Budget Amendment A232542699  
2023-2025 Biennium (FY24-25)**

Submitted March 15, 2023

**Budget Account's Primary Purpose, Function and Statutory Authority**

Provides categorical educational funding as follows:

12 SB 453 CHARTER SCHOOLS - Augments charter schools funding for schools identified to receive less funding under the Pupil Centered Funding plan.

25 JOBS FOR AMERICA'S GRADUATES - Helps students graduate, teaches workplace readiness skills, provides employment support services, and assists enrollment in post-secondary education or the military for high school graduates.

33 DUAL LANGUAGE PROGRAM - Funds a dual language immersion pilot program.

44 PUBLIC BROADCASTING - Subgranted to public broadcasting stations to promote educational, informational, and cultural needs of Nevada communities.

49 EDUCATION LEADERSHIP - Funds leadership personnel development to prepare school leaders to be successful in their expanded management duties.

78 AB580-SEC 82-CTE PROGRAMS - Subgranted to school districts and charter schools to support Career and Technical Education programs.

80 ADULT EDUCATION - Subgranted to school districts to support adult standard high school diploma courses of study.

**Purpose of Work Program**

This budget amendment is to reduce E281 by 50%.

**Justification**

The original enhancement (E281) was inadvertently doubled as the biennium amount was used for each FY amount. This budget amendment is to reduce E281 by 50% in each FY so that it aligns correctly with the original enhancement request.

**Expected Benefits to be Realized**

NDE expects this budget amendment to reduce 2501 revenue and cat 33 expenditure authority in E281 by 50% so that it correctly aligns with the original enhancement request.

**Explanation of Projections and Documentation**

NEBS 225  
NEBS 210  
Fund Map FY24  
Fund Map FY25

**Summary of Alternatives and Why Current Proposal is Preferred**

E281 is overstated by 100%, so it is imperative that the enhancement is corrected. This budget amendment is preferred so the Dual Language program does not receive excess general fund authority than is actually needed.

## DETAILED INFORMATION

**Justification:** Please provide the necessary justification for this Enhancement Request (see the [23-25 Budget Building Manual](#) for more information on what information should be provided in the justification). Include the rationale for the Enhancement Request, relevant data, and other evidence supporting your request.

A number of LEAs offered Dual Language Immersion programs in the past, but few exist at this time. Based on growing evidence, LEAs have expressed interest in re-establishing schools that implement the model. There is growing evidence that Dual Language Immersion programs allow students to become not only balanced bilinguals and thereby enhance academic and economic prospects. It also helps students to develop advanced metalinguistic and metacognitive skills and to maintain home languages and cultures, which build stronger communities. In Nevada, students would also have the opportunity to graduate high school with the Seal of Biliteracy. To provide incentives and supports to local education agencies (LEAs) in the implementation of Dual Language Immersion models that foster the development of two languages, academic success, and result in students who graduate high school who qualify for Nevada's Seal of Biliteracy. Participation in Dual Language Immersion programs would be available to both students who are English learners and English speakers. Dual language programs are designed to provide opportunities for English learners (ELs) and non-ELs to develop academic literacy and content knowledge in two languages simultaneously. The program design must be attainable and meet the needs of the learners.

Budget Amendment A232392721  
2023-2025 Biennium (FY24-25)**

Submitted March 15, 2023

**Budget Account's Primary Purpose, Function and Statutory Authority**

The Office of Safe and Respectful Learning Environments is responsible to monitor compliance and support school districts with applicable school and student safety laws inclusive of behavioral and physical health. This office will establish programs of training to improve school climate and prevent, identify, and report incidents of bullying and cyber-bullying, school safety reporting, suicide prevention, and restorative/discipline practices. In addition, this office will implement and monitor the SafeVoice and Handle with Care Programs, and support districts in their planning for emergency management, social emotional learning, tiered systems of support, and Discipline/Restorative Practices Plans. NRS 388.121-145 (Climate and School Safety), NRS 388.229-266 (Emergency/Crisis Management), NRS 392.420-455 (health and safety) and NRS 392.461-472 (Behavior and Discipline)

**Purpose of Work Program**

The purpose of this work program is to amend authority for the SafeVoice Platform contract.

**Justification**

The Department of Education is requesting a budget amendment for Budget Account 2721, the Office for a Safe and Respectful Learning Environment.

In our original agency request submission, decision unit E350 was put forward to fund the SafeVoice platform at \$386,000 per year of the biennium. After additional research, it appears the enhancement only needed to be for \$193,000 per year of the biennium. This budget amendment would reduce the amount requested in the enhancement to align with the contract terms.

**Expected Benefits to be Realized**

The expected benefits to be realized is to release funding no longer required.

**Explanation of Projections and Documentation**

Fund Map  
NEBS210  
NEBS225

**Summary of Alternatives and Why Current Proposal is Preferred**

The only alternative is to deny this amendment. If this amendment is not approved, additional unneeded general fund authority will remain in the budget.
