Technical Advisory Committee on Future State Revenues October 30, 2024, Meeting - 10/29/2024 - 12:00 PM

							YEAR-TO-DATE [b.]				
DESCRIPTION	FY 2022 ACTUAL	% Change	FY 2023 ACTUAL	% Change	FY 2024 ACTUAL	% Change	FY 2024 SEPTEMBER	FY 2025 SEPTEMBER	\$ Difference	% Change	

#### NOTES:

[b.] The fiscal year-to-date amounts for Sales and Use Tax, Cigarette Tax, Liquor Tax, Other Tobacco Tax, Live Entertainment Tax-Nongaming and Gaming, and all of the taxes and fees listed under Gaming-State are based on actual amounts reported by the Department of Taxation and Gaming Control Board. The fiscal year-to-date amounts for the Secretary of State License revenues are based on actual amounts reported by the Secretary of State. The fiscal year-to-date amounts for all other General Fund revenue sources shown in the table represent the figures obtained from the Controller's system through September 30 of FY 2024 and FY 2025. The amounts for revenue sources from the Department of Taxation represent the fiscal year-to-date amounts through the first month (for monthly tax sources).

#### FY 2020: Notes 1 through 8 represent legislative actions approved during the 2019 Legislative Session.

- [1-20] A.B. 445 requires a marketplace facilitator, defined as a person who facilitates the sale of tangible personal property by a marketplace seller in the state of Nevada, to collect and remit sales and use taxes on certain sales that are facilitated on behalf of the marketplace seller, effective October 1, 2019. Estimated to generate \$16,459,000 in FY 2020 and \$21,945,000 in FY 2021 for the State 2% rate. This requirement is also estimated to increase collections for the General Fund Commissions by \$668,000 in FY 2020 (LSST: \$160,000; BCCRT: \$72,000; SCCRT: \$252,000; PTT: \$184,000) and \$892,000 in FY 2021 (LSST: \$214,000; BCCRT: \$96,000; SCCRT: \$246,000).
- [2-20] S.B. 535 removes the requirement that an amount equal to \$2 per slot machine collected from quarterly restricted and non-restricted slot machine fees be allocated to the Account to Support Programs for the Prevention and Treatment of Problem Gambling. Estimated to generate \$1,303,100 in FY 2020 (Non-restricted: \$1,149,400; Restricted: \$153,700) and \$1,298,800 in FY 2021 (Non-restricted: \$1,143,900; Restricted: \$154,900).
- [3-20] A.B. 535 increases the existing license fee on wholesale dealers of cigarettes, which is currently distributed between the State General Fund and local governments, and establishes new license fees for manufacturers, wholesale dealers of other tobacco products, and tobacco retailers. This bill requires all license fee proceeds to be retained by the Department of Taxation to administer and enforce the cigarette and OTP statutes. This action to require the license fees on wholesale dealers of cigarettes to be retained by the Department is estimated to reduce General Fund revenue by less than \$10,000 per year in FY 2020 and FY 2021; thus, no adjustment is made to the forecast.
- [4-20] S.B. 551 permanently repeals the provisions requiring the Modified Business Tax (MBT) tax rates on nonfinancial institutions (MBT-NFI), financial institutions (MBT-FI), and mining companies (MBT-Mining) to be reduced by the Department of Taxation if actual collections from these taxes, in combination with collections from the Commerce Tax and Branch Bank Excise Tax and tax credits taken against the MBT, are more than 4% above the Economic Forum's May forecast in any even-numbered fiscal year.

As a result of the passage of this bill, the rates for the MBT-NFI, which was to be reduced to 1.378% for all taxable wages in excess of \$50,000 per calendar quarter, and the MBT-FI and MBT-Mining, which were to be reduced to 1.853% for all taxable wages, effective July 1, 2019, will remain at the current rates of 1.475% (for the MBT-NFI) and 2% (for the MBT-Mining), on and after that date. Estimated to generate \$48,166,000 in FY 2020 (MBT-NFI: \$44,101,000; MBT-FI: \$2,335,000; MBT-Mining: \$1,730,000) and \$49,998,000 in FY 2021 (MBT-NFI: \$45,827,000; MBT-Mining; \$1,751,000).

