Budget Message FY 2019-2020

Mrs. Gransbery,

**Fiscal Year 2018/2019 General Fund Recap:**

Our City continues to make progress on the projects that are currently in the planning stage, and we completed the following projects during FY 18-19:

1. Valley Gutter Intersection Project – The City of Winnemucca used Regional Transportation Commission (RTC) funds to install/replace valley gutters and curb returns at various locations throughout the City.
2. Recreation Projects –
  - a. Replaced the playground equipment at both Vesco Park and Highland Park.
    - i. Highland Park also received new fencing and several concrete upgrades.
  - b. Constructed a splash pad at the Whitworth Recreation Complex. This was not completed until August 2018. We anticipate that this feature will be very popular this summer.
  - c. We also constructed a shade structure adjacent to the splash pad. The shade structure was made possible by a donation from SSR Mining-Marigold.
  - d. Constructed a fitness park and walking path at the Whitworth Recreation Complex. We partnered with Age and Dementia Friendly-Winnemucca/Humboldt County to receive a grant from AARP to assist with the funding of this park.
3. Cemetery Upgrades – We completed the expansion project at the cemetery. This expansion adds approximately 400 plots to our cemetery. We have also completed two irrigations projects as well as site improvements to ensure that our cemetery is maintained in park-like condition.

*100 Years of Community Service, Pride, And Success*

4. Airport Projects – The City of Winnemucca completed an Overlay of Taxiways A and B and a Pavement Rehabilitation Project at the Winnemucca Municipal Airport.

Projects currently in progress include:

- a. Property Acquisition
- b. Heavy Aircraft Apron Expansion and Reconstruction

By taking advantage of the FAA grant program, Winnemucca is able to make yearly improvements at our airport.

Note: Each year the City of Winnemucca Water Fund (Enterprise) transfers \$100,000 into the General Fund as payment for the value of the Railroad Spring water. The City owned the Railroad Spring water rights long before the City assumed ownership of the water system in 1985 and had been paid by the previous water system owner for the value of the water from the spring. The revenue from the spring water that is sold to the water system customers is collected and maintained by the Water Fund, justifying the annual reimbursement (which is based upon the average spring production).

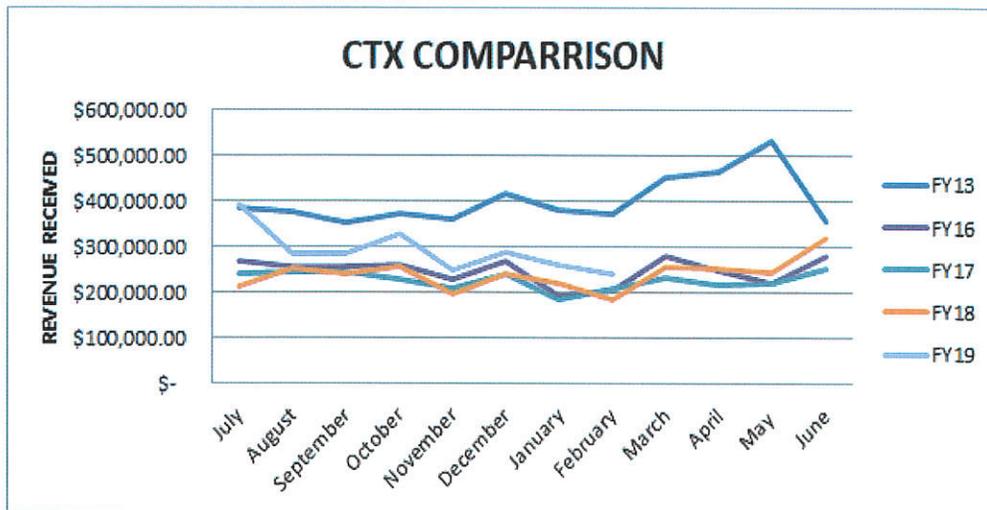

#### **Fiscal Year 2018/2019 Enterprise Funds Recap:**

1. Alley Sewer Upgrade Project – A project to upgrade some of the water and sewer lines in one of the oldest parts of town is currently underway and will be completed by the end of the fiscal year.
2. Emergency Sewer Pipeline – Prior to year-end, a pipeline from the influent pump station to an existing sewer treatment pond will be constructed for emergency purposes only.
3. Well 8 Test Well – The City hopes to drill a new test well on the East side of town prior to the end of FY 18-19.

