mental incapacity; or unemployment of parent.

The four purposes of TANF are 1) provide assistance to needy families so children may be cared for in their homes or in the homes of relatives; 2) end the dependence of needy parents on government benefits by promoting job preparation, work, and marriage; 3) prevent and reduce the incidence of out-of-wedlock pregnancies; 4) encourage the formation and maintenance of two-parent families.

TANF is federally funded through a block grant from the Federal Department of Health and Human Services. Under the maintenance of effort (MOE) provision in the federal regulations, states are required to contribute money equal to 80% of the amount spent on Aid to Families with Dependent Children (AFDC) and AFDC-related programs during FY 1994. The 80% MOE can be reduced to 75% for each year the work participation rates are met. For Nevada, the total TANF MOE is \$27,188,122 of which \$24,607,702 is in the TANF budget account. The remaining \$2,580,420 is spent in the Child Care budget (3267), which is counted as MOE for both TANF and Child Care. If TANF contingency funds are received, a 100% MOE match is required. The TANF program mandates the state to participate in the Child Support Enforcement Program.

Statutory Authority: NRS Chapter 422A.

7070	CONTRACTS - J This adjustment to BASE increases services of small claims courts and wage garnishment documentation to Temporary Assistance for Needy Families (TANF) participants who have an over-payment delinquency of State and Federal benefits. Wage garnishment is pursuant to NRS 258.125. See attached Excel spreadsheet for a listing each contract. The calculation methodology spreadsheet is attached to this line item in the Vendor Services Schedule. [See Attachment]	0	0	274	274
7080	LEGAL AND COURT Provides reimbursement for ongoing legal services, in Southern Nevada, for Temporary Assistance for Needy Family (TANF) eligible participants to attain assistance in obtaining legal guardianship of qualified children they provide care for. Legal guardianship is a requirement of the TANF Kinship Care Program. Currently, this is a client reimbursement cost, as the contracted attorney retired, so the Division no longer has a contractor for services; accordingly, it was removed from the Vendor Services Schedule. Generally, the program has funded one transaction per year totaling \$750, and is requesting this cost be maintained in the BASE for SFY's 2022 and 2023. This request is based on a three-year average. See the attached Excel spreadsheet for the cost calculation methodology.	0	0	750	750

	This request funds the Nurse Family Partnership evidenced-based home visiting program to assist first-time, low-income mothers and their children. The Nurse-Family Partnership (NFP) is designed for first-time, low-income mothers and their children. It includes one-on-one home visits by a trained public health registered nurse to participating clients. The visits begin early in the woman's pregnancy (with program enrollment no later than the 28th week of gestation) and conclude when the woman's child turns 2 years old. During visits, nurses work to reinforce maternal behaviors that are consistent with program goals and that encourage positive behaviors and accomplishments. Topics of the visits include prenatal care; caring for an infant; and encouraging the emotional, physical, and cognitive development of young children. "Home visiting is defined as an evidence-based program, implemented in response to findings from a needs assessment, that includes home visiting as a primary service delivery strategy, and is offered on a voluntary basis to pregnant women or children birth to age 5 targeting the participant outcomes in the legislation which include improved maternal and child health, prevention of child injuries, child abuse, or maltreatment, and reduction of emergency department visits, improvement in school readiness and achievement, reduction in crime or domestic violence, improvements in family economic self-sufficiency, and improvements in the coordination and referrals for other community resources and supports." Budget Account: 3232 HHS-WELFARE - ASSISTANCE TO AGED AND BLIND

The State Supplemental Assistance Program provides an additional payment to low income aged and blind individuals receiving Supplemental Security Income (SSI) and provides adult group care facilities with a greater supplement to assist recipients in avoiding or delaying institutionalization. The federal government started the SSI program on January 1, 1974. The program is administered by the Social Security Administration (SSA) and states were given the option to make payments in addition to the amount paid by the federal government. Nevada has paid a state supplement to the aged and blind since the start of the program. The prevention or delay of institutionalization results in cost savings for the Medicaid program.

The Division of Welfare and Supportive Services contracts with the SSA to determine eligibility for and issue the state supplement. States pay a per check charge for each SSI payment made. The state supplement and federal payment are paid monthly to the recipient and combined in one check from the SSA.

Statutory Authority: NRS Chapter 422A.

Budget Account: 3233 HHS-WELFARE - WELFARE FIELD SERVICES

The Welfare Field Services budget provides staff salaries and operating expenses for the various programs administered by Division of Welfare and Supportive Services. This budget account primarily consists of Family Services Specialists who determine eligibility for the major program areas which include: Temporary Assistance for Needy Families; Supplemental Nutrition Assistance Program; various Medicaid programs; and Children's Health Insurance Program. Family Services Specialists and Social Workers provide employment and support services to assist the needy in overcoming barriers to self-sufficiency.

The federal government mandates specific quality and performance measures for eligibility, client support, and periodic reviews of client circumstances. The state is subject to penalties in the form of grant reductions for non-compliance with the performance measures. If penalized, the state is required to replace the grant reductions with General Fund appropriations restoring the available program funding to the pre-penalty level. Additionally, program integrity and fraud protection is an integral part of Welfare Field Services responsibility.

Welfare Field Services is required to provide service and appropriate eligibility to anyone seeking access to DWSS administered programs. All requests are provided a consistent level of quality service. Statutory authority: NRS Chapter 422A.

3340	UNIVERSAL ENERGY CHARGE The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 03, 04, 07, 26, 59, 87, and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). 3545	SNAP E&T EXPANSION GRANT The Federal Supplemental Nutrition Assistance Program Employment and Training Expansion grant (CFDA 10.561) is funded by the Federal Department of Agriculture, Food and Nutrition Services agency. This grant funds recipient participation in vocational training programs at participating colleges across Nevada. A 50% match is required for this funding; however, it is met by the college providing the training. See attached for the current Notice of Grant Award. This grant funds category 47. [See Attachment]	5,668	0	5,864	5,887
3546	FEDERAL SNAP E&T The Federal Supplemental Nutrition Assistance Program Employment and Training grant (CFDA 10.561) is funded by the Federal Department of Agriculture, Food and Nutrition Services agency. This grant funds 100% of job search training and support activities that permit work mandatory participants to remain eligible for SNAP benefits. This grant funds categories 01, 03, 04, 07, 26, 46, 59, 87 and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. See attached for the Notice of Grant Award. [See Attachment]	794,905	231,649	809,271	825,659
3567	FED TANF PROGRAM The Temporary Assistance for Needy Families (TANF) block grant (CFDA 93.558) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant provides assistance to needy families with children (or expecting) to ensure children can be cared for in their own homes or in the homes of relatives; end the dependence of low-income parents on government benefits by promoting job preparation, work and marriage; prevent and reduce the incidence of out-of-wedlock pregnancies and establish numerical goals for preventing and reducing the incidence of these pregnancies; and encourage the formation and maintenance of two-parent families. See attached Notice of Grant Award and the TANF Source and Use depicting the allocation of TANF funds throughout division budgets, sister agencies, and community partners. The NOGA used is from FFY 2019, as it demonstrates total funding received annually by the Division. This grant funds categories 01, 03, 04, 07, 26, 59, 87 and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. [See Attachment]	18,231,698	14,396,753	18,405,281	18,937,067
3581	FEDERAL LIHEA The Federal LIHEA block grant (CFDA 93.569) is received annually from the Federal Department of Health and Human Services, Administration for Children and Families. These grant help low-income households pay for heating and cooling costs, crisis assistance, and weatherization assistance for households with incomes at or below 150% of poverty. Up to 15% of the funds can be allocated to the Weatherization program under Business and Industry (B&I) if the Division of Welfare and Supportive Services is meeting the intent of the program to get all households as close to the median energy burden as practicable; historically, the Division has allocated 5% to B&I. LIHEA funding can be applied to eligible households heating, including oil and propane, or cooling providers or split between the two. The Division can carry forward up to 10% of the block grant to the next grant year. This grant funds categories 01, 03, 04, 07, 26, 59, 87 and 88 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. This grant also funds budgets 3228, and 4862. See the Notice of Grant Award attached to this line item. [See Attachment]	65,426	0	67,141	67,957
3583	FED CHILD CARE DEVELOPMENT FUND The Federal Child Care Development Fund Discretionary block grant (CFDA 93.575) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant is used to provide assistance to low-income families and those transitioning from public assistance in obtaining child care so they can work, or attend training/education in order to obtain work. It aims to increase availability, affordability, and quality of child care. In this budget this grant funds administrative costs in categories 01, 03, 04, 07, 26, 59, 87 and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. See attached for the Notice of Grant Award; the Division used the final FFY 2019 award as it demonstrates the approximate annual funding received for the Child Care Discretionary Funds, and the Child Care S&U. 	The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 03, 04, 07, 26, 59, 87, and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. The PUC projected UEC revenue through SFY 2023 is attached to this RGL in budget account 4862. Statutory Authority: NRS Chapters 422A and NRS 702.				
3516	FEDERAL SNAP E&T 50/50 The Federal Supplemental Nutrition Assistance Program Employment and Training grant (CFDA 10.561) is funded by the Federal Department of Agriculture, Food and Nutrition Services agency. This award funds job search training and support activities that permit work-mandatory participants to remain eligible for SNAP benefits. There is a 50% General Fund match requirement for this grant. See attached for the current Notice of Grant Award. This grant funds category 16.	0	0	0	0
3531	FED USDA FOOD STAMP PROG The Federal Supplemental Nutrition Assistance Program (SNAP) (CFDA 10.561) is an entitlement grant funded by the Federal Department of Agriculture, Food and Nutrition Services agency. This funding pays for the administration costs associated to the program in budget accounts 3228 and 3233. The SNAP program safeguards the health and well-being of Nevada residents by raising the level of nutrition among low-income households. This funding requires a 50% State GF Match. See attached for the Notice of Grant Award. This revenue funds categories 01, 03, 04, 07, 26, 59, 87, and 88 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to NEBS in the front of budget account 3228.	0	0	87,066	87,066
3533	FED CHILD SUPPORT PROGRAM The Federal Child Support Enforcement is an entitlement grant received from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.563). This grant funds child support enforcement services for individuals who are receiving federally funded Foster Care Maintenance Payments, Temporary Assistance to Needy Families (TANF) (or those who cease to receive TANF), and for individuals who apply for services. Attached is the current Notice of Grant Award for this funding source. M201	DEMOGRAPHICS/CASELOAD CHANGES This request funds an increase in projected client actions from in 163,573 in fiscal year 2020 to 176,654 in fiscal year 2022 (a 7.4% increase over fiscal year 2020) and 174,020 in fiscal year 2023 (a 6% increase over fiscal year 2020). Although the attached caseload staffing analysis workbook indicates 83 staff are needed in SFY 2022, the staffing need decreases to only 63 in SFY 2023. Accordingly, the division is only asking for the 63 staff in SFY 2023. We are also requesting the Family Services Specialists begin in July of 2021 for the following reasons: Family Services Specialists (FSS) process applications for assistance. During Open Enrollment of the Affordable Care Act which is six to twelve weeks in November to January annually; during this time frame DWSS application volume spikes up to 150% of the norm. Processing these applications has consistently required overtime funding into February following opening enrollment. When training FSS to reach the level of being able to process applications starts with a ten week classroom style setting, followed by 3 to 4 months of On the Job training. An FSS is considered self sufficient and able to process applications independently at or about the 7th month of employment. Hiring FSS in July would allow DWSS the ability to hire and train an academy within time-frames to provide resources to process the additional volume of incoming fall/winter applications to support Open Enrollment; reducing the necessity for overtime funding. DWSS Field Operations runs a continual hiring panel for FSS with four academies per year scheduled for start dates. Field Operations could schedule an academy start date the first Monday of the first pay period in July. Field Operations interviewing and hiring schedule supports the ability to hire an academy in July. [See Attachment]

	This request funds an increase in the bandwidth for two of the division's offices.				
	The bandwidth in two of the Division's offices (Ely and Reno DO) is not adequate to continue to efficiently perform customer service for Needy Nevadans. These locations are very close to 100% utilization during business hours.				
	Additional bandwidth will improve access and response times for the day to day work these offices process. With changes in technology the need for bandwidth continues to increase.