- [5-20] S.B. 541 requires 25% of the proceeds from the portion of the Governmental Services Tax (GST) generated from the 10% depreciation schedule change, approved in S.B. 429 (2009), to be allocated to the State General Fund on a permanent basis, effective July 1, 2019. The remaining 75% portion of these proceeds are to be deposited in the State Highway Fund. Estimated to generate \$21,954,000 in FY 2020 and \$22,321,000 in FY 2021.
- [6-20] S.B. 263 specifies that alternative nicotine products and vapor products, including e-cigarettes and their components, are subject to the 30 percent wholesale tax on other tobacco products, effective January 1, 2020. Estimated to generate \$3,699,000 in FY 2020 and \$7,931,000 in FY 2021.
- [7-20] Estimated portion of the revenue generated from Court Administrative Assessment Fees to be deposited in the State General Fund (pursuant to subsection 9 of NRS 176.059), based on the legislatively approved projections and the authorized allocation for the Court Administrative Assessment Fee revenues (pursuant to subsection 8 of NRS 176.059) for FY 2020 and FY 2021. Estimated to generate \$351,220 in FY 2020 and \$270,166 in FY 2021.
- [8-20] Adjustment to the Statewide Cost Allocation amount included in the Legislatively Approved budget after the May 1, 2019, approval of the General Fund revenue forecast by the Economic Forum.

#### FY 2021: Notes 1 through 3 represent legislative actions approved during the 31<sup>st</sup> Special Session (July 2020).

- [1-21] S.B. 3 requires the advance payment on the net proceeds of minerals (NPM) tax in FY 2021 based on the estimated net proceeds for the current calendar year 2021. This additional NPM tax payment in FY 2021 is estimated to generate \$54,500,000 from the Generat Fund portion of the tax due on the estimated net proceeds for calendar year 2021 based on the consensus estimate prepared by the Department of Taxation, Budget Division, and the Fiscal Analysis Division. The provisions of S.B. 3 also apply to FY 2022 and FY 2023, but the NPM tax reverts back to the former method (tax due based on actual mining activity from the preceding calendar year) of taxing net proceeds on July 1, 2023.
- [2-21] S.B. 3 requires 100% of the proceeds from the portion of the Governmental Services Tax (GST) generated from the 10% depreciation schedule change, approved in S.B. 429 (2009), to be allocated to the State General Fund in FY 2021 only. Beginning in FY 2022, the distribution reverts to 75% of the additional revenue generated from the GST 10% depreciation schedule change deposited in the State Highway Fund and 25% deposited in the State General Fund, as approved in S.B. 541 (2019). Estimated to generate an additional \$71,346,000 in FY 2021 for the State General Fund, based on the consensus estimate prepared by the Budget Division and the Fiscal Analysis Division.
- [3-21] S.B. 3 requires the Department of Taxation to establish and conduct a tax amnesty program by which taxpayers may pay a fee, tax, or assessment required to be paid to the Department without incurring any penalties or interest that would otherwise be required as a result of the unpaid fee, tax, or assessment. This program is required to be conducted by the Department for a period of not more than 90 calendar days and must be concluded no later than June 30, 2021. Estimated to generate \$14,000,000 to the State General Fund and \$7,000,000 to the Distributive School Account (DSA) in FY 2021 based on the consensus estimate prepared by the Department of Taxation, Budget Division, and the Fiscal Analysis Division.

#### FY 2022: Notes 1 and 2 represent legislative actions approved during the 2019 Legislative Session.

- [1-22] Section 1 of A.B. 512 provides a General Fund appropriation of \$2,138,800 in FY 2020 to the Office of the Chief Information Officer (OCIO, formerly the Division of Enterprise Information Technology Services of the Department of Administration) for the implementation of an enterprise cloud electronic mail and business productivity application. The legislatively approved repayment of this appropriation is 25 percent of the cost of the implementation of an enterprise cloud electronic mail and business productivity application per year, beginning in FY 2022.
- [2-22] Section 2 of A.B. 512 provides a General Fund appropriation of \$4,186,202 in FY 2020 to the Office of the Chief Information Officer (OCIO, formerly the Division of Enterprise Information Technology Services of the Department of Administration) for the replacement of firewalls. The legislatively approved repayment of this appropriation is 25 percent of the cost of the replacement of the firewalls per year, beginning in FY 2022.

