What to Report

Reportable situations include:

- Creating fictitious vendors or employees
- Falsifying invoices or transactions
- Executing related party transactions
- Receiving kickbacks
- State-funded travel that is not consistent with job duties
- Incomplete support for payment, i.e., no hotel receipt for travel expense claim
- Unusual purchases or purchases not included in the approved budget
- Management override of controls
- Unusually close relationship with a vendor

Communicate

We encourage Nevadans to remain vigilant and to report fraud or any potential concerns of fraud, waste, and abuse to the hotline or **confidential** email. iaudits@finance.nv.gov
