It is with a combination of happiness and sadness that I announce the retirement of Janet Murphy, Deputy Director, Governor's Finance Office, effective October 13, 2017.

Janet has served as the Deputy Director since August 2014 and has previously served in several management positions in the state over her 18 year career. Her knowledge, wisdom and understanding of the state budget process have left a lasting impression on all those who have had the good fortune to work with her.

In the next six weeks Janet will be handing over the responsibilities of the Deputy Director position to Paul Nicks.

Please join me in extending a fond farewell to Janet and congratulation to Paul on his new position.