Technical Advisory Committee on Future State Revenues October 30, 2024, Meeting - 10/29/2024 - 12:00 PM

							YEAR-TO-DATE [b.]					
DESCRIPTION	FY 2022 ACTUAL	% Change	FY 2023 ACTUAL	% Change	FY 2024 ACTUAL	% Change	FY 2024 SEPTEMBER	FY 2025 SEPTEMBER	\$ Difference	% Change		
FY 2024: Note 3 represents actions resulting from the Department of Taxation's September 2022 Modified Business Tax rate reduction determination, as required pursuant to NRS 360.203.												

FY 2024: Note 3 represents actions resulting from the Department of Taxation's September 2022 Modified Business Tax rate reduction determination, as required pursuant to NRS 360.203.

[3-24] S.B. 483 (2015) enacted a rate reduction mechanism, codified in NRS 360.203, by which the rates for the Modified Business Tax are to be lowered if combined collections from the MBT, Commerce Tax, and Branch Bank Excise Tax in any even-numbered fiscal year exceed the May 1 forecast for the Economic Forum, adjusted for any actions approved by the Legislature, for that fiscal year by more than 4%, as determined by the Department of Taxation on or before September 30 of each even-numbered year. The rate reduction under this mechanism is to become effective at the beginning of the fiscal year following the determination by the Department.

On September 30, 2022, the Department of Taxation determined that actual collections for these taxes in FY 2022 exceeded the Economic Forum's May 4, 2021, forecasts, adjusted for legislative actions and court decisions, by more than 4%. As a result, the tax rate reduction mechanism approved in S.B. 483 requires the MBT-Nonfinancial rate to be reduced from 1.378% to 1.17% on all taxable wages in excess of \$50,000 per calendar quarter, and the MBT-Financial and MBT-Mining rates to be reduced from 1.853% to 1.554% on all taxable wages, effective at the beginning of FY 2024 (July 1, 2023). The rate reduction determined by the Department on September 30, 2022, reduces the MBT-Nonfinancial rate to the minimum by which this may be reduced pursuant to NRS 360.203; thus, no further rate reductions may occur under these provisions based on current law.

#### FY 2024: Notes 4 through 14 represent legislative actions approved during the 2023 Legislative Session.

- [4-24] S.B. 266 excludes, for the purposes of gross gaming revenue for the calculation of the percentage fee tax on gross gaming revenue, cash received as entry fees for the right to participate in a contest or tournament conducted on the premises of a licensed gaming establishment with the participants physically present at those premises when participating under certain circumstances, effective July 1, 2023. The effective date of July 1, 2023, results in a reduction of revenue of \$1,563,100 for the last 11 months of FY 2024, and \$1,705,200 for all twelve months of FY 2025.
- [5-24] S.B. 435 specifies that if an assessment against the operators of certain private medical providers in Nevada is imposed by the Division of Health Care Financing and Policy of the Department of Health and Human Services, the proceeds must be used to provide additional support and services under Medicaid for Medicaid recipients with serious behavioral health conditions, effective upon passage and approval (June 8, 2023).

If such an assessment is imposed, the use of these proceeds for Medicaid services is anticipated to increase capitation payments to contracted managed care organizations, which would increase insurance premium tax collections (as these capitation payments are considered as net direct considerations for the calculation of the tax). However, as it is not known what the rate of assessment that may be imposed or when such an assessment may begin, the effect on the State General Fund is not known at this time.

