# AGRI - PREDATORY ANIMAL & RODENT CONTROL

## 101-4600

**PROGRAM DESCRIPTION**

NRS 567.010-090 authorizes the State Predatory Animal and Rodent Committee (PARC) to cooperate with the U.S. Department of Agriculture (USDA) for the control of predatory animals and crop-destroying birds and rodents within the State of Nevada. PARC and the USDA collectively form the Nevada Wildlife Services Program (WS). The WS also works cooperatively with the Nevada Department of Wildlife to conduct predation damage management projects to protect Nevada's natural resources, such as, mule deer, sage grouse, and bighorn sheep. These projects also help protect the public from large predators such as mountain lions, black bears, and coyotes.

The mission of the WS is to provide leadership in managing problems caused by wildlife. WS recognizes that wildlife is an important public resource highly valued by the people of Nevada. Wildlife is a highly dynamic and mobile resource that can damage agricultural and industrial resources, pose risks to human health and safety, and affect other natural resources. The program carries out the state and federal responsibility for helping to solve problems that occur when human activity and wildlife are in conflict with one another. Statutory Authority: The Animal Damage Control Act of March 2, 1931, as amended (46 Stat. 1486; 7 U.S.C. 426-426b) and the Rural Development, Agriculture and related agencies Appropriation Act, 1988 (P.L. 100-202) authorizes the USDA's Wildlife Services program to form cooperative programs with state agencies.

## AGRI - CONSUMER EQUITABILITY

### 101-4551

**PROGRAM DESCRIPTION**

The powers and duties of the Division of Consumer Equitability are mandated in NRS Chapters 581, 582, and 590. The State Sealer of Consumer Equitability, the Department Director, is directed to license, test, and deem correct all commercially used weighing and measuring devices. The division obtains samples of motor fuels sold at retail and delivers them to the petroleum chemists for analysis. If any violations are noted in the device inspections, packaging, scanners, or motor fuel, the inspectors take regulatory action to obtain compliance. The division also maintains the metrology lab which houses the state standards for mass, length, and volume. The metrologist certifies the field standards used by Consumer Equitability inspectors and registered service agents. Licensed public weigh masters certify weight information for a fee. The division inspects scales and audits weigh tickets for compliance, per NRS Chapter 582. The inspection of the advertising and labeling of motor fuel dispensers, storage tanks, and quality of the fuels is covered in the petroleum act, as cited in NRS Chapter 590. The responsibility of this division also includes the inspection of packaged goods to determine whether the stated amounts, sizes, and pricing are correct.

Additionally, state law mandates the adoption of standards relating to fuel used in internal combustion engines and the testing of fuel against acceptable standards to ensure clean burning, high quality motor fuel. In order to enforce these standards, sampling and testing of fuel collected is conducted throughout the state. Inspectors then investigate any possible violations. Statutory Authority: NRS 590.010 through NRS 590.150.

**E225 EFFICIENT AND RESPONSIVE STATE GOVERNMENT**

This request funds the addition of one Administrative Assistant II position to the Carson City Licensing Unit, to service Mortgage Lending Division (MLD) constituents.

The MLD Licensing staff has been staffed at the same level since 2010, to facilitate the processing and maintenance of agent applications/licenses. Due to recovery of the industry, the license numbers of mortgage agents have more than doubled since 2014.

Additionally, due to recent changes in the National Mortgage Lending System (NMLS) credit reports and the implementation of the use of Lexis Nexis for complete reporting, the licensing office has found numerous deficiencies that are required by Nevada State law that were not being reported through TransUnion reports provided through NMLS.

Additionally, the use of the Lexis Nexis system creates a need for additional time to process each application.

# B&I - CAPTIVE INSURERS

## 504-3818

**PROGRAM DESCRIPTION**

A captive insurer is an insurance company established and owned by a parent firm in order to insure its loss exposures while reducing premium costs, providing easier access to a reinsurer and perhaps easing tax burdens. Risk retention groups and risk purchasing groups are similar insurers, owned by their members or to purchase insurance as a group, respectively, by virtue of federal law. The captive insurer section's budget was established by the 1999 Legislative Session. All fees and assessments received by the Division of Insurance pursuant to NRS 694C must be credited to the account. In addition, 25 percent of the premium tax imposed under NRS 694C.450 must be deposited for the regulation and supervision of captive insurers. At the end of each fiscal year the portion of the balance in the account that exceeds $500,000 must be transferred to the state General Fund. Statutory Authority: NRS 694C and 695E.