E232 EFFICIENCY & INNOVATION

This request funds one Social Services Manager and nine Workforce Services Representative positions to support the creation of the Recovery through Employment unit. To create the Recovery through Employment unit a new Social Services Manager 1 position. This position will identify paths to employment that are supportive of the individual's recovery with a strong emphasis on those that are in treatment for Opiate Addiction Disorder. This position would be responsible for collaborating with community partners and employers to find pathways to employment in a recovery friendly workplace. To support these three units, Recovery through Employment, Homeless to Housing and the Workforce Development, an additional nine positions, Workforce Services Representative 4 (WSR 4), are needed. These position would be responsible for outreach efforts to the employer community, developing job leads, educating businesses on the services and financial incentives the Division can provide; such as education, training, recruitment and referrals, identify and refer appropriate job seekers, monitor on-the-job training contracts, participate in community partner meetings, and develop and maintain reports. These positions would support the Workforce Development, Homeless to Housing, and Recovery to Employment Units under ESS Statewide.

In 2018, 13% of Nevadans were living in poverty which is approximately 384,000 individuals. Nevada also ranks 49th in high school graduation rates. The State of Nevada had 81 substance abuse treatment centers in 2018 and only 11 provided an opioid treatment program. Less than 50% of these facilities provided employment and training services per the 2018 National Survey of Substance Abuse Treatment Services. In 2017 these facilities served only 5,903 individuals per the 2017 National Survey of Substance Abuse Treatment Services.

Per the US Department of Housing and Urban Development 2019 Annual Homeless Assessment Report to Congress, the State of Nevada has one of the highest percentages of individuals experiencing homelessness who are unsheltered. In FY 2019 during the point in time study, Nevada had 7,169 homeless individuals and 53.1% were unsheltered. There were an estimated 555 families experiencing homelessness. Nevada has the highest rate of youth homelessness with 90 out of every 10,000-youth staying on their own experiencing homelessness. Through these connections the Division will be able to assist individuals living in poverty, experiencing substance abuse issues and housing instability the opportunity to gain and maintain meaningful employment to help them overcome their barriers.

These positions will create partnerships to assist our Division providing services to individuals living in poverty, experiencing substance abuse issues and housing instability and create opportunities for these individuals to gain and maintain meaningful employment to help them overcome their barriers. The SSMI position will manage the Recovery to Employment unit under ESS and support the collaborate with community partners and employers.

The WSRI positions would be responsible for outreach efforts to the employer community, developing job leads, educating businesses on the services and financial incentives the Division can provide; such as education, training, recruitment and referrals, identify and refer appropriate job seekers, monitor on-the-job training contracts, participate in community partner meetings, and develop and maintain reports.

Through these initiatives the Division can help to improve these statistics.

E233	EFFICIENCY & INNOVATION				
	This request adds one Social Services Manager, three Family Services Supervisors, one Family Services Specialist lead, forty-five Family Services Specialists, and six Administrative Assistant positions to expand the Targeted Outreach Partnerships Team. Eligibility and Payments Field Operations, Targeted Outreach Partnerships Team, needs increased staff and travel funds in order to serve Nevada's needy citizens. The Targeted Outreach Partnerships Team plans to expand in order to reach the most underserved communities throughout urban and rural Nevada in order to innovatively promote healthy, vibrant communities by providing access to accurate and timely benefits via non-traditional sites to all those who are eligible. These additional staff/vehicles/travel funds are necessary to achieve the Division's mission to engage clients and staff to provide public assistance to all who qualify. The Targeted Outreach Partnerships program enables DWSS staff to reach out to Nevada residents who qualify for the complex programs we administer and to work collaboratively with community partners in the public and private sectors to provide efficient and consistent service that complies with complex policies and regulations. This enhancement will support the Division's strategic priority to seek collaborative opportunities for operations of DWSS programs to enhance efficiency, consistency and responsiveness to customers while providing services in a manner designed to have a positive collective impact on public health by providing increased access to services to customers who might not seek out these crucial services via traditional service delivery methods. REVENUE					
00	REVENUE				
2501	APPROPRIATION CONTROL General Fund is cost allocated based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228. General Fund is used to fund categories 01, 03, 04, 07, 16, 26, 59, and 87.	0	0	961,524	1,279,949
3340	UNIVERSAL ENERGY CHARGE The Universal Energy Charge is collected by the Public Utilities Commission (PUC) from gas and electric companies via a tax established to assist low income Nevadan's with their energy needs. The Division is appointed as the administer of the fund in budget account (BA) 6031, Universal Energy. The Division is allowed 75% of the total funding available in BA 6031. The other 25% is distributed to the Housing Division, Weatherization Program. The Excel spreadsheet from the PUC with projections for total UEC collections through SFY 2023 is attached to this revenue GL in budget account 4862. This revenue allocates funding to budget accounts 3228, and 3233 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP) and to BA 4862 based on a split between UEC and LIHEA block grant funds ensuring at least 90% of the LIHEA funds are expended each year. This revenue funds categories 01, 03, 04, 07, 26, 59, 87, and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. The PUC projected UEC revenue through SFY 2023 is attached to this RGL in budget account 4862. 	The Temporary Assistance for Needy Families (TANF) block grant (CFDA 93.558) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant provides assistance to needy families with children (or expecting) to ensure children can be cared for in their own homes or in the homes of relatives; end the dependence of low-income parents on government benefits by promoting job preparation, work and marriage; prevent and reduce the incidence of out-of-wedlock pregnancies and establish numerical goals for preventing and reducing the incidence of these pregnancies; and encourage the formation and maintenance of two-parent families. See attached Notice of Grant Award and the TANF Source and Use depicting the allocation of TANF funds throughout division budgets, sister agencies, and community partners. The NOGA used is from FFY 2019, as it demonstrates total funding received annually by the Division. This grant funds categories 01, 03, 04, 07, 26, 59, 87 and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in the front of budget account 3228.				
3581	FEDERAL LIHEA The Federal LIHEA block grant (CFDA 93.569) is received annually from the Federal Department of Health and Human Services, Administration for Children and Families. These grant help low-income households pay for heating and cooling costs, crisis assistance, and weatherization assistance for households with incomes at or below 150% of poverty. Up to 15% of the funds can be allocated to the Weatherization program under Business and Industry (B&I) if the Division of Welfare and Supportive Services is meeting the intent of the program to get all households as close to the median energy burden as practicable; historically, the Division has allocated 5% to B&I. LIHEA funding can be applied to eligible households heating, including oil and propane, or cooling providers or split between the two. The Division can carry forward up to 10% of the block grant to the next grant year. This grant funds categories 01, 03, 04, 07, 26, 59, 87 and 88 based on the division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. This grant also funds budgets 3228, and 4862. See the Notice of Grant Award attached to this line item.	0	0	700	910
3583	FED CHILD CARE DEVELOPMENT FUND The Federal Child Care Development Fund Discretionary block grant (CFDA 93.575) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant is used to provide assistance to low-income families and those transitioning from public assistance in obtaining child care so they can work, or attend training/education in order to obtain work. It aims to increase availability, affordability, and quality of child care. In this budget this grant funds administrative costs in categories 01, 03, 04, 07, 26, 59, 87 and 88 based on the Division's federally approved Public Assistance Cost Allocation Plan (PACAP). The PACAP is attached to the note in front of budget account 3228. Budget Account: 3238 HHS-WELFARE - CHILD SUPPORT ENFORCEMENT PROGRAM

The Child Support program is a family-first program to ensure families can achieve safe, stable, and healthy lives by making child support a more reliable source of income. Services are available to either parent when the other parent is living outside the home. Services are offered automatically to families receiving Temporary Assistance for Needy Families.

The program works to ensure children have the financial and medical support of both parents, to foster responsible behavior towards children, and to emphasize that children need both parents involved in their lives.

In Nevada, this program is administered by the Division of Welfare and Supportive Services (DWSS) and jointly operated with participating district attorneys' offices.

Statutory Authority: NRS Chapters 31A and 425.

REVENUE					
2501	APPROPRIATION CONTROL General Fund is used to fund match for the Child Support Enforcement grant due to a projected shortfall in State Share of Collections. This funds categories 01, 04 and 26.	8,977,938	63,859	8,980,629	8,980,629
2511	BALANCE FORWARD FROM PREVIOUS YEAR State Share of Collections is balanced forward each year as reserve from the prior fiscal year. These funds are used to match the Child Support Enforcement Entitlement grant. These collections are used to fund categories 01, 02, 03, 04, 10, 23, 26, 30, 32, 49, 87, 88 and 89. Additionally, General Fund and federal funds were balanced forward to fund one-shots in fiscal years 2020 and 2021 for the NVKIDS Child Support Enforcement Program's system modernization and replacement equipment approved in the 2019 Legislative Session via sections 1 and 3 of Senate Bill 513. This GF is used to fund categories 35 and 56. The revenue projections are based on a caseload projection. See RGL 4261 in Base. NOTE: The request for continued funding for NVKIDS is requested in fiscal years 2022 and 2023 is in the E550 decision unit in Items for Special Consideration. [See Attachment]	1,174,471	2,618,202	2,004,786	1,622,272
2512	BALANCE FORWARD TO NEW YEAR This revenue line item balances forward remaining reserve for State Share of Collections.	-2,618,202	0	0	0
3340	CHILD SUPPORT FEES Pursuant to NRS 31A.075 an obligor shall be charged a fee of \$2 for each withholding of income for the payment of support made by an employer. This revenue is considered program income and is split between the state and the federal partner via the current FMAP rates; 46% of the state's share is paid to participating counties. This fees fund categories 01 and 16. The revenue projections are based on a five year average; please see attachment on B000 RGL 4261 for projection methodology.	671,577	657,407	640,405	625,583
3533	FED CHILD SUPPORT PROGRAM The Federal Child Support Enforcement is an entitlement grant received from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.563). This grant funds child support enforcement services for individuals who are receiving federally funded Foster Care Maintenance Payments, Temporary Assistance to Needy Families (TANF) (or those who cease to receive TANF), and for individuals who apply for services. This grant funds categories 01, 02, 03, 04, 10, 23, 26, 30, 32, 87, 88 and 89. See attached for the current Notice of Grant Award. [See Attachment]	17,481,275	8,050,416	18,395,516	18,555,404
3538	FED INCENTIVE REVENUE This Federal Child Support Enforcement (CSE) Incentive grant (CFDA 93.563) is received from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 95.563). Each State and Territory that meets federal performance and data reliability standards receives an award. The purpose of the incentive payments is to enhance CSE by supplementing, and not supplanting other funds. These funds must be reinvested in the program to improve the effectiveness or efficiency of the program. Incentives are shared with the 9 participating county district attorney's (DA) offices in accordance to the sub-grant agreements. The majority of the Incentive funds received are allocated to the DA offices. This grant funds category 18. See attached for the current Notice of Grant Award. [See Attachment]	2,345,309	2,303,091	2,345,311	2,345,311
3580	FED MEDIATION GRANT The Federal State Access and Visitation grant is funded by the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.597). This funding is used to provide services to noncustodial parents such as: mediation; development of parenting plans; education; counseling; visitation enforcement (including monitored/supervised visitation and mutual drop-off and pick-up locations); and development of guidelines for visitation and alternative custody arrangements. This grant funds category 49. See attached for the current Notice of Grant Award. [See Attachment]	87,863	90,652	87,863	87,863