Note: We have started the process to increase our water meter fee. Our current  $\frac{3}{4}$ " meter fee is \$2.10 per month. We will be looking at increasing that fee to an amount between \$8.00 and \$14.00 per month. The City bills for approximately 3,500 meters per month. Our preliminary estimation is an increase of \$485,000 to our water fund use fees in FY20. This increased revenue will be used toward regular maintenance projects as well as some larger capital projects that we are anticipating in the next few years.

#### **Revenue Recap:**

Property tax revenue, as well as the price of gold remains stable. We are modestly encouraged by the increase in CTX revenue so far in FY19. However, it is still 26% lower than the historical high experienced in FY14 (see graph on next page). Overall, our local economy appears to be strong. Therefore, we are cautiously optimistic as we move into FY20.

#### Plans for Fiscal Year 2019/2020:

##### General Fund Capital Improvement projects FY 19-20:

1. Airport Projects (made possible by FAA grants):
  - a. Property Acquisition Project - The appraisal process for three of the four properties has been completed and offers have been made on those three parcels. The final property requires more extensive survey work. However, the acquisition of all four properties should be complete in Q1 of FY 2019/2020. These properties will enhance the "clear zone" of Runway 14/32 and provide room for expansion.
  - b. Heavy Aircraft Apron Expansion and Reconstruction – The utility survey and geotechnical investigation have been completed for this project. Construction is expected to begin in July.
2. Storm Drain Projects - The City will continue to maintain and upgrade storm drains, especially in areas know to be susceptible to flood hazards.
3. Recreation Complex Projects - The City will continue to work toward the completion of our recreation complex. Projects on the horizon for FY 2019/2020 include the first phase of an amphitheater and a youth league four-plex. The City will also start looking at the feasibility of constructing an urban pond.
4. Regional Transportation Commission (RTC) - The City will have three RTC projects for FY 19/20. The biggest project will be a mill and overlay of Potato Road, Fountain Way, and Railroad Street. The City will also be completing a small chip seal project as well as rehabilitating curb and gutter at various locations.

##### Enterprise Funds:

1. We will continue upgrading aging sewer and water utility lines in some of the older areas of the City. Our FY 19-20 project includes upgrading one alley from aged Orangeburg pipe to much more durable plastic pipe (PVC, HDPE).
2. In most years, the City chooses to install new water line valves at critical locations throughout the City. We will be completing one of these valve projects in FY 19-20. Installing new valves allows

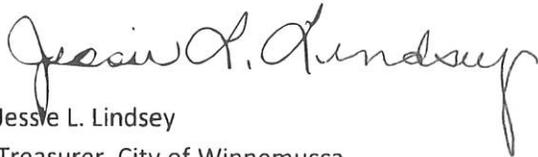

City personnel to have more precise control over water distribution when portions of the system need to be repaired or replaced.

3. If the test well drilled in FY 18-19 proves to have the quality and quantity of water necessary, the City will begin the design phase for a new production well (Well 8) on the East side of the City.

Fiscal year 2018/2019 has been a productive year for the City. We completed several recreation projects this year that had previously delayed to prioritize public safety and public works projects. The Whitworth Recreation Complex offers activities for all of our citizens, and we look forward to more additions to this complex in future years.

We have a vibrant little City that offers high quality services and programs to its citizens. We have accomplished much over the past several years and, as always, have a growing list of projects to complete and goals to achieve. Our goal will always be to provide high quality services to the public in the most efficient and economical manner possible.

Respectfully submitted,

A handwritten signature in black ink that reads "Jesse L. Lindsey". The signature is written in a cursive style with a large, prominent "J" and "L".

Jesse L. Lindsey  
Treasurer, City of Winnemucca

Nevada Department of Taxation  
1550 College Parkway, Suite 115  
Carson City, NV 89706-7937

City of Winnemucca herewith submits the Final budget for the  
fiscal year ending June 30, 2020

This budget contains 1 funds, including Debt Service, requiring property tax revenues totaling \$ 2,007,174

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits, the tax rate will be increased by an amount not to exceed 1 If the final computation requires, the tax rate will be lowered.

This budget contains 6 governmental fund types with estimated expenditures of \$ 10,227,782 and 2 proprietary funds with estimated expenses of \$ 3,784,720

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local Government Budget and Finance Act).

CERTIFICATION

I Jessie Lindsey  
(Print Name)  
Treasurer  
(Title)

certify that all applicable funds and financial operations of this Local Government are listed herein

Signed: Jessie Lindsey