**BASE**

This request continues funding for two positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

# B&I - WEATHERIZATION

## 101-4865

**PROGRAM DESCRIPTION**

The Weatherization Program works in combination with the Federal Department of Energy's Weatherization Grant Program, the state's Universal Energy Charge (tax), other state agencies and the private sector to help low-income families improve energy efficiency for their homes, minimizing utility costs. Most funds are expended through sub-grantees who are carefully trained and monitored in their efforts to test for weather-related air and water leakages in homes and multi-family projects of low income families. Once a dwelling unit is determined to need specific assistance, insulation, windows, doors, heaters or water heaters are procured and installed by licensed contractors. The staff conduct quality control audits, training programs and assist in outreach efforts. Statutory authority: NRS 702.250.

**BASE**

This request continues funding for two positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

# GOED - RURAL COMMUNITY DEVELOPMENT

## 101-1528

**PROGRAM DESCRIPTION**

The Rural Community Development budget houses the state's Community Development Block Grant (CDBG) Program on behalf of small cities and rural counties in Nevada. The goal of the CDBG Program is to build rural Nevada communities where current and future generations can choose to live healthy, productive, and prosperous lives. Through collaboration with various government agencies, businesses and non-profit groups, the CDBG Program assists rural communities to remain economically viable by improving living conditions and providing economic opportunities through the administration of Nevada's share of the federal Community Development Block Grant, as well as providing training and technical assistance. The CDBG Program helps provide communities with adequate infrastructure, suitable housing and living environments, and encourages sustainable community and economic development. Activities are focused primarily for the benefit of low-to-moderate income persons. Statutory/Regulatory Authority: NRS Chapter 231, 24 CFR Part 570, 24 CFR Part 91.

**BASE**

# GOED - PROCUREMENT OUTREACH PROGRAM

## 101-4867

**PROGRAM DESCRIPTION**

The Procurement Outreach Program budget houses the Nevada Procurement Technical Assistance Center (PTAC), which provides assistance to Nevada businesses to enable them to identify potential contractual opportunities with federal and/or state and local governments and government prime contractors and to obtain or perform under contracts with these entities. Specialized assistance from the PTAC may include: locating marketing opportunities for Nevada businesses; educating clients about electronic commerce with government entities; assisting with various registrations and certification requirements; and bid/proposal preparation for submission to government entities. The result is creating jobs for Nevadans through businesses successfully contracting with the government. This will bring federal funding to the state and keep local tax dollars in Nevada. Statutory Authority: NRS Chapter 231 and Title 10 USC Chapter 142.

**BASE**

This request continues funding for seven positions and associated operating costs. One time expenditures have been eliminated and partial year costs have been annualized.

# GOED - NEVADA SSBCI PROGRAM

## 101-1521

**PROGRAM DESCRIPTION**

The Small Business Jobs Act of 2010 (the Act) was created to help increase credit availability for small businesses. The Act created the State Small Business Credit Initiative (SSBCI) and appropriated $1.5 billion to be used by the US Department of the Treasury to provide direct support to states for use in programs designed to increase access to credit for small businesses. Nevada's allocation was $13.8 million. Participating states use federal funds for programs that leverage lending to help finance small businesses and manufacturers that are creditworthy, but have not been able to access loans they need to expand operations and create jobs. In 2017, the US Treasury transferred the program to state ownership. The program currently consists of two initiatives:

1. Collateral Support Program - allows cash collateral up to 35% of a loan to a qualified business to be placed on account at the lending institution. This collateral may be drawn upon on a proportional risk basis in the event of default.

2. Battle Born Venture Capital Program - provides equity and equity-like funding to start-up and growing companies. Companies must have sales to qualify.

**BASE**

This request continues funding for one position and associated operating costs. One time expenditures have been eliminated and partial year costs have been annualized.