- [6-24] A.B. 448 clarifies that the exemption from the real property transfer tax for a mere change in identity, form or place of organization, does not apply if the business entity to which the real property is transferred was formed for the purpose of avoiding those taxes, effective upon passage and approval (June 15, 2023). The effect upon the State General Fund is not known at this time, as it is anticipated that the Department of Taxation will need to develop regulations to establish guidelines for determining which entities are formed for the purpose of avoiding the tax.
- [7-24] S.B. 452 requires 100% of the proceeds from the portion of the Governmental Services Tax (GST) generated from the 10% depreciation schedule change, approved in S.B. 429 (2009), to be permanently allocated to the State Highway Fund, effective July 1, 2023. As approved under this bill, the State General Fund will no longer receive proceeds from this tax beginning in FY 2024.
- [8-24] A.B. 232 revises the tax on other tobacco products to specify that the tax on premium cigars, defined as a cigar that is rolled by hand, has a wrapper made of whole tobacco leaves, and which does not have a filter or mouthpiece, is 30 percent of the wholesale price of the cigar, but cannot be less than 30 cents per premium cigar or more than 50 cents per premium cigar, effective July 1, 2023, until June 30, 2027. Estimated to reduce collections by \$1,000,000 per fiscal year in FY 2024 and FY 2025.
- [9-24] A.B. 260 provides an exemption from any fees imposed by the Secretary of State's Office under Title 7 of the NRS for veterans services organizations, as recognized by the United States Secretary of Veterans Affairs, any agent or officer of such an organization, effective January 1, 2024. Estimated to reduce revenue by \$650 in FY 2024 and \$1,300 in FY 2025.
- [10-24] S.B. 145 revises the fine structure that may be imposed by the Labor Commissioner for violations of provisions relating to intentional misclassification of employees by an employer, removing the \$2,500 fine that may be imposed upon an employer for a first offense of these provisions. Estimated to reduce revenue by \$10,000 per fiscal year in FY 2024 and FY 2025.
- [11-24] S.B. 450 provides a General Fund appropriation of \$12,000,000 to the Housing Division of the Department of Business and Industry to establish a program for the relocation of persons residing in the Windsor Park neighborhood of the City of North Las Vegas whose residences have been damaged by the sinking of the ground beneath the residences. The legislatively approved repayment of this appropriation is \$250,000 per month, which must be withheld from the payment made from the Local Government Tax Distribution Account to the City of North Las Vegas for each month beginning on July 1, 2023, until the month when the total amount withheld from the city equals \$12,000,000.
- [12-24] S.B. 448 eliminates the distribution of certain court administrative assessment fees to the Office of the Court Administrator and other functions pursuant to subsection 8 of NRS 176.059, and instead requires that those proceeds be deposited in the State General Fund in addition to the \$5 per assessment that is currently deposited pursuant to subsections 5 and 6 of NRS 176.059, effective July 1, 2023. The elimination of this revenue distribution additionally eliminates the provisions that require court administrative assessment revenue that was not used or distributed for these purposes to be deposited in the State General Fund. Estimated to generate \$15,569,000 per fiscal year in FY 2024 and FY 2025.
- [13-24] Adjustment to the Statewide Cost Allocation amount included in the Legislatively Approved budget after the May 1, 2023, approval of the General Fund revenue forecast by the Economic Forum.
- [14-24] A.B. 45 requires, by the end of each fiscal year, the transfer of \$2,500,000 from the Abandoned Property Trust Account (Unclaimed Property) to the Account for Student Loan Repayment for Providers of Health Care in Underserved Communities, effective January 1, 2024. This revenue must be transferred after the required transfer of the first \$7.6 million to the Millennium Scholarship Trust Fund and the next \$1 million to the Grant Matching Account.

A.B. 45 additionally requires, if the Nevada Health Service Corps has been established pursuant to NRS 396.900, that \$250,000 per fiscal year, beginning in FY 2024, be transferred to the University of Nevada School of Medicine for the purpose of obtaining matching money for the Corps from the federal government. This transfer must occur after the \$7.6 million transfer to the Millennium Scholarship Trust Fund; the \$1 million transfer to the Grant Matching Account; and the \$2.5 million transfer to the Account for Student Loan Repayment for Providers of Health Care in Underserved Communities.

#### FY 2025: Note 1 represents legislative actions approved during the 2023 Legislative Session.

[1-25] S.B. 428 requires the submission of a question on the November 2024 General Election ballot seeking approval to amend the Sales and Use Tax Act of 1955 to provide an exemption from the State 2% sales and use tax for diapers for children and adults. If this question is approved by the voters, the sales tax exemption for these products will be effective January 1, 2025, until December 31, 2050.

