ALL AGENCY MEMO – 2026-04

March 31, 2026

To: All Agencies

From: Tiffany Greenameyer, Director 

Subject: Agency Request Limits for the 2027-2029 Biennium

As presented at the Budget Kickoff and outlined in the 2027-2029 Budget Building Manual, certain agencies must adhere to Agency Request Limits. Agencies receiving General Fund Appropriations or whose budget accounts indirectly receive funding from those sources such as Internal Services Accounts or Cost Allocated accounts are subject to the Agency Request Limits.

The Budget Division has calculated the agency request limits for General Fund and Internal Service Fund accounts based on the Fiscal Year 2027 Legislatively Approved funding and adjusted for one-time expenditures and CBA salary adjustments. The annual amounts were multiplied by two and can be reviewed on the accompanying spreadsheet.

Calculation Method:

To determine the biennial target amount, the Budget Division applied the following formula:

- Begin with the FY27 L01 approved budget (NSHE begins with FY26 L01).
- Subtract one-time adjustments.
- Add the CBA-authorized 1% COLA for union members.
- Multiply the result by two.

- Add Continuity of Service payments.

Enhancement Requests:

Enhancements that exceed the General Fund or Internal Service Fund targets must be included in the NEBS Items for Special Consideration (A02) version. Likewise, any M425 deferred maintenance units that exceed the agency request limit must be placed in the Items for Special Consideration version.

Please note that the following decision units fall outside the agency limits:

M100 – System-generated inflation (Budget Division only)

M101 – Agency-specific inflation

M201 – Legislatively approved caseload changes

M500 – Federal mandates

M600 – Court orders

An accompanying form is provided to document compliance with the agency request limits. Agencies must complete a separate form for each General Fund or Internal Service Fund target and include all required forms with the budget submission no later than September 1, 2026.

If you have questions or need additional guidance, please contact your assigned Executive Branch Budget Officer.