## GOED - WORKFORCE INNOVATIONS FOR A NEW NEVADA ACCT

### 101-1531

**PROGRAM DESCRIPTION**

The Workforce Innovations for the New Nevada (WINN) account was established as a result of the approval of Assembly Bill 1 of the 29th Special Session of the Nevada Legislature. The legislation requires the Governor's Office of Economic Development to develop and implement programs to provide customized workforce development services to companies that create and expand businesses in the state and/or relocate businesses to the state. The legislation was inspired by the need for customized workforce training in advanced manufacturing and related skills to serve the needs of emerging industries in the state. Statutory Authority: NRS 231.141 through NRS 231.152.

**BASE**

This request continues funding for ongoing programs. One-time expenditures have been eliminated and partial year costs have been annualized.

**ENHANCEMENT**

**E275 EDUCATED AND HEALTHY CITIZENRY**

This decision unit funds an ongoing effort to remain responsive to Nevada's commitment to workforce development with the continuation of the Workforce Innovations for a New Nevada (WINN) program. WINN was developed to enable strategic investments in the development of the workforce needed for new high-skill and high wage jobs and will continue to align with statewide efforts to enhance economic diversity and prosperity for all Nevadans. WINN supports the needs of industry, in both localized strategy and statewide approaches, to leverage existing workforce development framework to provide wraparound services and sustainable pipelines, to collect data and share best practices for new economic models and to generate additional federal investments in Nevada's workforce development efforts. It is the intention of the agency to identify projects and to obligate the requested funds during state fiscal year 2020 and balance forward any unspent funds to state fiscal year 2021. This will allow for the completion of multiple year WINN projects and also allow for the liquidation of all expenses prior to closing the state fiscal year. GOED staff are compiling a list of potential projects that could be funded during the next biennium with funds made available. This list will be comprised of requests that will not fit into the current schedule of full completion on or before the end of the current state fiscal year.

# GOED - NEVADA KNOWLEDGE FUND

## 101-1533

**PROGRAM DESCRIPTION**

The Knowledge Fund was created with the passage of Assembly Bill 449 (2011) as part of the restructuring of Nevada's economic development agency. The Knowledge Fund spurs research and the commercialization of research in areas the state has targeted for economic growth. Commercialization in knowledge-based industries creates high-paying jobs and generates tax revenue in addition to strengthening research and development in Nevada's targeted industries. The Fund provides grants in five allowable areas, including: establishing technology outreach programs throughout the state; recruiting, hiring, and retaining research teams and faculty; funding research laboratories and related equipment; constructing research facilities; and matching funds for federal and private sector grants and contract opportunities. Statutory Authority: NRS 231.1591 through NRS 231.1597.

# TOURISM - NEVADA HUMANITIES

## 101-2894

**PROGRAM DESCRIPTION**

Nevada Humanities is a non-profit, nationally-recognized program that works in partnership with local communities to develop and fund humanity activities and educational programs. Established under provisions contained in the federal legislation creating the National Endowment for the Humanities, Nevada Humanities creates an environment conducive to economic development, heritage tourism, and quality education by fostering humanities activities such as lectures, exhibits, publications, book festivals, historic performances, teacher institutes, documentary films, interpreted art presentations, and a humanities grants program. After four consecutive biennia of legislative provisions of one-shot funding to support a southern Nevada office, the 2005 Legislature converted the one-shot funding request to an ongoing General Fund appropriation.

**BASE**

This request continues funding for ongoing programs. One-time expenditures have been eliminated and partial year costs have been annualized.

# TOURISM - MUSEUMS & HIST - LOST CITY MUSEUM

## 101-1350

**PROGRAM DESCRIPTION**

The Lost City Museum in Overton, Nevada, located near the Moapa Paiute Indian Reservation, serves the public by studying, preserving, and protecting ancient Puebloan sites and artifacts found in the Moapa Valley area and interpreting these collections through exhibits, public programs, and publications. The Lost City Museum facility is itself an artifact, a Civilian Conservation Corps reproduction of an adobe pueblo dwelling complex, which has been preserved for future generations. An active archaeological program sponsors pottery workshops and other educational programs as well as occasional archeological digs. Interior and exterior exhibits on the grounds attract numerous tourists interested in topics relating to the Anasazi Pueblo complex, other early Native American cultures of southern Nevada, and the later history of the Moapa Valley, including Mormon settlement, mining, and railroads. The museum serves regional audiences of Native Americans, youth, students, families, adults, and a wide-reaching network of scholars and researchers interested in Native American cultures. Statutory Authority: NRS 381.