S.B. 428 also provides that if the ballot question is approved by the voters, identical exemptions for these products from the Local School Support Tax and other state and local taxes would become effective January 1, 2025, and would also expire on December 31, 2050. If approved, these exemptions would reduce the amount of the commission that is kept by the Department of Taxation and deposited in the State General Fund for collection of these taxes.

[TC-3]	Pursuant to S.B. 357 (2013), the Nevada New Markets Jobs Act allows insurance										ies,

For subart to S.B. 357 (2015), the revealed New Markets Jobs Act allows insufance companies to receive a credit against the tax imposed on insufance point informations in exchange for making qualified equity investments in community end insufance point informations in exchange for making qualified equity investments in community end insufance point informations in exchange for making qualified equity investment, insurance companies are entitled to receive a credit against the Insurance Premium Tax in an amount equal to S be precent of the total qualified equity investment that is certified by the Department. The credits, which were allowed to be taken by insurance companies beginning in the third quarter of FY 2015 under the provisions of S.B. 357, may be taken in increments beginning on the second anniversary date of the original investment, as follows:

2 years after the investment is made: 12%; 3 years after the investment is made: 12%; 4 years after the investment is made: 12%; 5 years after the investment is made: 11%; and 6 years after the investment is made: 11%;

Pursuant to A.B. 446 (2019), an additional \$200 million in qualified equity investments could be certified by the Department of Business and Industry, effective July 1, 2019, with a total of \$116 million of credits that may be taken based on the increment percentages originally approved in S.B. 357 (2013). However, pursuant to A.B. 446, no credits could be taken against the Insurance Premium Tax before July 1, 2021 (FY 2022).

Pursuant to S.B. 450 (2023), an additional \$170 million in qualified equity investments may be certified by the Department of Business and Industry, effective July 1, 2024, with a total of \$98.6 million of credits that may be taken based on the increment percentages originally approved in S.B. 357 (2013). However, pursuant to S.B. 450, no credits may be taken against the Insurance Premium Tax before July 1, 2026 (FY 2027).

S.B. 240 additionally allows the Department of Business and Industry, effective July 1, 2024, to certify \$30 million in impact qualified equity investments, with a total of \$22.5 million of credits that may be taken based on the increment percentages in the bill (0% in the first two years, and 15% per year in the next five years). Pursuant to S.B. 240, none of these credits may be taken against the Insurance Premium Tax before July 1, 2026 (FY 2027).

The forecasts for FY 2025, FY 2026, and FY 2027 are based on information provided by the Department of Business and Industry and the Department of Taxation.

DESCRIPTION	FY 2022 ACTUAL	% Change	FY 2023 ACTUAL	% Change	FY 2024 ACTUAL	% Change	FY 2024 SEPTEMBER	FY 2025 SEPTEMBER	\$ Difference	% Change

[TC-4] S.B. 507 (2015) authorizes the Governor's Office of Economic Development (GOED) to approve transferrable tax credits that may be used against the Modified Business Tax, Insurance Premium Tax, and Gaming Percentage Fee Tax to new or expanding businesses to promote the economic development of Nevada. As approved in S.B. 507, the total amount of transferrable tax credits that may be issued is \$500,000 in FY 2016, \$2,000,000 in FY 2017, and \$5,000,000 for FY 2018 and each fiscal year thereafter.

A.B. 1 of the 29th Special Session (2015) reduced the total amount of transferrable tax credits that may be issued by GOED to zero in FY 2016, \$1 million in FY 2017, \$2 million per year in FY 2019, and \$3 million in FY 2020. For FY 2021 and future fiscal years, the amount of credits that may be issued by GOED remains at \$5 million per year. The forecasts for FY 2025, FY 2026, and FY 2027 are based on information provided by GOED.

[TC-5] A.B. 165 (2015) allows taxpayers who make donations of money to certain scholarship organizations to receive a dollar-for-dollar credit against the taxpayer's liability for the Modified Business Tax (MBT). The total amount of credits that may be approved by the Department of Taxation (Department) is \$5 million in FY 2016, \$5.5 million in FY 2017, and 110 percent of the total amount of credits authorized in the previous year, for all subsequent fiscal years.