3722	MISCELLANEOUS PROGRAM FEES Pursuant to NRS 425.3847 and Title IV-D of the Social Security Act, the Child Support Enforcement Program will charge and collect a \$35 fee on each case when more than \$550 has been collected and distributed. This fee is paid by the custodial parent and only applies to cases in which the person receiving child support services has never received Temporary Assistance for Needy Families (TANF). This fee funds category 01. The revenue projections are based on a five year average; please see attachment on B000 RGL 4261 for the projection methodology.	911,595	920,331	975,643	1,034,279
4261	STATE SHARE OF COLLECTIONS The State Share of Collections is used as state matching funds for the Child Support Enforcement Grant in RGL 3533. Receipt of these collections is allowable under the provisions of PL 104-193, the 'Personal Responsibility and Work Opportunity Reconciliation Act of 1996'. This revenue is a recoupment of the child support collections made on behalf of families receiving assistance under Temporary Assistance for Needy Families. This collection is split between the state and the federal Office of Child Support Enforcement based on the current Federal Medical Assistance Percentage. The federal portion of this collection is posted to revenue GL 3501 in budget account 3239. Any remaining funds are reserved and balanced forward to fund future years. These collections are used to fund categories 01, 02, 03, 04, 05, 10, 23, 26, 30, 32, 49, 87, 88 and 89. The revenue projections are based on a five year average. 	This adjustment recognizes the difference between the actual expenditures for fiscal year 2020 and the anticipated expenditures for the 2021-23 biennium. [See Attachment]				
REVENUE					
00	REVENUE				
2501	APPROPRIATION CONTROL General Fund is used to fund match for the Child Support Enforcement grant due to a projected shortfall in State Share of Collections. This funds categories 01, 04 and 26.	0	0	-8,980,629	-8,980,629
2511	BALANCE FORWARD FROM PREVIOUS YEAR State Share of Collections is balanced forward each year as reserve from the prior fiscal year. These funds are used to match the Child Support Enforcement Entitlement grant. These collections are used to fund categories 01, 02, 03, 04, 10, 23, 26, 30, 32, 49, 87, 88 and 89. The revenue projections are based on a caseload projection. See RGL 4261 in Base.	0	0	0	-142,283
3340	CHILD SUPPORT FEES Pursuant to NRS 31A.075 a fee of \$2 is charged for each withholding of income for the payment of child support by an employer on behalf of an employee. This revenue is considered program income and is split between the state (34%) and feds (66%); 48% of the state's share is paid to participating counties. See 'Non-CL RGL' tab in the Excel workbook attached to revenue GL 4261 for fee projection methodology. Funds categories 01 and 16.	0	0	3,131	4,374
3533	FED CHILD SUPPORT PROGRAM The Federal Child Support Enforcement is an entitlement grant received from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.563). This grant funds child support enforcement services for individuals who are receiving federally funded Foster Care Maintenance Payments, Temporary Assistance to Needy Families (TANF) (or those who cease to receive TANF), and for individuals who apply for services. This grant funds categories 01, 02, 03, 04, 10, 23, 26, 30, 32, 87, 88 and 89. See attached for the current Notice of Grant Award. [See Attachment]	0	0	-10,318,139	-10,234,410
3538	FED INCENTIVE REVENUE This Federal Child Support Enforcement (CSE) Incentive grant (CFDA 93.563) is received from the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 95.563). Each State and Territory that meets federal performance and data reliability standards receives an award. The purpose of the incentive payments is to enhance CSE by supplementing, and not supplanting other funds. These funds must be reinvested in the program to improve the effectiveness or efficiency of the program. Incentives are shared with the 9 participating county district attorney's (DA) offices in accordance to the sub-grant agreements. The majority of the Incentive funds received are allocated to the DA offices. This grant funds category 18. See attached for the current Notice of Grant Award. [See Attachment]	0	0	-109,163	115,260
3580	FED MEDIATION GRANT The Federal State Access and Visitation grant is funded by the Federal Department of Health and Human Services, Administration for Children and Families (CFDA 93.597). This funding is used to provide services to noncustodial parents such as: mediation; development of parenting plans; education; counseling; visitation enforcement (including monitored/supervised visitation and mutual drop-off and pick-up locations); and development of guidelines for visitation and alternative custody arrangements. This grant funds category 49. See attached for the current Notice of Grant Award. [See Attachment]	0	0	2,430	4,478

E550	TECHNOLOGY INVESTMENT REQUEST This request funds the continuation of the Child Support Enforcement Program (CSEP) technology modernization project. The new system will increase child support collections, productivity and customer service for Nevada's children and decrease maintenance/operation costs. Lack of automation results in lost productivity as workers spend time pushing cases through the system rather than making case management decisions and serving customers. The project is currently on time and within budget. It is anticipated this project will be completed in SFY 2024. [See Attachment]

Section A1: Line Item Detail by GL

Budget Account: 3239 HHS-WELFARE - CHILD SUPPORT FEDERAL REIMBURSEMENT

The Child Support Federal Reimbursement budget account is used to pass through federal payments to participating district attorneys' offices for the federal share of costs associated with their local child support programs. Currently, 9 of Nevada's 17 district attorneys participate to do program intakes, locate non-custodial parents, establish paternity, and establish financial and medical support orders. This budget account was created in 1999 to separate the state's administrative costs in budget account 3238 from the pass-through of federal funds to the district attorneys. Statutory Authority: NRS Chapters 31A and 425.

3501	FED SHARE OF COLLECTIONS The State Share of Collections is used as state matching funds for the Child Support Enforcement Grant in RGL 3533. Receipt of these collections is allowable under the provisions of PL 104-193, the 'Personal Responsibility and Work Opportunity Reconciliation Act of 1996'. This revenue is a recoupment of the child support collections made on behalf of families receiving assistance under Temporary Assistance to Needy Families (TANF). This collection is split between the state and the federal Office of Child Support Enforcement based on the current Federal Medical Assistance Percentage (FMAP) rate. The federal portion of this collection is posted to revenue GL 3501 in budget account 3239. Any remaining funds are reserved and balanced forward to fund future years. Federal draws are reduced by the amount of funds collected in this budget account. These collections fund category 16. The revenue projections are based on a five year average. [See Attachment]	11,242,192	6,438,696	5,603,129	5,677,362
3533	FED CHILD SUPPORT PROGRAM The Child Support Enforcement is an entitlement grant (CFDA 95.563) received from the Federal Department of Health and Human Services, Administration for Children and Families. This grant funds child support enforcement services for individuals who are receiving federally funded Foster Care Maintenance Payments, Temporary Assistance to Needy Families (TANF) (or those who cease to receive TANF), and for individuals who apply for services. This grant funds category 16. See the attached Notice of Grant Award. [See Attachment]	13,816,674	20,746,755	19,455,738	19,381,505
4272	UNCLAIMED PROPERTY RECEIPTS This revenue is the federal share of unclaimed property receipts and is used to offset disbursements in category 24 associated with undistributed child support payments. The division distributes child support payments to custodians primarily through a debit card payable to the custodian or by direct deposit to the custodian's bank account. Sometimes, amounts collected for payment of child support cannot be distributed to the designated custodian because the custodian's whereabouts are unknown, or the payment lacks sufficient identifying information to associate it with a payer or a custodian. Property that has remained unclaimed by the owner for more than one year after it became payable or distributable is presumed abandoned and subject to the provision of NRS 120A.	0	36,515	0	0

7650	REFUNDS This adjustment BASE is for the federal share of unclaimed property disbursements in category 24 associated with undistributed child support payments. The division distributes child support payments to custodians primarily through a debit card payable to the custodian or by direct deposit to the custodian's bank account. Sometimes amounts collected for payment of child support cannot be distributed to the designated custodian because the custodian's whereabouts are unknown, or the payment lacks sufficient identifying information to associate it with a payer or a custodian. Property that has remained unclaimed by the owner for more than one year after it became payable or distributed is presumed abandoned and subject to the provision of NRS 120A. Budget Account: 3242 HHS-DCFS - CHILD WELFARE TRUST

The Child Welfare Trust Fund account was established to receive benefits for survivors or other awards payable to children receiving child welfare services in a county whose population is less than 100,000. These benefits and other awards, including Social Security and Supplemental Income, must be deposited in the State Treasury for credit to this fund. The Division of Child and Family Services maintains a separate account for each child who receives money and deducts from the account any dollar amounts that were paid with public money for services provided to the child. Surplus balances are distributed in accordance with the guidance provided by the entity that issued the funds. The Treasurer's Office credits accrued interest to each child's separate account which is maintained in the Trust Fund for Child Welfare at the end of each interest period. Budget Account: 3243 HHS-HCF&P - NEVADA MEDICAID, TITLE XIX

This budget account represents Medicaid medical costs for the Division of Health Care Financing and Policy as authorized by Federal Title XIX of the Social Security Act. The division's mission is to purchase and provide quality health care services to low-income Nevadans in the most efficient manner; promote equal access to health care at an affordable cost to the taxpayers of Nevada; restrain the growth of health care costs; and review Medicaid and other State health care programs to maximize potential federal revenue. Federal regulations define mandatory recipient groups to be covered. The Division of Welfare and Supportive Services and the Department of Health and Human Services, Office of Analytics provide recipient caseload forecasts. Cost-per-eligible recipient data is produced from the Medicaid Management Information System and is based on paid medical claims history. This data is factored with the caseload projections to produce budgeted medical expenditures. Statutory Authority: NRS 422, NRS 439B, Federal Title XIX of the Social Security Act, Section 42 Code of Federal Regulations, and the Nevada State Plan.