## TOURISM - MUSEUMS & HIST - NEVADA STATE MUSEUM, CC
### 101-2940

**PROGRAM DESCRIPTION**

The Nevada State Museum, located in the state capital of Carson City, is the state's largest museum. Housed in the historic 1869 Carson City Mint building and listed on the National Register of Historic Places, the museum is an icon and historical artifact. The museum serves the public through extensive collections, education, and exhibition programs related to Nevada's rich heritage of prehistory, history, and natural history. The museum preserves collections at several locations, including the Marjorie Russell Clothing and Textile Research Center and the Indian Hills Curatorial Center. The museum also provides technical assistance for Nevada's non-state museums' public history support for a variety of reference and public program requests, and fosters occasional archaeological and natural history fieldwork. America's largest exhibited Imperial Mammoth; Dat So La Lee Baskets; "U.S.S. Nevada" silver service; a replica walkthrough mine and ghost town; and Coin Press No. 1 are all on exhibit. Statutory Authority: NRS 381.

**BASE**

This request continues funding for 20.53 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

**DTCA - NEVADA ARTS COUNCIL -** The Nevada Arts Council (NAC) was established by state law in 1967 to enrich the cultural life of the state through leadership and programs that preserve, support, strengthen, and make accessible excellence in the arts for citizens and tourists alike. NAC accomplishes this through: (1) awarding grants that support a breadth of arts and cultural activities throughout Nevada such as folklife festivals, youth artwork projects, concerts, lecture series, arts and healing programs, and visual arts exhibits; (2) designing and managing outreach programs and initiatives open to residents in all geographic regions of the state, such as the Folklife Education Initiative and Poetry Out Loud; (3) providing professional development opportunities, such as workshops, webinars, and conferences; and (4) maintaining active partnerships with communities and tribal agencies, schools and educators, arts organizations and artists, and nonprofit and for-profit businesses.

# TOURISM - NEVADA ARTS COUNCIL

## 101-2979

**PROGRAM DESCRIPTION**

The Nevada Arts Council (NAC) is the sole and official agency of the state to receive and distribute funds from the National Endowment for the Arts. The NAC was established in 1967 to enrich the cultural life of the state through leadership and programs that preserve, support, strengthen and make accessible excellence in the arts for citizens and tourists alike. NAC accomplishes this through: (1) awarding grants that support a breadth of arts and cultural activities throughout Nevada; (2) designing and managing outreach programs and initiatives available to all geographic regions of the state; (3) providing professional development opportunities; and (4) maintaining active partnerships with communities and tribal organizations, schools and educators, arts organizations and artists, and nonprofit and for-profit businesses. The NAC manages six programs: Artist Services, Arts Learning, Community Arts Development, Folklife, Grants, and Public Information and Arts Initiatives. Statutory Authority: NRS 233C.

## HHS-DO - GRANTS MANAGEMENT UNIT
## 101-3195

**PROGRAM DESCRIPTION**

The Office of Community Programs and Grants consolidates the function and management of grant programs that pass funds through to community level and state sub-recipients. This unit was created to ensure the standardization of procedures, simplification of accounting, and co-location of staff. The efficiencies realized allow the department to use fewer funds for administrative purposes and to pass more funds to grantees providing direct services. Grantees have also benefited from the standardized procedures used to request funding.

**BASE**

This request continues funding for 9.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

Early intervention personnel provide administrative and physician support for specialty clinics for children in the areas of genetic disorders, metabolic disorders, and craniofacial anomalies. Nevada Early Intervention Programs provide early intervention services in all of Nevada's 16 counties. Regional offices are located in Reno, Carson City, Winnemucca, Elko, Ely, and Las Vegas.