S.B. 555 (2017) authorized an additional \$20 million in credits against the MBT under this program in Fiscal Year 2018 beyond those that were authorized in FY 2018 based on the provisions of A.B. 165 (2015). Any amount of the \$20 million in credits that is not approved by the Department may be issued in future fiscal years.

A.B. 458 (2019) permanently eliminated the 10 percent increase in the amount of credits that may be authorized in each year, capping the total amount that may be authorized in each year at \$6,655,000 beginning in FY 2020. The bill additionally clarified that the \$6,655,000 limit per year applies to the combined credits that may be taken under both chapters of the MBT (Chapters 363A and 363B), rather than as a separate limit for each chapter.

S.B. 551 (2019) authorized an additional \$4,745,000 in credits against the MBT (Chapters 363A and 363B combined) under this program per year in FY 2020 and FY 2021 beyond those that were authorized in those years based on the provisions of A.B. 458 (2019). Any amount of the \$4,745,000 in credits that is not approved by the Department in each fiscal year may be issued in future fiscal years.

A.B. 495 (2021) authorized an additional \$4,745,000 in credits against the MBT (Chapters 363A and 363B combined) under this program per year in FY 2022 beyond those that are authorized in that year based on the provisions of A.B. 458 (2019). The forecasts for FY 2025, FY 2026, and FY 2027 were prepared by the Governor's Finance Office and the Fiscal Analysis Division based on information provided by the Department of Taxation.

[TC-6] S.B. 412 (2015) provides a tax credit against the Modified Business Tax (MBT) to certain employers who match the contribution of an employee to one of the college savings plans offered through the Nevada Higher Education Prepaid Tuition Program and the Nevada College Savings Program authorized under existing law. The amount of the tax credit is equal to 25 percent of the matching contribution, not to exceed \$500 per contributing employee per year, and any unused credits may be carried forward for 5 years. The provisions relating to the Nevada College Savings Program are effective January 1, 2016, and the Higher Education Prepaid Tuition Program are effective July 1, 2016.

The forecasts for FY 2025, FY 2026, and FY 2027 are based on information provided by the Treasurer's Office on enrollment and contributions for the College Savings Program.

(TC-7) S.B. 448 (2019) authorizes the Housing Division of the Department of Business and Industry (Division) to approve a total of \$40 million of transferrable tax credits that may be used against the Modified Business Tax, Insurance Premium Tax, and Gaming Percentage Fee Tax. Under the provisions of S.B. 448, the Division may award up to \$10 million in transferable tax credits per year to persons who develop affordable housing projects in Nevada over the four years of the pilot program, but may award an additional \$3 million in credits in any fiscal year if the issuance of the credits is necessary for the development of additional affordable housing projects in the state. If the Division approves any credits in excess of \$10 million in a fiscal year, the amount to be awarded in the next fiscal year must be reduced by the amount in excess of \$10 million that was issued in the previous fiscal year. If the Division does not issue all of the \$10 million in credits authorized in a fiscal year, that amount is carried forward and may be issued in a subsequent fiscal year.

S.B. 284 (2021) made several changes to this tax credit program, including revising the procedure for the issuance of transferable tax credits so that transferable tax credits are issued before, rather than after, the project is completed; removing the 4-year sunset provisions originally established by S.B. 448 (2019), making the program permanent; and clarifying that the maximum amount of tax credits that may be issued under the program remains at \$40 million as established in S.B. 448 (2019).

The forecasts for FY 2025, FY 2026, and FY 2027 are based on information provided by the Division.

[TC-8] S.B. 1 (35th Special Session (June 2023)) authorizes the developer partner of a qualified major league baseball stadium project to apply to the Stadium Authority for a certificate of eligibility for transferrable tax credits which may be applied to the Modified Business Tax, the Gaming Percentage Fee Tax, or the Insurance Premium Tax (with the exception of any of these taxes generated from activity occurring within the stadium district). A qualified project may be approved for a maximum of \$36 million in tax credits per fiscal year, beginning in Fiscal Year 2026, and a maximum of \$180 million in transferrable tax credits may be awarded to all qualified projects in the state.

The forecasts for FY 2026 and FY 2027 are based on information provided by the Las Vegas Stadium Authority