E350 PROMOTING HEALTHY, VIBRANT COMMUNITIES

This decision unit proposes to divert the 1.5 cent tax revenue from the IAF Supplemental Payment Program to assist the counties with their increased obligations of the Long-Term Care County Match program that has recently increased.

The county share of the Long-Term Care County Match program has recently increased. In response, the Board of Trustees of the Fund for Hospital Care to Indigent Persons is proposing to divert a 1.5 cent tax revenue from the IAF Supplemental Payment Program to assist the counties with their increased obligations. Diverting the 1.5 cent tax would give the counties approximately \$13.6 million in additional funds annually for the County Match program, but would also cause a reduction in the IAF Supplemental Payment program and decrease the payments issued to hospitals. Using the SFY 2020 IAF calculations, this change would have resulted in an overall reduction of \$38,185,684 in supplemental payments, \$32,049,910 of this reduction would be to private hospitals.

Budget Account: 3244 HHS-DO - INDIGENT HOSPITAL CARE

The Fund for Hospital Care to Indigent Persons was created pursuant to NRS 428.175 and is administered by a Board of Trustees consisting of four county commissioners and one director of a county social services agency appointed by the Governor. To account for Fund activity, the Indigent Hospital Care budget account was established. The Board may enter into an agreement with the Division of Health Care Financing and Policy and to provide the state share of certain Medicaid expenditures relating to hospital care. Funds in the account may also be used to reimburse providers of care (through county applications) for unpaid services provided to an indigent person in excess of \$25,000. Additionally, counties may be reimbursed for their share of nonfederal long-term care expenditures for indigent persons. (NRS 428.115 - 428.255).

E900	TRANSFER Drug Rebates to 3245				
	This request funds the transfer of Drug Rebate expenditure offsets to a stand alone budget account. The Division was tasked to increase transparency regarding drug rebate revenue pursuant to a Letter of Intent in the 2019 Legislative Session. The Division has worked with the Governor's Finance Office and LCB Fiscal staff to agree to move these expenditure offsets into a separate budget account. This request is a companion to E900 in budget accounts 3245 Prescription Drug Rebates. [See Attachment]

Budget Account: 3250 HHS-DCFS - TRANSITION FROM FOSTER CARE

The Transition from Foster Care budget account assists persons who turn 18 while in foster care in Nevada to transition from foster care to economic self-sufficiency. NRS 247.305 authorizes the collection of a \$1 fee for recording a document, instrument, notice, deed or other writing to be used to assist persons formerly in foster care. Funds may be: (a) disbursed on behalf of qualifying persons based on the need to obtain goods and services including job training, housing assistance, and medical insurance; (b) granted to non-profit community organizations; or (c) expended to provide matching money required as a condition of a federal grant. Money in this budget account at the end of any fiscal year remains in the account and does not revert to any other fund but is balanced forward into the next fiscal year.

Budget Account: 3253 DETR - BLIND BUSINESS ENTERPRISE PROGRAM

The Blind Business Enterprise of Nevada Program is responsible to provide entrepreneurial opportunities for individuals who are blind or visually impaired in priority-of-right locations in public buildings statewide for food and beverage services, vending machines, gifts, and/or sundries. Qualified individuals are referred to the program through the Bureau of Services to Persons who are Blind or Visually Impaired, and receive individualized training and mentoring including in business management, personnel administration, bookkeeping, food service fundamentals, sanitation, marketing, public relations, inventory control, and related topics. Once a trainee successfully completes the training, they are eligible to compete for available vending/cafeteria sites.

3410	FED OLDER AMER INDEP LVG GRANT Independent Living Services for Older Individuals who are Blind (IL-OIB, CFDA 84.177. Match is 90% federal and 10% state. Revenue is used primarily to fund Category 08, Older Blind Services, and for other associated personnel and operating costs.	258,954	271,095	270,217	270,217
3433	FED SSA PROGRAM INCOME Each year as part of the congressional budget process, SSA receives funding to pay State Vocational Rehabilitation Agencies (SVRAs) for the cost of their services in successfully rehabilitating people with disabilities. A successful rehabilitation is one in which vocational rehabilitation (VR) services contributed to a client's ability to perform substantial gainful activity for nine continuous months. VR can only receive these funds if there is a savings to the federal trust fund and federal general fund. Program Income can only be used for the provision of VR activities, administration of the State Plan, or carrying out innovation and expansion activities. Revenue is used primarily to fund Category 32, SSA Program Income, and for other personnel and operating costs. SSA Program Income is received in Budget Account 3265 prior to transferring a portion to Budget Account 3254.	75,663	126,141	126,135	126,135

Budget Account: 3259 HHS-DCFS - NEVADA YOUTH TRAINING CENTER

The Nevada Youth Training Center (NYTC) is a residential juvenile correctional facility serving male youth between the ages of 12 and 20 who are committed by the state's district courts for correctional care. Bed space of the facility was reduced from 110 to 60 beds during the 2013 Legislative Session. The facility is located in Elko, Nevada, and operates a junior/senior high school program offering required and elective academic subjects, remedial programs (reading, math, and language), special education, and vocational education. Following the 2015 Legislative Session, youth are also able to participate in interscholastic sports including football, basketball, and track and field. Some youth are eligible to participate in college-level courses upon completion of their high school education. Youth also receive counseling conducted individually or in small and large groups, monthly treatment team meetings, and substance abuse counseling. Youth who apply themselves to reach their goals in the shortest amount of time possible typically achieve parole release within six to seven months. Statutory Authority: NRS Chapter 63.

B000	BASE				
	This request continues funding for ninety-three positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.				
	Funding Sources: General Fund appropriations and Transfers from the Department of Education. Major sources of funding include Title I, Special Education Grant, Carl D. Perkins Correction Grant, and the School Breakfast Program and National School Lunch Program. The Title I Grant partially funds two academic teacher salaries. The Special Education Grant provides specified category funding for the education of special needs youth. The Perkins Grant provides funding assistance for the NYTC vocation education program. NYTC has historically received Perkins Grant funding every other year. The School Breakfast and National School Lunch Programs provide partial reimbursement for the cost of breakfast and lunch meals provided to the youth. Reimbursement is made to NYTC based Federal reimbursement rates and on the number of youth served as well as the facility status as a Residential Child Care Institution.

In SFY19 and SFY20 the facility had major construction that caused many areas to be closed for extended periods, reducing the need for utility expenses in the building. Therefore we are asking to duplicate SFY18 expenses as the most reliable projection of future expenses. [See Attachment]	0	0	140	140

E353	PROMOTING HEALTHY, VIBRANT COMMUNITIES				
	This decision unit requests that savings realized in the DCFS Juvenile Correctional Facilities due to vacancy savings and other cost savings due to reduced use by the counties to transfer to the Community Corrections Block Grant budget account for the next fiscal year for re-investment in prevention programs.				
	This BDR would allow counties to report on the number of youth that are diverted from state custody to calculate the corresponding savings the state realized due to lower residential and staffing costs. Those savings would be reinvested into the county juvenile services departments to enhance their successful programs, thereby resulting in additional savings. This is a companion to Decision Units E-353 in BA 1383, Juvenile Justice Programs; BA 3148, Summit View Youth Center; and BA 3179 Caliente Youth Center.

Budget Account: 3260 HHS-DO - UPL HOLDING ACCOUNT

Senate Bill 274 of the 77th Session amended Nevada Revised Statutes 433.354, 433B.220, 422A, 427A and 439 that allowed for the creation of the Private Hospital Collaborative Upper Payment Limit (UPL) program. This UPL program allows various divisions within the Department of Health and Human Services to transfer savings associated with certain health care and social services related contract expenditures to this budget account. Savings are realized when budgeted contracted services are funded by an alternative funding source. When requested, funds are transferred to the Division of Health Care Financing and Policy to support the state share of the Private Hospital Collaborative Upper Payment Limit (UPL) supplemental payment program. Excess funding is reverted to the General Fund or Healthy Nevada Fund.

Budget Account: 3263 HHS-DCFS - YOUTH PAROLE SERVICES

Youth Parole Services provides supervision and case management services to delinquent youth committed to the Division of Child and Family Services (DCFS) following adjudication of a delinquent act. Caseloads consist of delinquent youth committed to DCFS custody for placement at a correctional institution; youth on parole from such institutions; youth referred to Nevada for parole supervision from other states through the Interstate Compact on Juveniles (NRS 62I); youth committed to DCFS who require both correctional and mental health residential treatment; and youth under the age of 12 who are committed to DCFS for correctional care but who cannot by law be placed in an institutional setting.

Parole aftercare services are provided to youth through a continuum of services starting with client and family assessment, institutional visitation, and pre-release parole planning with youth while they are in the state youth correctional facilities. Based on these contacts, youth are provided with a reputable placement and appropriate parole programming. Youth who are unable to return to parents or guardians are provided residential care through division contracts for foster care, group care, and residential treatment programs. While on parole, each youth is supervised to ensure compliance with conditions of parole and state and local laws. Counseling and guidance services are provided to facilitate the youth's successful participation in an educational and/or vocational program. Through day treatment classes and individual and group counseling, Youth Parole Services' counselors assist parolees in the development of competencies in their personal lives. Issues of anger control, substance abuse, gender-specific issues, gang membership, impulse control, social skills and decision-making are addressed on an individual basis. Youth Parole Services operates the Interstate Compact on Juveniles which regulates the transfer of juvenile probation and parole supervision across state boundaries and is charged with arranging the return of delinquent runaways on demand. Statutory Authority: NRS Chapters 62, 62I, and 63.

3433	FED SSA PROGRAM INCOME Each year as part of the congressional budget process, SSA receives funding to pay State Vocational Rehabilitation Agencies (SVRAs) for the cost of their services in successfully rehabilitating people with disabilities. A successful rehabilitation is one in which vocational rehabilitation (VR) services contributed to a client's ability to perform substantial gainful activity for nine continuous months. VR can only receive these funds if there is a savings to the federal trust fund and federal general fund. Program Income can only be used for the provision of VR activities, administration of the State Plan, or carrying out innovation and expansion activities. Revenue is used primarily to fund Category 32, SSA Program Income, and for other personnel, operating, and client service costs. SSA Program Income is received in Budget Account 3265 prior to transferring a portion to Budget Account 3254.	646,167	644,445	755,387	755,188

Section A1: Line Item Detail by GL

Budget Account: 3266 HHS-ADSD - HOME AND COMMUNITY-BASED SERVICES

This budget account includes the Planning, Advocacy and Community Services unit (PAC); the Community Based Care unit (CBC); the Long-Term Care Ombudsman program (LTCO); and the Adult Protective Services program (APS). The PAC unit leads efforts to plan and advocate for services for older adults, family caregivers and individuals with a disability through enhanced planning, advocacy, and community partnerships. The CBC unit provides services for seniors and persons with disabilities considered most at risk by providing alternatives to nursing home placements. The LTCO program receives, investigates and resolves complaints made by or on behalf of residents living in long-term care facilities and conducts regular visits to facilities. The APS program receives and investigates reports of abuse, neglect, self-neglect, isolation, and abandonment for vulnerable adults, ages 18-59 as well as persons aged 60 years and older.

