To: All Agencies  
From: Susan Brown, Director  
Subject: AEGIS/REGI Rate Subsidy

Section 131.3 of Assembly Bill 3 passed during the 31<sup>st</sup> Special Session requires agencies to pay for only 11 months of subsidies for Active Employee Group Insurance and Retired Employee Group Insurance. Section 131.5 of the same act requires the Budget Division to process work programs to provide for the reversion of the General Fund and Highway Fund appropriations to record the savings for the one-month suspension in the Reserve for Reversion category. These work programs are in process with a numbering of 21AS followed by the budget account number (i.e. Department of Taxation's work program number is 21AS2361).

The Budget Division will also process the journal vouchers to move cash from the Reserve for Reversion category to the General Fund.

Please contact your assigned Executive Branch Budget Officer if you have any questions regarding the above information.