# HHS-ADSD - FAMILY PRESERVATION PROGRAM

## 101-3166

**PROGRAM DESCRIPTION**

The Family Preservation Program provides financial assistance on a monthly basis to low-income families residing in Nevada who are providing care in their home for family members with a profound or severe intellectual disability. Also covered are children under six years of age who have developmental delays that require support equivalent to that required by a person with profound or severe intellectual or developmental disabilities. The purpose of this assistance is to help offset expenses necessary to meet the special needs of the person with intellectual disabilities and to help strengthen and support families, thereby keeping families intact and reducing the need for out-of-home placement. Families use assistance payments to obtain specialized supplies or equipment (wheelchairs, clothing, diapers, therapy services, special diets, transportation services) and general income supplementation. Statutory Authority: NRS 435.365.

Operational and maintenance costs to ensure compliance and effective oversight are included.

7. **Surveillance and Utilization Review (SUR) Unit -** Expansion of ongoing program integrity initiatives within the SUR, Provider Enrollment and Recovery Units. # HHS-HCF&P - INTERGOVERNMENTAL TRANSFER PROGRAM

## 101-3157

**PROGRAM DESCRIPTION**

The Intergovernmental Transfer (IGT) budget account collects payments from counties and other public entities to be used as non-federal share of Medicaid supplemental payments, thus reducing the need for General Fund appropriations. The IGT budget account collects payments from Clark and Washoe counties in support of supplemental Disproportionate Share Hospital (DSH) payments to hospitals. DSH payments support facilities that serve a disproportionate share of Medicaid, indigent, or other low-income patients. This reduces the burden of uncompensated costs for these facilities. The IGT budget account collects payments from counties, county hospital districts, and other public entities to support supplemental Upper Payment Limit (UPL) payments to providers for inpatient and outpatient hospital services, and Graduate Medical Education. The UPL program allows supplemental payments to certain providers to fill the gap in payments from what Medicaid reimburses compared to the upper payment limit of what the Medicare program would reimburse for the same services. In addition, the IGT collect payments from school districts and emergency para-transit transportation services to facilitate Medicaid payments for services to Medicaid recipients. All payments are deposited to this account and transferred as needed to Nevada Medicaid, budget account 3243, for medical payments; to Health Care Financing and Policy, budget account 3158, for related administrative costs; and Nevada Check Up (NCU), budget account 3178, for medical payments. The remainder, if any, is balanced forward to reserve.

Statutory authority: NRS 422.380 through 422.390 and the Nevada State Plan under Title XIX of the Social Security Act.

**BASE**

This request continues funding for the Intergovernmental Transfer program. One-time expenditures have been eliminated and partial year costs have been annualized.

## HHS-HCF&P - INCREASED QUALITY OF NURSING CARE
### 101-3160

**PROGRAM DESCRIPTION**

The Increased Quality of Nursing Care budget account was established when the 2003 Legislature instituted a long-term care provider tax on freestanding long-term care facilities to increase the quality of long-term nursing care in Nevada. The tax rate is based on 6% of net patient revenues (42 CFR 433.68). The proceeds of the tax are deposited to this account and used as the non federal share of a supplemental payment to free standing nursing facilities in Nevada. The funds collected are transferred as needed to Nevada Medicaid, budget account 3243, to make supplemental payments to skilled nursing facilities caring for Medicaid recipients and to Health Care Financing and Policy, budget account 3158, for related administrative costs. The remainder, if any, is balanced forward to reserve.

Statutory authority: NRS 422.3755 through 422.379.

**BASE**

This request continues funding for programs funded by the Long-Term Care Provider Fee. One-time expenditures have been eliminated and partial year costs have been annualized.