Statutory authority: NRS 427A.7951 (PAC); NRS 427A.250 (CBC); NRS 427A.125 (LTCO); NRS 200.5091 and NRS 427A.125 (APS)

REVENUE					
2501	APPROPRIATION CONTROL This RGL is the state General Fund appropriation which supports a variety of Home and Community Based Services programs and operations such as Personal Assistance Services (PAS), senior services for state transportation, state volunteers programming, the Hold Harmless fund to ensure adequate funding for Rural Nevada services, home-delivered and congregate meals, and services to meet the match requirement for several federal awards. In addition, the funding supports the Commission on Services for People with Disabilities (CSPD). Special use categories 8, 9, 11, 13, 20, 22, 23, 27, 28, 29, 33, 36, and 37 are all the state funded services program expenditure categories. Categories 1, 3, 4, 5, 26, 30, 82, and 87 are the program operating expenses.	25,931,303	26,709,702	28,993,283	29,867,446

2512	BALANCE FORWARD TO NEW YEAR This RGL represents a balance forward of the Ride Charge revenue (RGL 3846). Any funds generated under this program and not expended in special use category 31 of the previous fiscal year are balanced forward to the next fiscal year.	-94,342	0	0	0
2516	BUDGETARY TRANSFERS This RGL is the transfer of the state general fund portion of salary savings from this budget account into another budget account within the department. This was a one-time transfer of state general fund appropriations.	-886,140	0	0	0
3415	FED - TITLE III-B (SUPPORT SERVICES) Federal Grant: Title III-B Supportive Services and Senior Centers grant, CFDA# 93.044 Match Requirement: 15% of combined state and pass-through matching funds. The state match portion must total 5% and is funded with general fund appropriations in special use category 9, the balance of the match is met by program subgrantees. Funds are expended in categories 01 and special use category 9. The Supportive Services and Senior Centers grant is awarded by the Administration for Community Living (ACL), under the Older Americans Act (OAA), as amended. These funds are to encourage state agencies on aging to concentrate resources to develop and implement comprehensive and coordinated community-based systems of service for older individuals via statewide planning and provision of supportive services, including multipurpose senior centers. The objective of these services and centers is to maximize the informal support provided to older Americans to enable them to remain in their homes and communities. Providing transportation services, in-home services, and other support services, this program ensures that elders receive the services they need to remain independent. 3416	FED - TITLE III-C1 (TRAINING) Federal Grant: Title III-C Nutrition Services - Administrative - Training Grant, CFDA# 93.045 Match Requirement: 25% state match requirement, met by in-kind salaries allocated based on 100% time-tracking. Funds are expended in special use category 12. The Title III-C1 Training grant is awarded by the Administration for Community Living (ACL), under the Older Americans Act (OAA), as amended. The Division is allowed up to 10% of the total combined Title III grant for administrative costs of which the division has traditionally used approximately 6% for training; however, training is not mandatory, so a smaller percentage is allowable. The administrative cost allocation is based on the total Title III grant award, and is reduced from the C1 portion of the Title III grant, as historically C1 has a surplus of grant authority which has been used for administrative costs and to further support parts B and C2 as allowed by the Administration on Aging (AoA). 	Federal Grant: Senior Community Service Employment Program Grant, CFDA# 17.235 Match Requirement: 10% state match requirement, of which \$10,000 is funded with general fund appropriations, the balance of the match is met by program subgrantees. Funds are expended in categories 01, 82, 88, 89 and special use category 23. The Senior Community Service Employment Program Grant is awarded by the Department of Labor under Title V. These funds are provided to foster individual economic self-sufficiency; provide training in meaningful part-time opportunities in community service activities for unemployed low-income persons who are age 55 years of age or older, particularly persons who have poor employment prospects; and to increase the number of older persons who may enjoy the benefits of unsubsidized employment in both the public and private sectors. [See Attachment]				
3440	FED - INDEPENDENT LIVING SERVICES Federal Grant: Independent Living State Grant, CFDA #93.369 Match Requirement: None Funds are expended in categories 1, 82, 87, 88, 89 and special use category 36. The Independent Living State grant is to provide financial assistance to states for expanding and improving the provision of independent living (IL) services to individuals with significant disabilities by promoting and maximizing their full integration and inclusion into the mainstream of American society. These funds are used in conjunction with general fund appropriations in special use category 36. [See Attachment]	301,676	331,940	134,701	134,701
3474	FED - ASSISTIVE TECHNOLOGY Federal Grant: State Grants for Assistive Technology, CFDA# 93.464 Match Requirement: None Funds are expended in categories 82, 87, 88, 89 and special use category 10. Under Public Law 108-364, the Assistive Technology Act of 1998, funds are awarded by the Administration for Community Living (ACL). The 2004 amendments to the Assistive Technology Act of 1998 supports State efforts to improve the provision of assistive technology to individuals with disabilities through comprehensive statewide programs of technology-related assistance, for individuals with disabilities of all ages. Funds are expended in special use category 40. The purpose of the Alzheimer's Disease Initiative: Specialized Supportive Services (ADI-SSS) project is to fill gaps in long term services and supports (LTSS) for persons living with Alzheimer's disease and related dementias (ADRD) and their caregivers by expanding the availability of specialized services and supports. The program ended 9.30.2019 with no additional funding awarded. [See Attachment]</p>	163,051	0	163,051	163,051
3589	<p>FED - TITLE III-E (CAREGIVER) Federal Grant: Title III-E National Family Caregiver Support Program (NFCSP), CFDA# 93.052 Match Requirement: 25% state match requirement, met using a portion of the Tobacco Settlement Funds housed in budget account 3140. Funds are expended in special use category 14. Title III-E National Family Caregiver Support Program (NFCSP) funds are awarded by the Administration for Community Living (ACL). NFCSP funds establish support networks that provide information about the availability of support services; assistance in gaining access to services; individual counseling to help make decisions regarding long-term care and solve problems; respite care; and supplemental services. This funding supports the Division's efforts to facilitate a Single Point of Entry (SPE) program for long-term support services and its website: www.nevadaadrc.com. The SPE is being further enhanced through collaboration with the division's Aging and Disability Resource Centers (ADRC's). [See Attachment]</p>	1,442,793	1,479,582	1,442,793	1,442,793
3591	<p>FED - MEDICARE ENROLLMENT ASSISTANCE PROGRAM Federal Grant: Medicare Improvements for Patients and Providers Act (MIPPA), CFDA# 93.071 Match Requirements: None. Funds are expended in categories 1, 82, 87, 88, 89, and special use category 38. The purpose of Medicare Improvements for Patients and Providers Act (MIPPA) funding is to enhance state efforts to provide assistance to Medicare beneficiaries through statewide and local coalition building focused on intensified outreach activities to beneficiaries likely to be eligible for the Low Income Subsidy program (LIS) or the Medicare Savings Program (MSP) and in assisting those beneficiaries in applying for benefits. The Administration for Community Living (ACL) will provide MIPPA program funding to State Health Insurance Assistance Programs (SHIPs), Area Agencies on Aging (AAAs), and Aging and Disability Resource Center programs (ADRCs), to inform Medicare beneficiaries about available Medicare program benefits. The MIPPA grant was awarded in three different priority areas: Priority Area 1-Grants to State Agencies that administer the SHIP to provide enhanced outreach to eligible Medicare beneficiaries regarding their benefits, enhanced outreach and application assistance to individuals who may be eligible for the LIS or the MSP, and for the purposes of conducting outreach activities aimed at preventing disease and promoting wellness; Priority Area 2-Grants to State Units on Aging for Area Agencies on Aging to provide enhanced outreach to eligible Medicare beneficiaries regarding their Medicare benefits, enhanced outreach and one-on-one application assistance to individuals who may be eligible for the LIS or the MSP, and for the purposes of conducting outreach activities aimed at preventing disease and promoting wellness; and Priority Area 3-Grants to State Units on Aging that administer the Aging and Disability Resource Centers (ADRCs) to provide outreach to individuals regarding their Medicare Part D benefits, benefits available under the LIS and MSP, and for the purposes of conducting outreach activities aimed at preventing disease and promoting wellness. 3846	RIDE CHARGE Other: Fee Match Requirement: None Funds are expended in special use category 31. The Ride Charge program provides discounted taxicab coupon books for individuals 60 and older, and persons of any age with a permanent disability. The program is self-funded through taxicab rides taken throughout Clark County. Eligible participants pay ten dollars for twenty dollars' worth of coupons. These funds are used to pay taxicab companies for one-half of the cost of rides provided to program participants. The remainder of the cost of the rides is paid out of the transfer of funds received from the Taxicab Authority (see revenue GL 4686, Transfer from Taxicab Authority Account). Any funds generated under this revenue GL and not expended in special use category 31 are balanced forward to the next fiscal year reserve category 86. [See Attachment]	52,805	109,635	107,699	107,699
3849	ICF-MR CLIENT LIABILITY Other: Fee Match Requirement: None Funds are expended in special use category 8. The Client Charge program is a client co-payment of services received through the Personal Assistance (PAS) program. The Personal Assistance Services (PAS) Program provides community-based, in home services to enable adult persons with severe physical disabilities to remain in their own homes and avoid placement in a long-term care facility. The provision of home and community-based services is based upon the identified needs of the recipient and available funding. The Division assists recipients with accessing other available services, as needed. An active PAS recipient whose income is at or above 300% of the Federally Poverty Limit will be assessed for a co-pay. If they are found to meet the criteria set forth by NAC 427 they will be charged a co-pay which is due after services are rendered. The co-pay is factored as a per-unit amount whereas the unit equals 15 minutes. The Division fiscal unit works with the Division Community-based Care (CBC) unit to determine the total amount due and send out letters to request the amount due. If the co-payment amount is not returned from the PAS recipient by the date identified on the letter, the client will be placed in a suspension status and possibly terminated from the PAS program. Funds are expended in special use category 8 to offset costs of direct services received. [See Attachment]	35,137	20,490	28,215	28,215
3860	TITLE XIX - MEDICAID CASE MGMT Other: Medicaid Match requirement: Match is currently budgeted in the Division for Health Care Financing and Policy's (DHCFP) budget account 3243; match is based on the current Federal Medical Assistance Percentage (FMAP) rate after application of the penetration rate. Funds are expended in categories 1, 4, 82, 87, 88, and 89. The Division receives Medicaid (Title XIX) funds through the Home and Community Based Waiver (HCBW) programs for the Frail Elderly (FE) and Physically Disabled (PD). The HCBW-FE program provides waiver services to seniors to help them maintain independence in their own homes as an alternative to nursing home placement. Services can include the following: Case Management, Homemaker, Social Adult Day Care, Adult Companion, Personal Emergency Response System, Chore, Respite, Augmented Personal Care (provided in a residential facility for groups or assisted living) and access to State Plan personal care services. The program accepts applications from persons 65 years and older throughout Nevada who: are at risk of nursing home placement within 30 days without supports and waiver services to keep them in their home and community; have income up to 300% of SSI; and meet a level of care criteria for a nursing facility. HCBW-PD provides the option of home and community-based services as an alternative to nursing facility placement and to allow for maximum independence for persons with physical disabilities who would otherwise need nursing facility services. The targeted population includes all individuals of all ages who are physically disabled, who meet nursing facility level of care, have a severe functional disability, and who, absent the waiver, would receive the appropriate type of Medicaid- funded institutional care. 3861	TITLE XIX - MEDICAID ADMIN Other: Medicaid Match requirement: Match is currently budgeted in the Division for Health Care Financing and Policy's (DHCFP) budget account 3243; match is 50% after application of the penetration rate. Funds are expended in categories 1, 4, 26, 82, 87, 88, and 89. The division receives Medicaid (Title XIX) funds through the Medicaid Administrative program. This program performs Medicaid Outreach activities, especially for individuals seeking or living in long-term care. Activities are related to increasing public awareness about the Medicaid program, educating individuals or groups regarding eligibility criteria, identifying and providing guidance to individuals who are potentially eligible for Medicaid, and assisting in enrolling in the program when necessary. 4669	TRANS FROM GFO - CARES ACT Other: Transfer Match requirement: None Funds are expended in special use category 49. As an element of Coronavirus Aid, Relief and Economic Security (CARES) Act funds, the division expanded the Delivering with Dignity program into areas of high need in Mesquite, Pahrump, Laughlin, and Elko. The services performed are reimbursed to the division by the Governor's Office of Finance. Funding runs through 6.30.2021. Reference work program C51631 in state fiscal year 2021.	180,177	60,000	0	0
4672	TRANS FROM HCFP (MFP) Other: Transfer Match requirement: None Funds are expended in special use category 44. Money Follows the Person is a federal Medicaid program designed to move elderly nursing homes residents out of nursing homes and back into their own homes or into the homes of their loved ones. The Division of Health Care Financing and Policy is the state agency awarded these funds through Medicaid and passes through the funding to carry-out the program. The project is expected to end September 30, 2021; however, funding is only available though June 30, 2021 per the contract. [See Attachment]	45,297	0	45,297	45,297

