SUBJECT: Telephone Number for Reporting Abuse, Fraud or Waste – Fraud Hotline

The State of Nevada will not tolerate fraud, waste or abuse of state and federal funds. To heighten accountability and awareness, the Department of Administration has established a telephone number for reporting information relating to abuse, fraud or waste of public money received by an agency or contractor. Public money includes state funds and federal funds received by an agency for distribution and use in this State.

In compliance with [Assembly Bill 327](#) of the 2013 Legislative session, the Division of Internal Audits will be distributing to all state agencies a flyer with information about the phone number for this Fraud Hotline. Per Section 2 of AB 327, these flyers must be conspicuously posted in each public building of your agency. A copy of the notice is also available on the Department of Administration website at http://admin.nv.gov/uploadedFiles/adminnvgov/content/Documents/AB_327_Fraud_Hotline_Flyer.pdf.

I encourage you to share this information with all employees, sub-recipients and vendors as well.

If you have any questions, you may contact Lori Hoover, Financial Manager, with the Division of Internal Audits at 775-687-0120.