## HHS-HCF&P - NEVADA CHECK UP PROGRAM

### 101-3178

**PROGRAM DESCRIPTION**

The Nevada Check Up Program budget account was established when Nevada initiated a Children's Health Insurance Program (CHIP) in 1998. Under Title XXI of the Social Security Act, CHIP provides options for states to cover health care costs for low-income, uninsured children not eligible for Medicaid, whose family income is at or below 200% of the federal poverty level. The Nevada Check Up Program is a stand-alone program. It is not an entitlement program nor is it part of the Medicaid Program. Families are assessed quarterly premiums based on family size and income. The Division of Welfare and Supportive Services and the Department of Health and Human Services, Office of Analytics provide recipient caseload forecasts. Cost-per-eligible recipient data is produced from the Medicaid Management Information System and is based on paid medical claims history. This data is factored with the caseload projections to produce budgeted medical expenditures. Statutory Authority: NRS 432A.300, NRS 422, Federal Title XXI of the Social Security Act, and Section 42 of the Code of Federal Regulations.

**BASE**

This request continues funding for ongoing programs and services of the Nevada Check-Up program. One-time expenditures have been eliminated and partial year costs have been annualized.

## HHS-HCF&P - NEVADA MEDICAID, TITLE XIX

### 101-3243

**PROGRAM DESCRIPTION**

This budget account represents Medicaid medical costs for the Division of Health Care Financing and Policy as authorized by Federal Title XIX of the Social Security Act. The division's mission is to purchase and provide quality health care services to low-income Nevadans in the most efficient manner; promote equal access to health care at an affordable cost to the taxpayers of Nevada; restrain the growth of health care costs; and review Medicaid and other State health care programs to maximize potential federal revenue. Federal regulations define mandatory recipient groups to be covered. The Division of Welfare and Supportive Services and the Department of Health and Human Services, Office of Analytics provide recipient caseload forecasts. Cost-per-eligible recipient data is produced from the Medicaid Management Information System and is based on paid medical claims history. This data is factored with the caseload projections to produce budgeted medical expenditures. Statutory Authority: NRS 422, NRS 439B, Federal Title XIX of the Social Security Act, Section 42 Code of Federal Regulations, and the Nevada State Plan.

**BASE**

This request continues funding for the ongoing programs and services of the Nevada Medicaid program. One-time expenditures have been eliminated and partial year costs have been annualized.

## HHS-WELFARE - TANF
### 101-3230

**PROGRAM DESCRIPTION**

The Temporary Assistance for Needy Families (TANF) program provides cash assistance to low income families with children as the parents work toward becoming self-sufficient. The program's goal is to reduce the number of families living in poverty, through employment and community resources. TANF is a needs-based program for families with children under age 18 (or under age 19 if the child is in high school) who need financial support because of: death of a parent; parent is absent from the home; physical or mental incapacity; or unemployment of parent.

The four purposes of TANF are 1) provide assistance to needy families so children may be cared for in their homes or in the homes of relatives; 2) end the dependence of needy parents on government benefits by promoting job preparation, work, and marriage; 3) prevent and reduce the incidence of out-of-wedlock pregnancies; 4) encourage the formation and maintenance of two-parent families.

TANF is federally funded through a block grant from the Federal Department of Health and Human Services. Under the maintenance of effort (MOE) provision in the federal regulations, states are required to contribute money equal to 80% of the amount spent on Aid to Families with Dependent Children (AFDC) and AFDC-related programs during FY 1994. The 80% MOE can be reduced to 75% for each year the work participation rates are met. For Nevada, the total TANF MOE is $27,188,122 of which $24,607,702 is in the TANF budget account. The remaining $2,580,420 is spent in the Child Care budget (3267), which is counted as MOE for both TANF and Child Care. If TANF contingency funds are received, a 100% MOE match is required.

The TANF program mandates the state to participate in a Child Support Enforcement Program. Statutory Authority: NRS Chapter 422A.

# HHS-WELFARE - ASSISTANCE TO AGED AND BLIND

## 101-3232

**PROGRAM DESCRIPTION**

The State Supplemental Assistance Program provides an additional payment to low income aged and blind individuals receiving Supplemental Security Income (SSI) and provides adult group care facilities with a greater supplement to assist recipients in avoiding or delaying institutionalization. The federal government started the SSI program on January 1, 1974. The program is administered by the Social Security Administration (SSA) and states were given the option to make payments in addition to the amount paid by the federal government. Nevada has paid a state supplement to the aged and blind since the start of the program. The prevention or delay of institutionalization results in cost savings for the Medicaid program.