4695	TRANS FROM ADSD (FHN) Other: Transfer Match requirement: None. Funds are expended in special use categories 27 and 28. These funds are received via a transfer from budget account 3140 using the Trust Fund for a Healthy Nevada pursuant to NRS 439.630. Transfers from the Fund are based on recommendations from the Grants Management Advisory Committee and approved by the Director of the Department of Health and Human Services. These funds are used in conjunction with general fund appropriations in special use categories 27 and 28 to support payment of contract costs for direct service providers under the Community Services Options for Program for the Elderly (COPE) and Homemaker programs. COPE provides non-medical services (e.g. case management, personal care, etc.) to older persons to help them maintain independence in their own homes as an alternative to nursing home placement. The Homemaker program is an essential community-based service based on the principle that in-home care can help preserve or improve the quality of the recipients' lives and reduce the need for unnecessary out-of-home care. Homemaker services enable chronically ill, disabled and aged persons to remain in their homes. Such persons must be financially eligible to receive services. 	Federal Title XX funds are received from the Department of Health and Human Services to support the Adult Protective Services (APS) and Homemaker programs. These funds are used in conjunction with general fund appropriations (APS portion) and Fund for Healthy Nevada (FHN - Homemaker portion) funds in special use category 27. APS provides services for vulnerable persons age 18-59, in addition to persons 60 years and older, collectively referred to as vulnerable adults, throughout all of Nevada. Actions are taken to safeguard the well-being and general welfare of vulnerable adults in need of protection and who are unable to protect themselves. This includes those who have physical, emotional, or mental impairment. These impairments may limit their ability to manage their personal, home, social, and/or financial affairs. APS Emergency Services provide short term services, including Homemaker, Mental Capacity Evaluations, Temporary Assistance for Displaced Seniors (TADS), forensic financial and medical contracts and emergency food and supply purchases for clients who are at risk of being abandoned, abused, exploited, neglected or isolated. The intent of these services is to provide short term intervention until on-going or alternative services can be arranged. Homemaker is a service provided in a recipient's home and intended to provide instrumental activities of daily living support to keep an individual in their personal residence and avoid institutionalization. Services include laundry, shopping, meal preparation, and housekeeping. Case Management is provided as quarterly telephone contacts, and biannual in person home-visits. [See Attachment]				
4751	TRANS FROM DCFS (VOCA) Other: Transfer Match Requirement: 20% state match requirement, met by in-kind salaries allocated based on 100% time-tracking. Funds are expended in categories 1 and 82. The goal of this project is for the division to expand Elder Protective Services (EPS) to a full Adult Protective Services (APS) program. This expansion will provide protective services to victims of crime with intellectual, developmental and physical disabilities 18-59 years of age as well as elders 60 years of age and older. 08	PERSONAL ASSISTANCE SERVICES				
The Personal Assistance Services (PAS) program provides community-based, in home services to enable adult persons with severe physical disabilities to remain in their own homes and avoid placement in a long-term care facility. The provision of home and community-based services is based upon the identified needs of the recipient and available funding. The Division assists recipients with accessing other available services, as needed. The program was established to provide in-home care for persons with physical disabilities throughout the state, who do not qualify for Fee for Service Medicaid, or the Home and Community Based Services (HCBS) Waiver for Persons with Physical Disabilities or the HCBS Waiver for the Frail Elderly. Administrative activities and care coordination are provided by Division staff, and direct services are provided by contracted providers who provide essential personal care services through an agency model or a self-directed model.

20	STATE SENIOR SERVICES				
	Funds are for state funded grant payments to city and county governments, as well as private and non-profit organizations to support social service programs, and congregate and home delivered meal programs to assist senior citizens to remain independent. The Nevada Legislature set aside Hold Harmless funds that help ensure equitable funding for rural communities to include transportation and supportive services. Without this state appropriation, the rural counties would not receive adequate funding as the federal funds are allocated based on senior population. This would give much of the funding to Washoe and Clark counties leaving the rural counties unable to provide transportation and supportive services to their eligible senior residents.

11	CSPD COMMISSION				
	This category funds activities for the Commission on Services to People with Disabilities (CSPD). Per NRS 427A.1215: Each voting member of the Commission is entitled to receive a salary of not more than \$80 per day, as fixed by the Commission, while engaged in the business of the Commission, if funding is available for this purpose. While engaged in the business of the Commission, each appointed member of the Commission, each person appointed to serve on a subcommittee or advisory committee of the Commission, and each employee of the Commission is entitled to receive the per diem allowance and travel expenses provided for state officers and employees generally, if funding is available for this purpose. The Commission may expend in accordance with law all money made available for its use.				
7060	CONTRACTS The Commission on Services for People with Disabilities is required in statute to monitor and advocate for state efforts under the Olmsted Act. As a public body for all people who have a disability, including those who are deaf and hard of hearing the Commission meetings have to be accessible. M210	DEMOGRAPHICS/CASELOAD CHANGES				
	This request funds an adjustment of combined Adult Protective Services (APS) caseload positions from 41 in fiscal year 2020 to 57 in fiscal year 2023, with a net increase in staff of sixteen positions. See attached caseload staffing projection workbook for details of position adjustments. Demand for services continues to grow and this decision unit requests funding to provide staff for the projected growth through the 2021-2023 biennium. New caseload maintenance positions are requested to support an increase to APS caseload due to serving the additional vulnerable adult population and are essential to ensuring the provision of effective supports and services to meet the needs of individuals and families, helping them lead independent, meaningful and dignified lives. Effectively managing caseloads is a key component to ensuring client safety and well-being as well as preventing re-referrals for the same unresolved issues. Additional social work staff is necessary to allow social workers the opportunity to better serve clients by giving them sufficient time to address and resolve and/or remedy the abusive situation and to prevent further maltreatment. APS caseload projections show there will be an increase in caseload of 4.96% from state fiscal year 2021 to 2022 and another 2.27% increase from 2022 to 2023. Additional social worker positions will allow social workers to maintain a 1 to 40 caseload ratio. [See Attachment]

E225	EFFICIENCY & INNOVATION This request is to add a Social Services Program Specialist II to the Planning, Advocacy, and Community Services Unit within the Aging and Disability Services Division (ADSD). This position will be responsible for oversight and technical assistance to community partners who receive sub-awards from the Fund for a Healthy Nevada to provide transportation, caregiver support and other in-home services for older adults and their family caregivers. The Planning, Advocacy and Community Services (PAC) Unit is receiving direct service funding for older adults and family caregivers from the Fund for a Healthy Nevada (FHN) over the next biennium. With this funding, this Social Services Program Specialist position is necessary to build capacity among the community partner network. As the State Unit on Aging (SUA), our responsibility is to focus on promoting collaborations and innovations to meet the growing needs of Nevada's older adults and caregivers in order to increase access to services, while being conscientious of budgetary limitations. This position will enable the division to work with community partners, going beyond fiscal compliance, and to build an outcome driven model of service delivery that supports older adults in the community who are most in need. This position is necessary to strengthen services across the state, ensuring a network of access for rural areas as well as urban areas. Having a subject matter expert overseeing these FHN funds brings this funding source in line with existing models under other funding sources that uses a team approach (one person as the subject matter expert and one person as the fiscal/regulatory support). Within other programs that have subject matter experts, we have seen greater collaborations, standardization of service delivery, and greater outcomes. This additional funding cannot be supported by existing team members whose primary functions are fiscal and regulatory compliance monitoring. [See Attachment]

E226	EFFICIENCY & INNOVATION This request adds a Management Analyst II position to the Planning, Advocacy, and Community Services Unit within the Aging and Disability Services Division (ADSD). This position will be responsible for data collection, coordination and gap analysis for services provided under Title XX and serve as the lead for the biannual Elders Count report. This new Management Analyst II position is part of a larger Planning Team within the Planning, Advocacy, and Community Services (PAC) Unit of the Aging and Disability Services Division (ADSD). This position will focus on development of direct services through the coordination and collection of data to drive network training and development, assist with identifying service gaps, and adherence to regional funding allocations. This position will also serve as the lead for the biannual Elders Count report that will present data from state and national sources on Nevada's older adult population with an emphasis on public health indicators. The goal of the biannual Elders Count report is to provide a comprehensive tool that will support and stimulate positive action within local communities and at the state and federal levels to better serve Nevada's older adults. The PAC Unit has two (2) existing MA positions that provide support to the overall unit, helping to build/reconcile budgets, coordinate data and develop reports for multiple funding sources. With the transition of the Title XX funds from the Department of Health and Human Services Director's Office to the PAC Unit, and the transition of the biannual Elders Count report coordination, this position is needed to support these new functions. Management of these funds and functions through the PAC Unit will help the division and our community partners in planning efforts to strengthen services across Nevada. [See Attachment]

	The Nevada Legislature passed legislation expanding Elder Protective Services to Adult Protective Services effective July 1, 2019. This expansion provided protective services to all vulnerable adults age 18 and older. Vulnerable adults include those with serious mental illness, intellectual and developmental disabilities, physical disabilities as well as cognitive impairments. The current class specification does not accurately reflect this change or many of the programmatic changes that have occurred since the last class specification update. This includes activities such as statutory authority to convene and conduct multi-disciplinary meetings, mental health capacity evaluations, geriatric psychiatric assessments, and guardianship activities. E901	TRANSFER BA 3266 APS UNIT INTO BA 3204				
	This request transfers the Adult Protective Services and Long-Term Care units consisting of 104 positions into the newly formed Consumer Health Protection Unit (formerly called the Office of Consumer Health Assistance). Last biennium the agency transferred the federal grant programs from budget account 3151 to 3266 in order to make a more transparent administrative only budget. At that time, the agency needed to determine how best to separate the programs into self-contained budgets. That review process has resulted in a proposed split of budget account 3266 into two program types: Home and Community Based Services (HCBS) and Advocacy programs. This will be accomplished by transferring the Long-Term Care Ombudsman (LTCO) and the Adult Protective Services (APS) programs into a new budget called Community Health Advocacy Programs. The purpose of this new budget is to focus on advocacy over direct grant services. If budget account 3204 - Office of Consumer Health Assistance is transferred to this agency, LTCO and APS will be transferred to this budget to keep similar programs together. The main benefits of creating budgets that have similar goals is greater transparency and ease of tracking and reporting. For budgeting, tracking, and reporting the ability to contain costs for similar activities in a single budget makes it clear both internally and to the public the amount of resources dedicated to specific activities.

	This request transfers the reclassification of 34 Social Worker 2 positions and 8 Social Work Supervisor 1 positions within the Adult Protective Services unit to Social Worker 3 and Social Work Supervisor 2 respectively to budget account 3204. See E805 for cost estimates.				
	The Nevada Legislature passed legislation expanding Elder Protective Services to Adult Protective Services effective July 1, 2019. This expansion provided protective services to all vulnerable adults age 18 and older. Vulnerable adults include those with serious mental illness, intellectual and developmental disabilities, physical disabilities as well as cognitive impairments. The current class specification does not accurately reflect this change or many of the programmatic changes that have occurred since the last class specification update. This includes activities such as statutory authority to convene and conduct multi-disciplinary meetings, mental health capacity evaluations, geriatric psychiatric assessments, and guardianship activities.

E908	TRANSFERS ONE TEMP CONTRACTOR AND COSTS TO BA 3203 This request transfers one temporary contractor and associated costs to budget account 3203. This request is part of a Department initiative to standardize and centralize data analytic staff in one budget account located in the Department of Health and Human Services Director's Office. A centralized data analytic team will streamline much of the tabular/descriptive work done by each respective analytic group, allowing more time to be spent on inferential statistics and predictive analytics. A centralized data analytic team will allow for more peer-to-peer development leading to a consistent quality of analytic products produced by the Department of Health and Human Services.

E909	TRANSFERS M209 LTCO CASELOAD TO BA 3204 This request transfers the Long-term Care Ombudsman caseload into the newly formed Consumer Health Protection Unit (formerly called the Office of Consumer Health Assistance). See M209 for cost estimates. Last biennium the agency transferred the federal grant programs from budget account 3151 to 3266 in order to make a more transparent administrative only budget. At that time, the agency needed to determine how best to separate the programs into self-contained budgets. That review process has resulted in a proposed split of budget account 3266 into two program types: Home and Community Based Services (HCBS) and Advocacy programs. This will be accomplished by transferring the Long-Term Care Ombudsman (LTCO) and the Adult Protective Services (APS) programs into a new budget called Community Health Advocacy Programs. The purpose of this new budget is to focus on advocacy over direct grant services. If budget account 3204 - Office of Consumer Health Assistance is transferred to this agency, LTCO and APS will be transferred to this budget to keep similar programs together. The main benefits of creating budgets that have similar goals is greater transparency and ease of tracking and reporting. For budgeting, tracking, and reporting the ability to contain costs for similar activities in a single budget makes it clear both internally and to the public the amount of resources dedicated to specific activities.

Section A1: Line Item Detail by GL

Budget Account: 3267 HHS-WELFARE - CHILD ASSISTANCE AND DEVELOPMENT

The Child Care and Development Program, under the Division of Welfare and Supportive Services, administers the Child Care and Development Fund (CCDF). The funding assists low-income families, families receiving temporary public assistance, and those transitioning from public assistance. The program helps families find and pay for child care to help all family members achieve their potential.. CCDP also funds activities to improve the quality of and access to child care. The division partners with the Children's Cabinet in Northern Nevada and Las Vegas Urban League in Southern Nevada to determine eligibility for assistance and provide child care resource and referral.

General Fund appropriations pay for the state Maintenance of Effort required to receive federal funding. The Child Care and Development Fund (CCDF) is authorized under the Child Care and Development Block Grant Act (CCDBG) which was enacted under the Omnibus Budget Reconciliation Act of 1990. The CCDBG Act was amended and reauthorized by the Personal Responsibility and Work Opportunity Act of 1996, and again by the CCDBG Act of 2014.

Statutory Authority: NRS Chapter 422A.

	This request continues funding for seven employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized. [See Attachment]				
REVENUE					
2501	APPROPRIATION CONTROL General Fund appropriations are used to meet the Maintenance of Effort (MOE) required to receive federal Mandatory Matching grant funds. See attached for the Child Care Development Fund MOE Summary which depicts the amount of Nevada's required MOE funds. MOE is used to fund direct services in category 22. [See Attachment]	2,580,421	2,580,421	2,580,421	2,580,421
3567	FED TANF PROGRAM The federal Temporary Assistance to Needy Families (TANF) block grant (CFDA 93.558) is received from the Federal Department of Health and Human Services, Administration for Children and Families. This funding is used to provide assistance to needy families with children (or expecting) to ensure children can be cared for in their own homes or in the homes of relatives; end the dependence of low income parents on government benefits by promoting job preparation, work and marriage; prevent and reduce the incidence of out of wedlock pregnancies and establish numerical goals for preventing and reducing the incidence of these pregnancies; and encourage the formation and maintenance of two-parent families. In this budget account, TANF is used to pay child care providers for services provided to eligible children in category 22. See the attached current Notice of Grant award and the TANF Sources and Use which identifies TANF funding allocated to the Child Care Program. [See Attachment]	3,225,560	3,212,168	2,500,000	2,500,000
3582	FEDERAL CARES GRANT The Federal Corona-virus Aid, Relief, and Economic Security Act funds (93.575) for child care are received from the Federal Department of Health and Human Services, Administration for Children and Families. This funding is being used to bail out child Care providers by helping them stay in business during the COVID 19 pandemic. This grant is 100% federal funding used to fund category 52. See attached for the current Notice of Grant award. [See Attachment]	8,722,649	0	8,722,650	8,722,650
3583	FED CHILD CARE DISCRETIONARY The Federal Child Care Development Fund Discretionary block grant (CFDA 93.575) is received from the Federal Department of Health and Human Services, Administration for Children and Families assisting low-income families and those transitioning from public assistance in obtaining child care so they can work, or attend training/education in order to obtain work. It aims to increase availability, affordability, and quality of child care. This grant is 100% federal funding used to fund all categories with this budget account. See attached for the current Notice of Grant award and the Child Care Source and Use which identifies CCDF funds used in other Division budgets, and community partners. [See Attachment]	50,331,632	40,508,646	59,222,447	59,240,426
3584	FED CHILD CARE MANDATORY MATCHING The Federal Mandatory Matching funds (CFDA 93.596) are received from the Federal Department of Health and Human Services, Administration for Children and Families. These funds are used to provide child care assistance based on a sliding scale of fees to families who are receiving assistance under the Temporary Assistance for Needy Families program, are attempting to transition off of temporary assistance through participation in work activities, and are at risk of becoming dependent on temporary assistance programs. A General Fund maintenance of effort is required along with a state match which is met with certified match letters from community partners. This grant is used to fund categories 03, 20, and 22. See attached for the current Notice of Grant Award. [See Attachment]	27,193,197	27,314,464	19,294,341	19,294,341

	This request funds two Social Services Program Specialist 2 positions responsible for developing policy to expand and improve Nevada's early childhood workforce with community partners and stakeholders. The Child Care and Development Program (CCDP) is requesting two Social Services Program Specialist II positions. These positions will be responsible for focus on outreach, connecting with higher education programs, the business community, and other stakeholders to develop policy to expand and improve Nevada's early childhood workforce. Additionally, they will be responsible for a focus on increasing child care capacity in terms of general capacity and capacity to serve targeted populations with specific needs that are currently under-served. Current staff are at capacity and workflow continues to increase as do new program initiatives and responsibilities. There are no alternatives short of contracting with outside entities to do the work. Streamlining efforts among the CCDP team would be the best way to tackle these initiatives. [See Attachment]

Item No	Description	Actual 2019-2020	Work Program 2020-2021	A00 Year 1 2021-2022	A00 Year 2 2022-2023
	Built in 2007, NCCS never worked the way it was intended to. There are issues in almost every screen, many of the screens have coding that was never even finished. Reports are inaccurate and field staff are unable to pull needed information from the system. Child care resource & referral components never worked to generate provider referrals which resulted in staff needing to use completely different data system. There are too many processes that should have been automated which resulted in cumbersome and manual processes and there are endless issues that have resulted in system work around, frequent on-going case adjustments and manual overrides to "trick" the system. This has resulted in countless hours of frustration, decrease in productivity, wasted resources for both DWSS staff and our partner agencies, as well as inaccurate federal reporting. This procurement of a new system not only aligns with the State, the Department, and the Division's Goals, but, aligning the different early childhood systems and capturing accurate data and outcomes has been an unattainable goal in the early childhood world for years. The Child Care Program has been in active strategic planning since January of this year and the need for accurate data and outcome-driven decision making is at the forefront of our strategic plan. If we don't upgrade our system, we are unable to see our own program goals through to the end. It inhibits us from what we want to do as a program to move forward with making a difference for families in Nevada and tracking early childhood program activities to ensure we are successful and making necessary changes to programming when we need to adapt for success. Budget Account: 3269 DETR - DISABILITY ADJUDICATION

The mission of the Bureau of Disability Adjudication (BDA) is to provide quality, timely, and professional disability decisions to individuals in Nevada who claim benefits under the Social Security Disability Program. The BDA is 100 percent federally funded by the Social Security Administration and administered by the Rehabilitation Division of the Department of Employment, Training and Rehabilitation. The bureau is responsible for processing all applications for disability benefits under the Social Security Disability Income and Supplemental Security Income disability programs and for conducting evidentiary hearings for those disability beneficiaries who are recommended for benefit termination.