The Division of Welfare and Supportive Services contracts with the SSA to determine eligibility for and issue the state supplement. States pay a per check charge for each SSI payment made. The state supplement and federal payment are paid monthly to the recipient and combined in one check from the SSA. Statutory Authority: NRS Chapter 422A.

# HHS-WELFARE - WELFARE FIELD SERVICES

## 101-3233

**PROGRAM DESCRIPTION**

The Welfare Field Services budget provides staff salaries and operating expenses for the various programs administered by Division of Welfare and Supportive Services. This budget account primarily consists of Family Services Specialists who determine eligibility for the major program areas which include: Temporary Assistance for Needy Families; Supplemental Nutrition Assistance Program; various Medicaid programs; and Children's Health Insurance Program. Family Services Specialists and Social Workers provide employment and support services to assist the needy in overcoming barriers to self-sufficiency.

The federal government mandates specific quality and performance measures for eligibility, client support, and periodic reviews of client circumstances. The state is subject to penalties in the form of grant reductions for non-compliance with the performance measures. If penalized, the state is required to replace the grant reductions with General Fund appropriations restoring the available program funding to the pre-penalty level. Additionally, program integrity and fraud protection is an integral part of Welfare Field Services responsibility.

Welfare Field Services is required to provide service and appropriate eligibility to anyone seeking access to DWSS administered programs. All requests are provided a consistent level of quality service. Statutory authority: NRS Chapter 422A.

**BASE**

This request continues funding for 1,484.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

## HHS-WELFARE - CHILD SUPPORT ENFORCEMENT PROGRAM

### 101-3238

**PROGRAM DESCRIPTION**

The Child Support Enforcement program is a family-first program intended to ensure families can achieve safe, stable, and healthy lives by making child support a more reliable source of income. Services are available to a parent with custody of a child whose other parent is living outside the home and are automatic for families receiving assistance under the Temporary Assistance for Needy Families program.

The program's goals are to ensure children have the financial and medical support of both their parents; foster responsible behavior towards children; and emphasize the children's need to have both parents involved in their lives. In Nevada, this program is administered by the Division of Welfare and Supportive Services (DWSS) and jointly operated with participating county district attorneys' offices through interlocal agreements. Statutory Authority: NRS Chapters 31A and 425

**BASE**

This request continues funding for 69 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

# HHS-WELFARE - CHILD SUPPORT FEDERAL REIMBURSEMENT

## 101-3239

**PROGRAM DESCRIPTION**

The Child Support Federal Reimbursement budget account is used to pass through federal payments to participating district attorneys' offices for the federal share of costs and incentive payments associated with their local child support enforcement programs. Currently, 9 of the 17 Nevada district attorneys participate in the program under contract to provide intake, location of non-custodial parents, paternity establishment, financial and medical support order establishment, and other enforcement activities. This budget account was created in the 1999 budget process to separate the child support program's state administrative costs in budget account 3238 from the pass-through of federal funds to the local district attorneys. Statutory Authority: NRS Chapters 31A and 425

**BASE**

This request continues funding for ongoing programs. One-time expenditures have been eliminated and partial year costs have been annualized.

2) At-Risk - provides child care payments for non-TANF clients who are income eligible for TANF

3) Discretionary - provides child care and related payments for non-TANF eligible clients

Statutory Authority: NRS Chapter 422A.

## HHS-WELFARE - ENERGY ASSISTANCE PROGRAM

### 101-4862

**PROGRAM DESCRIPTION**

The mission of the Energy Assistance Program (EAP) is to assist eligible Nevada citizens in meeting their heating and cooling needs. The EAP provides payments for eligible households, which can be applied to either their heating or cooling providers, or split between the two. In addition, the EAP program provides arrearage assistance to eligible households affording them the opportunity to use their annual EAP benefit allotment as a subsidy to meet monthly heating/cooling costs. EAP payment funding is provided by the Low Income Home Energy Assistance block grant and through the Fund for Energy Assistance and Conservation (budget account 6031), which was created as a result of legislation approved during the 2001 Legislative Session to collect a Universal Energy Charge from certain electric/gas utilities. Statutory Authority: NRS Chapters 422A and NRS 702.

**BASE**

This request continues funding for 21 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.