Budget Account: 3270 NEVADA P20 WORKFORCE REPORTING

The Nevada P20 Workforce Reporting (NPWR) system links the various data systems, automating the exchange of data and facilitating the assignment of unique IDs that will de-identify the data and enable the participating agencies and stakeholders (e.g. Executive Office, Nevada Legislature, Nevada policy makers) to augment their access, research, and reporting capabilities. NRS 386.650 mandates an automated system of accountability for Nevada that includes a system of identification that allows for identifying a student in both the public schools and Nevada System of Higher Education. Legislation enacted during the 2011 Legislative Session of the Nevada State Legislature requires linking data for workplace purposes (Senate Bill 449, NRS 397). NRS 612.265 defines the circumstances under which the Administrator of Department of Employment, Training and Rehabilitation-Employment Security Division may share employment information.

Budget Account: 3273 DETR - RESEARCH & ANALYSIS

The mission of the Research and Analysis Bureau (R&A) is to provide reliable and timely labor market and economic information and analyses. In partnership with the US Department of Labor, R&A is responsible for the collection, development, and dissemination of a variety of information such as labor force, employment, occupational, economic, and demographic data and analyses important to policymakers, the business community, and Nevada citizens. In addition, R&A provides analytical services and products designed to support the programs administered by the department, state, and local workforce investment boards.

Budget Account: 3274 DETR - INFORMATION DEVELOPMENT AND PROCESSING

The Department of Employment, Training and Rehabilitation's (DETR) Information Development and Processing Division (IDP) provides data processing and information technology support services throughout DETR. IDP oversees Nevada's workforce and rehabilitation information systems. These systems consist of automated business applications, online web services, and underlying technology infrastructure that supports Nevada's employers and job seekers. Each week DETR's workforce applications process hundreds of thousands of online and batch transactions and account for millions of dollars of business activity. IDP ensures high levels of system availability and performance for each of DETR's administered programs. Statutory Authority: NRS 232.910.

Budget Account: 3279 HHS-ADSD - DESERT REGIONAL CENTER

Desert Regional Center (DRC) provides support services for people of all ages with intellectual and/or developmental disabilities and their families. DRC serves the Las Vegas metropolitan area and Boulder City. Most services are funded by Medicaid through the Home and Community Based Waiver and Targeted Case Management. Each individual eligible for services is assigned a Service Coordinator that supports the individual with monitoring, assessing, referral and linkage to requested services through the person-centered planning process, with the goal of self-sufficiency, community inclusion and meaningful life. Additional services provided through DRC include respite; various levels of residential supported living arrangements to include 24 hour and intermittent; job training, day programming, and supported employment; psychological and behavioral assessments and intervention; nursing assessments and consultations; and quality assurance oversight. DRC also has a 48-bed licensed Intermediate Care Facility that provides comprehensive and individualized health care and rehabilitation services to individuals to promote their functional status and independence. Statutory Authority: NRS 433 and 435.

M150 ADJUSTMENTS TO BASE

This request recognizes the difference between the actual expenditures for fiscal year 2020 and the anticipated expenditures for the 2021-23 biennium. Budgeted growth of services and staff are phased in over the course of the biennium. This request adjusts the base year (fiscal year 2020) expenditures so services may continue at budgeted caseload levels. Adjustments include, but are not limited to: annualizing staff travel (Service Coordinators), contract rate changes, lease rate changes, equipment purchases, and data purchases.

M201	DEMOGRAPHICS/CASELOAD CHANGES This request funds an increase in projected Developmental Services caseload from 5,216 in fiscal year 2021 to 5,371 in fiscal year 2022 (a 2.97 percent increase over 2021) and 5,536 in fiscal year 2023 (a 6.13 percent increase over 2021). This request includes 18 new positions: 6 Developmental Specialists, 3 Psychiatric Nurses, a Health Program Manager, an Accounting Assistant, 2 Personnel Analysts, 2 Personnel Technicians, and 3 Administrative Assistants. Demand for Desert Regional Center (DRC) services continues to grow and decision unit M201 requests funding to provide staff and services for the projected growth through the 2021-2023 biennium. The agency is mandated to provide targeted case management to all individuals who qualify for services. These services are designed to serve individuals in their home community in community-based programs. The majority of the funding for the community-based programs are supported by Federal Medicaid funds which are matched by state general funds. Funding for projected growth in community-based services is also included. These services help individuals live as independently as possible in their community and include: Supported Living, Jobs & Day Training, and Self-Directed Family Supports (Respite). Supported Living (SLA) - Caseload projections indicate an additional 92 individuals will need SLA services over the course of the 2021-2023 biennium. To balance out the workload, the total increase is spread evenly over the entire biennium. Jobs & Day Training (JDT) - Caseload projections indicate an additional 134 individuals will need JDT services over the course of the 2021-23 biennium. This increase is spread evenly over the entire biennium to balance out the workload. Self-Directed Family Supports (Respite) - Caseload projections indicate an additional 120 individuals will need Respite services over the course of the 2021-2023 biennium. This increase is spread evenly over the entire biennium to balance out the workload. Approval of this decision unit will provide sufficient staffing to manage the increased caseload and provide funding for community-based services to help individuals live as independently as possible in their community. M510	MANDATES This request provides funding to eliminate the service waitlist of over 90 days for Supported Living and Jobs and Day Training programs. If funded, this request would reduce waiting lists for services pursuant to the U.S. Supreme Court Olmstead Decision, Olmstead v. L.C., 527 U.S. 581 (1999). The Olmstead decision specifies that States must have an effective comprehensive plan for serving qualified persons with disabilities in less restrictive settings. In addition, the ADA and the Olmstead decision extends to persons at serious risk of institutionalization or segregation and are not limited to individuals currently in institutional or other segregated settings. Compliance with the ADA and Olmstead is integral to Nevada's Strategic Plan for Individuals with Intellectual Disabilities. Demand for Developmental Services continues to grow and this decision unit requests funding to address the service waitlist for community based programs that help individuals live as independently as possible in their community. - Supported Living (SLA) - Requesting funding for an additional 180 individuals.

E380	SAFE AND LIVABLE COMMUNITIES				
	<p>This request funds an increase for provider agencies that specialize in supporting individuals with higher levels of support needs. This is a pilot program for six Behavioral Support Homes that support individuals with dual diagnoses of intellectual or developmental disabilities and mental illness.</p> <p>Developmental Services supports multiple individuals with dual diagnoses of intellectual or developmental disabilities and mental illness, some of whom exhibit high intensity maladaptive behaviors. All Regional Centers are currently struggling to properly support individuals with the most severe maladaptive behavioral concerns, often leading to these individuals unable to sustain residential placements and cycling through the jails, forensic hospitals, psychiatric hospitals, out-of-state institutional placements and the court system. Over the last two (2) years, Developmental Services has been speaking with multiple provider agencies across the country that specialize in supporting individuals with these higher levels of support needs. It is apparent through this research that the current maximum rate for residential services of \$6.25/15-minutes is not high enough to bring any of these specialized providers to Nevada and a rate of \$8.75/15-minutes is required. Developmental Services is requesting to pilot six (6) 4-person intensive behavioral support homes at DRC, starting with one (1) home in August 2022 and up to six (6) homes by June 2023, maintained throughout the remainder of the biennium. It is believed these homes will reduce the amount of time spent in jail, forensic hospitals, psychiatric hospitals and out-of-state institutional placements for these individuals, resulting in a stabilized residential placement and the potential to reduce the intensity of future service as that stability is maintained. Staff working in these homes will be required to have increased training requirements as well as higher wages in an attempt to promote stability and ensure increased levels of clinical service are provided.</p> <p>This is needed because Developmental Services is already serving multiple individuals that are unable to maintain residential placements due to the exhibition of intensive maladaptive behaviors. These individuals not only burn out our existing provider networks, but also frequent jail, forensic hospitals, psychiatric hospitals, out-of-state institutions and the court systems. Without a higher rate to pilot the six (6) intensive behavioral support homes, these individuals will continue to be unstable, with increased time and money spent by multiple Departments and Divisions of the State (Department of Corrections, Division of Public and Behavioral Health, court systems, etc.).</p> <p>[See Attachment]</p>

Budget Account: 3280 HHS-ADSD - SIERRA REGIONAL CENTER

Sierra Regional Center (SRC) provides support services for people of all ages with intellectual and/or developmental disabilities and their families. SRC serves all of Washoe County. Most services are funded by Medicaid through the Home and Community Based Waiver and Targeted Case Management. Each individual eligible for services is assigned a Service Coordinator (TCM) that supports the individual with monitoring, assessing, referral and linkage to requested services through the person-centered planning process, with the goal of self-sufficiency, community inclusion and meaningful life. Additional services provided through SRC include respite; various levels of residential supported living arrangements to include 24 hour and intermittent; job training, day programming, and supported employment; psychological and behavioral assessments and intervention; nursing assessments and consultations; and quality assurance oversight. Statutory Authority: NRS 433 and 435.

Item No	Description	Actual 2019-2020	Work Program 2020-2021	A00 Year 1 2021-2022	A00 Year 2 2022-2023
B000	BASE				
	This request continues funding for 83.02 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.				
	Pursuant to NRS Chapter 435, ADSD is responsible for the development, administration, coordination and evaluation of state treatment and training programs for individuals with developmental disabilities and related conditions. The regional centers provide case management and service coordination, residential support, family support/respite and jobs and day training to individuals with developmental disabilities and related conditions who require assistance to live in the least restrictive community setting possible. Services are primarily funded with General Fund appropriations and federal Medicaid funds. Federal Title XX funds and county reimbursements for services provided to children also support this budget.

3861	TITLE XIX - WAIVER	24,373,128	25,165,852	22,965,235	23,240,746
	This represents the Federal portion of Title XIX - Medicaid reimbursement for community-based services (Supportive Living Arrangement and Jobs and Day Training) provided under the Home and Community Based Waiver. This Federal portion is based upon the Federal Medical Assistance Percentage (FMAP) rate after application of the utilization rate (number of individuals eligible for Medicaid) for each program. The General Fund match is contained in this budget account.				
	Supportive Living Arrangements support individuals to live in integrated community settings and participate in the life of the community. Providers are responsible to help individuals to live as independently as possible in safe environments of their choice.				
	Jobs and Day Training assist individuals in obtaining meaningful employments and living skills. Individuals have a choice of a full range of work options that allow for the development of work skills and consistent employment.				
	Funds are expended in special use category 11 (Supportive Living Arrangement) and special use category 36 (Jobs and Day Training). [See Attachment]				
3862	TITLE XIX - COMMUNITY SERVICES	446,347	748,305	772,318	781,583
	This represents the Federal portion of Title XIX - Medicaid reimbursement that Sierra Regional Center receives for providing authorized billable Targeted Case Management services to qualified individuals. This Federal portion is based upon the current Federal Medical Assistance Percentage (FMAP) rate. The General Fund match is contained in this budget account.				
	Targeted Case Management services are services which assist an individual in gaining access to needed medical, social, educational, and other supportive services. Allowable case management services and activities are: 1) Assessment of the eligible individual to determine service needs; 2) Development of a specific care plan; 3) Referral and related activities to help the individual obtain needed services; 4) Monitoring and follow-up; 5) Evaluation.				
	Funds are expended in categories 1, 3, 4, 5, 7, 26, 30, 59, 82, and 87. [See Attachment]
